

COMMENCEMENT AT FAIRFIELD IS FINAL ONE

The Rev. Dr. Edwin H. Sponseller, of the faculty of Hood college, urged a Fairfield high school commencement crowd Thursday evening to "remember the commandment of God to 'love thy neighbor,' in your relations to Russia."

More than 300 packed the Fairfield community hall for the last commencement exercises at Fairfield high school. The commencement brought to an end several decades of service by the Fairfield secondary school which closed following the commencement.

The 47 remaining students, from Hamiltonban and Liberty townships and Fairfield, who are attending Fairfield high school, will go to other high schools next fall. The Fairfield board is sending questionnaires to the parents of the children for their children's attendance next year. Forty-five students who are taking eighth grade examinations for high school entrance this year from Fairfield, Hamiltonban and Liberty will also be transported to other high schools provided they pass the tests.

Nineteen seniors received their diplomas at Thursday evening's affair.

"Choose Ye This Day Whom You Will Serve," was Doctor Sponseller's theme. He urged the students to take an active interest in community affairs and in affairs of the nation. "There is a tremendous need for trained citizens," he declared. He pointed out that "each individual can contribute to make ours a better world if he will only remain true to the ideals of the democratic way of life. You can dream of a beautiful world, but will you help make it so?"

The seniors included Jay Brown, Edwin Currens, Clyde Myers, Eugene Pecher, Kenneth Seiferd, Curtis Shindeldecker, Richard Sides, Andrew Strausbaugh, James Weikert, Darrell Wolfe, Richard Heintzman, Winona Bowser, Phyllis Cornwell, Phyllis McClellan, Susan Neely, Betty Jo Sites, Faye Sites, Louise Sites, and Mary Sites.

Awards Presented

Alton White, principal of the school, presented the literary award to Miss Susan Neely and the science award to Miss Faye Sites, who were the outstanding seniors in these two curricula.

The program opened with a professional played by Miss Ruth Martin, followed by an invocation pronounced by the Rev. Fr. Cletus A. Hauck and the "Star Spangled Banner."

Five student speakers each gave five-minute talks on the general graduation theme, "A Greater and Better World." Jay Brown spoke on "Mankind's Heritage," Faye Sites, "Mankind's Common Destiny," Susan Neely, "Resources for Progress," James Weikert, "Airway to Destiny," and Mary Sites, "A Better World."

The diplomas were presented to the class by the president of the Fairfield school board, Harry E. Brown.

The benediction was pronounced by the Rev. Dr. Norman S. Wolf.

Birthday Party Held For Clair Mickley

A birthday party was held recently at the home of Mr. and Mrs. Clair Mickley, Gettysburg R. 2, in honor of their son, Clair, who observed his 23rd birthday anniversary. The guest of honor received many gifts. Games were played and refreshments served. String music was furnished by Earl Phillip, Matthew Lopp and Clair Mickley.

Those present were Mr. and Mrs. Wayne Yohe and daughter, Elaine, Biglerville R. 2; Mr. and Mrs. Earl Phillips, Gettysburg R. 2; Matthew Lopp and Frankie Lane, Mt. Holly Springs; Mary and Jean Little, Gettysburg R. 4; Howard Bigham, Gettysburg; William Carey, Biglerville R. 2; C. Stull, Aspers, R. 1; Arlo Stull, McSherrystown; Mr. and Mrs. Mickley and children, Glenda Mae and Raymond K.

Birth Announcements

An eight pound son was born this morning at 1:30 o'clock at the Hanover general hospital to Mr. and Mrs. Robert V. Weaver, Matthias apartments, Littlestown.

Mr. and Mrs. Victor Schlieder, of Manchester Center, Vermont, announce the birth of a daughter on May 16. Mrs. Schlieder was formerly Miss Janet Carbaugh, daughter of the late Mr. and Mrs. Raymond Carbaugh, of Biglerville. The baby was born on the birthday anniversary of her mother and also of her grandmother, Mrs. Flora Carbaugh.

MARRIAGE LICENSE

A marriage license was issued at the court house Thursday to Gerald Richard Heller, son of Mr. and Mrs. Harry T. Heller, Biglerville, and Miss Martha Irene Reeve, daughter of Mr. and Mrs. G. Luther Reeve, Gettysburg R. 2.

Master Reverses Decision In Stoops Divorce Action

Attorney Edgar K. Markley, in a supplemental master's report filed Thursday at the office of the county prothonotary in the divorce action of H. Russell Stoops, Gettysburg R. 2, against Mae L. Stoops, Waynesboro, has withdrawn his recommendation made in his previous master's report that the divorce be granted.

"Although the master recommended that a divorce be granted in his report of February 7, 1947, it is the considered opinion of the master that the present state of the record does not warrant such a recommendation," Attorney Markley wrote in his supplementary report.

In his conclusion, Markley said that "the master finds that the averments of the libellant (H. Russell Stoops) have not been sustained

by the testimony and recommends that the prayer of the petition be denied and that the costs of these proceedings be imposed on the libellant."

After the previous report a motion was presented to refer the report of the master back for additional testimony. In that motion, Richard A. Brown, attorney for H. Russell Stoops, pointed out that additional evidence was available and should be placed in the testimony.

In his second report Markley pointed out that while Mrs. Stoops allegedly confessed to misconduct her confession under law could not stand as grounds for divorce without corroborating testimony from others.

Attorney Brown said this morning that the recommendation of the master would probably be appealed.

EAST BERLIN TO GRADUATE CLASS TONIGHT

GROWERS MEET NEXT TUESDAY

Adams county's fruit growers will hold their second meeting this month next Tuesday evening at the Biglerville auditorium, F. E. Griest, Jr., secretary of the county growers organization, announced today.

Because rain has held back application of sprays, the curculio, codling moth, brown rot, and scab situation demands careful attention, Griest said in a letter sent out today to the more than 300 growers in the county.

Extension Entomologist J. O. Pepper and Extension Pathologist L. O. Weaver will be present to assist the growers in working out a program to meet the situation, he added.

The association is asking John Peters, William Lott, A. M. Geigley, Banks E. Benner, O. Bucher, Richard Kuhn, R. Garretson, G. Schriver, Harold Steiner, Oliver Heacock, Robert Lott and John Lucabach to report at the meeting on conditions of the fruit in their sections, in order to get a clear picture of what may have happened to the fruit during the recent cold spell and wet period.

The letter also reminded that the Franklin county fruit growers have invited the Adams county fruitmen to attend a Franklin county meeting Monday evening at 6:30 o'clock at the Chambersburg Fruit cooperative plant at Scotland.

LARKIN TO TELL OF EXPERIENCES IN WEST CHINA

Every Adams countian was urged today by the Rev. George S. Stoneback, chairman, to attend a public meeting to be held Sunday evening at 7:30 o'clock in the Methodist church by the county committee of United Service to China. Prof. George R. Larkin, of the Gettysburg college faculty, will speak on conditions in China.

Professor Larkin will speak from his personal experiences as a teacher at the West China Union university in Chengtu, China, from 1921 to 1927. In addition colored motion pictures will be shown depicting conditions in China today and special music will be presented.

The meeting will mark midpoint in a two-week drive on the part of the county committee in which it hopes to raise \$2,000 for aid to China.

Need Called Great

That the need for aid to China is great is attested by the fact that so many of our national leaders have become heads of the United Service to China, the Rev. Mr. Stoneback pointed out. The honorary national chairmen are General George C. Marshall, secretary of state, and Paul G. Hoffman, Edward R. Stettinius, Jr., is national campaign chairman. Governor James H. Duff is honorary chairman for the Pennsylvania campaign with Col. Albert H. Stackpole, the state campaign chairman.

The program of the United Service to China was outlined best by Gen. Brehon Somervell, USC campaign chairman in Allegheny county, the Rev. Mr. Stoneback said today. General Somervell in his talk said that "United Service to China, an outgrowth of China Relief, was founded in 1941 to provide a channel through which the American public could send aid to the fighting Chinese people. Since then \$45,000,000 has been contributed and some 24,000,000 Chinese people have benefited. Since the war United Service to China has embraced a new program shifting its emphasis from emergency relief to a postwar long range program of assistance aimed at the heart of China's problems."

Spend Percentage Here

"A large percentage of the \$8,000,000 which United Service to China hopes to raise nationally during 1947 will be spent here in the United States, training Chinese students to be industrial and civic leaders in their own country, to be teachers, doctors and nurses as well as giving aid to promising needy students of all sorts. Funds will also be spent in China on schools and universities to wipe out illiteracy, on healthcare, on problems of public health, and in the reconstruction and modernization of Chinese industry. Where it is necessary, war devastated and flood stricken areas will receive direct relief.

"United Service to China completely or partially supports projects in all parts of China. Among them being 161 hospitals and clinics, 466 orphanages, 35 colleges, 12 medical colleges, 23 leproisariums, 250 high schools, two pharmacy colleges and two dental colleges."

Here And There News Collected At Random

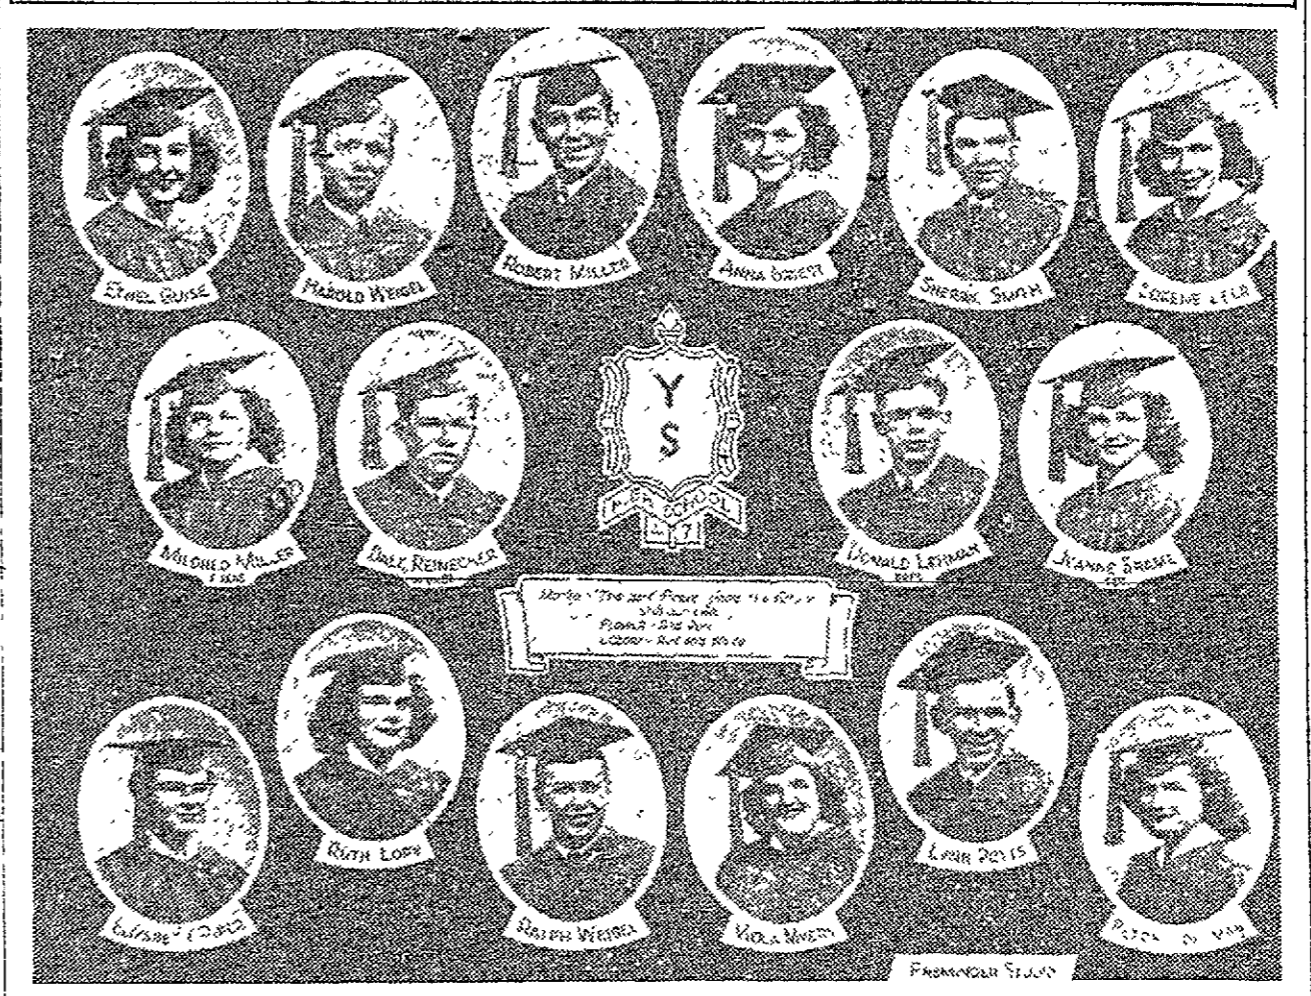

"It looks like a tough summer for flies," says the Medical Society of the State of Pennsylvania. "With the advent of DDT the control of flies takes on real significance. . . it is now possible for an individual, a business or an entire community to enjoy a degree of freedom from flies not attained in former years. . . flies are not only a nuisance, but an actual menace to health. . . houseflies have been proven capable of transmitting such diseases as typhoid, dysentery and other infections. . . they are unsightly, particularly when wading in a bowl of cereal. . . flies are annoying, particularly to baby and to grandpa who are both trying to sleep."

"DDT is being used beneficially in restaurants, dairies and small food shops. . . A complete treatment of both barn and out-buildings at dairies with DDT usually gives satisfactory control for three months or more. . . In restaurants, proper application of DDT to ceiling and walls of dining rooms and kitchens gives excellent control for three or more months. . . In (Please Turn to Page 4)

CHAMBER FETE FOR GUARD IS OPEN TO PUBLIC

Everybody in Adams county and Hanover may attend the dinner to be held by the Gettysburg Chamber of Commerce May 28 at the Shetter house to honor the county's new National Guard troop, Chamber President Henry W. Garvin announced today.

"The dinner is not merely a Chamber of Commerce meeting, but a public dinner designed to pay tribute to the young men who not only served their country well during World War II but are continuing their service to the nation, the commonwealth and the community by becoming members of the county's National Guard unit," Garvin said.

He urged that as many persons as possible plan to attend the dinner at which the members of Troop A of the 104th Cavalry—made up of men from Adams county and Hanover—will be guests.

Army Officer to Talk

Lt. Col. Wayne W. Brame, regular army instructor for the Pennsylvania National Guard, will be the speaker. "I know that members of the families of our guardsmen will want to be present, but all of us should make an effort to be there to pay tribute to them," Garvin added. "As members of the National Guard they are placing themselves in the forefront of our national defense. By sacrificing their time they are planning to remain constantly vigilant to protect our nation in any emergency. In case of war the National Guard is the first to be called and the National Guard has proved its worth in every war in which our nation has taken part. These men who have become charter members, as it were, of the new troop, are carrying on a glorious tradition, and we should show our appreciation to them for doing so."

A fried chicken dinner will be served, Garvin said.

Tickets are available at the Chamber office at \$1.50 apiece.

362 GRADERS TAKE HI EXAMS ON SATURDAY

Three hundred and sixty-two eighth grade students in Adams county will undergo the annual high school entrance examination Saturday morning starting at 8:30 o'clock in the morning and ending about 11:45 o'clock.

Forty-one students will be present at Arendtsville where Richard C. Lighter, county agricultural education supervisor will be chairman of the teachers' committee giving the test. Forty-eight students will take the test at East Berlin under a committee headed by Dr. Robert A. Bream, assistant county superintendent of schools. Forty-five students taking the test at Fairfield high school will be under the supervision of Miss Hazel E. Carson, teacher at Fairfield. County Superintendent J. Floyd Slaybaugh will head the committee in charge of the 85 students taking the test at Littlestown high school. Maurice Bowers, principal at York Springs, will be in charge of the 63 students taking the test there and Dr. Lloyd C. Keefeauver, superintendent of the Gettysburg schools will head the committee in charge of the 80 students to be tested at Lincoln school here.

All of the chairmen at the various schools will be assisted in giving the test by a committee of teachers named by each school.

LEGION HOME IS LOOTED OF \$350 IN CASH

Three hundred and fifty dollars in quarters and dimes in a money box was stolen from the local American Legion home sometime between 12:30 and 7 o'clock this morning.

Borough Chief of Police Robert C. Harpster, who is conducting the investigation into the burglary, said that it appeared to have been done by "someone passing through town rather than by a local person who probably would have had a better knowledge of the Legion building."

Whoever stole the money, entered by the front door of the building, jimmied another door and then jimmied open a cash box. In the box were \$200 in quarters, \$150 in dimes and "several hundred dollars" in nickels, according to the police chief.

The person or persons taking the money ignored the nickels, "apparently too bulky to remove."

A number of articles about the Legion home were sown about, Harpster said, as if the burglar had been searching before locating the cash box. No merchandise was stolen.

BIGLERVILLE HI YEAR BOOK FOR '47 COMPLETED

Handsomely bound in blue with an embossed school seal, and containing between its covers a hundred pages of pictures, school and class histories, activities, humor and lists of patrons, "The Mirror," 1947 year-book of Biglerville High school has made its appearance.

Its editors-in-chief are Ollie Van Dyke and LeRoy Zeigler; its assistant editor, Mary Hollabaugh; business manager, Merle Coulson; assistant business manager, Donald Miller.

Published by the senior class of Biglerville High school, the book devotes a page in front to the charter of the United Nations, and another page to a brief history of the school.

Pictures of Board

Among the pictures is a grouping of members of the Biglerville Board of Education, L. W. Kleinmiller, president; O. A. Nary, vice president; W. H. Lady, secretary; D. M. T. Dill, treasurer, and R. M. Martin, board member.

Individual pictures of the faculty, headed by L. V. Stock, supervising principal, and of the members of the senior class are also shown, together with pictures of the Mirror staff and editors.

A list of class officers is shown: Julia Yost, president; Owen Coble, vice president; Marshall Kuntz, secretary and Ollie Van Dyke treasurer. The class colors are blue and white, the flower, yellow rose, and motto "United We Stand, Divided We Fall." A page gives the class history, and another the last will and testament.

GROWERS MEET NEXT TUESDAY

Adams county's fruit growers will hold their second meeting this month next Tuesday evening at the Biglerville auditorium, F. E. Griest, Jr., secretary of the county growers organization, announced today.

Because rain has held back application of sprays, the curculio, codling moth, brown rot, and scab situation demands careful attention, Griest said in a letter sent out today to the more than 300 growers in the county.

Extension Entomologist J. O. Pepper and Extension Pathologist L. O. Weaver will be present to assist the growers in working out a program to meet the situation, he added.

The association is asking John Peters, William Lott, A. M. Geigley, Banks E. Benner, O. Bucher, Richard Kuhn, R. Garretson, G. Schriener, Harold Steiner, Oliver Heacock, Robert Lott and John Lucabaugh to report at the meeting on conditions of the fruit in their sections, in order to get a clear picture of what may have happened to the fruit during the recent cold spell and wet period.

The letter also reminded that the Franklin county fruit growers have invited the Adams county fruitmen to attend a Franklin county meeting Monday evening at 6:30 o'clock at the Chambersburg Fruit cooperative plant at Scotland.

Ask 4-H Members To May 30 Affair

Adams county 4-H members were asked today by Ira N. Dunmire, assistant county farm agent to participate in the Gettysburg Memorial Day exercises.

In a letter addressed to members of both the homemaker and extension clubs, Dunmire urged them to meet at the county Agricultural Extension office in the court house for arm-bands and other 4-H material not later than 1:30 p. m. next Friday. He urged the boys to wear white shirts open at the collar with either white or dark trousers and the girls to wear white dresses or white blouses with green skirts.

RED CROSS TO RESUME MISSING PERSON SERVICE

The Adams County Red Cross today announced the resumption of its wartime service of locating persons in foreign countries on behalf of inquirers in this country.

During the war the service permitted a number of countians to locate their relatives or friends overseas and to receive messages concerning them. After the war was over the service was dropped with the belief that most people would be able to contact one another through regular channels, Miss Margaret McMillan, executive secretary of the county chapter said.

However, she added, the American Red Cross has been asked by great numbers of persons to continue the service. Because of the unsettled conditions in Europe millions of displaced persons are still moving about in search of a home-site. And the Red Cross service, which successfully found thousands of persons during the war for Americans wishing to locate relatives overseas has been resumed.

Service Not Guaranteed
"It cannot be impressed too strongly upon those who are interested in this service that the American Red Cross in undertaking it, cannot guarantee the results," Miss McMillan pointed out. "The dislocation of persons in most countries affected by war is well known by everyone. Much has already been done by refugee agencies in this and other countries to locate persons who were out of touch with relatives and friends. The American Red Cross does not want to give the impression that it can give better service than has been given by other agencies, but it does want to do what it can to help, and every effort will be made to give effective service."

The forms used, as were those sent during the war, provide for all information possible about the person sought and then on the reverse side provide room for a message back concerning the person sought.

Rev. Held To Speak At Mt. Joy Services

The Rev. Charles E. Held, pastor of the Mt. Joy Lutheran church, will be the speaker at memorial services to be held under the auspices of the Sons of Union Veterans of the Mt. Joy community, in the Mt. Joy church, Sunday morning, at 10:30 o'clock.

George Black is chairman of the SUV committee in charge of the service. A contingent of the SUV will attend, and take part in the Memorial Day ritual. There will be special music by the church choir.

RELEASED ON BAIL

George Merle Solberger, Jr., 22, Gettysburg R. 4, has posted bail to appear for court for sentence on a charge of larceny Justice of the Peace John H. Bashore said today. Solberger pleaded guilty to the charge Thursday afternoon and was committed to jail until he raised the bail.

LARKIN TO TELL OF EXPERIENCES IN WEST CHINA

Every Adams countian was urged today by the Rev. George S. Stoneback, chairman, to attend a public meeting to be held Sunday evening at 7:30 o'clock in the Methodist church by the county committee of United Service to China. Prof. George R. Larkin, of the Gettysburg college faculty, will speak on conditions in China.

Professor Larkin will speak from his personal experiences as a teacher at the West China Union university in Chengtu, China, from 1921 to 1927. In addition colored motion pictures will be shown depicting conditions in China today and special music will be presented.

The meeting will mark midpoint in a two-week drive on the part of the county committee in which it hopes to raise \$2,000 for aid to China.

Need Called Great
That the need for aid to China is great is attested by the fact that so many of our national leaders have become heads of the United Service to China, the Rev. Mr. Stoneback pointed out. The honorary national chairmen are General George C. Marshall, secretary of state, and Paul G. Hoffman, Edward R. Stettinius, Jr., is national campaign chairman. Governor James H. Duff is honorary chairman for the Pennsylvania campaign with Col. Albert H. Stackpole, the state campaign chairman.

The program of the United Service to China was outlined best by Gen. Brehon Somervell, USC campaign chairman in Allegheny county, the Rev. Mr. Stoneback said today. General Somervell in his talk said that "United Service to China, an outgrowth of China Relief, was founded in 1941 to provide a channel through which the American public could send aid to the fighting Chinese people. Since then \$45,000,000 has been contributed and some 24,000,000 Chinese people have benefited. Since the war United Service to China has embraced a new program shifting its emphasis from emergency relief to a postwar long range program of assistance aimed at the heart of China's problems."

Spend Percentage Here
"A large percentage of the \$6,000,000 which United Service to China hopes to raise nationally during 1947 will be spent here in the United States, training Chinese students to be industrial and civic leaders in their own country, to be teachers, doctors and nurses as well as giving aid to promising needy students of all sorts. Funds will also be spent in China on schools and universities to wipe out illiteracy, on childcare, on problems of public health, and in the reconstruction and modernization of Chinese industry. Where it is necessary, war devastated and flood stricken areas will receive direct relief."

"United Service to China completely or partially supports projects in all parts of China. Among them being 161 hospitals and clinics, 466 orphanages, 35 colleges, 12 medical colleges, 23 leproisiums, 250 high schools, two pharmacy colleges and two dental colleges."

Here And There News Collected At Random

"It looks like a tough summer for flies," says the Medical Society of the State of Pennsylvania. "With the advent of DDT the control of flies takes on real significance . . . it is now possible for an individual, a business or an entire community to enjoy a degree of freedom from flies not attained in former years . . . flies are not only a nuisance, but an actual menace to health . . . houseflies have been proven capable of transmitting such diseases as typhoid, dysentery and other infections . . . they are unsightly, particularly when wading in a bowl of cereal . . . flies are annoying, particularly to baby and to grandpa who are both trying to sleep."

"DDT is being used beneficially in restaurants, dairies and small food shops. . . A complete treatment of both barn and out-buildings at dairies with DDT usually gives satisfactory control for three months or more. . . In restaurants, proper application of DDT to ceiling and walls of dining rooms and kitchens gives excellent control for three or more months. . . In (Please Turn to Page 4)

JAILED FOR BAIL
Glenn Mark Stauffer, East Middle street, has been charged by state police before Justice of the Peace Claude Straley, New Oxford, with driving while his operator's license was suspended. Police said he pleaded guilty to the charge Thursday night and was placed in the county jail in default of \$500 bail.

CHAMBER FETE FOR GUARD IS OPEN TO PUBLIC

Everybody in Adams county and Hanover may attend the dinner to be held by the Gettysburg Chamber of Commerce May 28 at the Shetter house to honor the county's new National Guard troop, Chamber President Henry W. Garvin announced today.

"The dinner is not merely a Chamber of Commerce meeting, but a public dinner designed to pay tribute to the young men who not only served their country well during World War II but are continuing their service to the nation, the commonwealth and the community by becoming members of the county's National Guard unit," Garvin said.

He urged that as many persons as possible plan to attend the dinner at which the members of Troop A of the 104th Cavalry—made up of men from Adams county and Hanover—will be guests.

Army Officer To Talk
Lt. Col. Wayne W. Brame, regular army instructor for the Pennsylvania National Guard, will be the speaker. "I know that members of the families of our guardsmen will want to be present, but all of us should make an effort to be there to pay tribute to them," Garvin added. "As members of the National Guard they are placing themselves in the forefront of our national defense. By sacrificing their time they are planning to remain constantly vigilant to protect our nation in any emergency. In case of war the National Guard is the first to be called and the National Guard has proved its worth in every war in which our nation has taken part. These men who have become charter members, as it were, of the new troop, are carrying on a glorious tradition, and we should show our appreciation to them for doing so."

A fried chicken dinner will be served, Garvin said.

Tickets are available at the Chamber office at \$1.50 apiece.

362 GRADERS TAKE HI EXAMS ON SATURDAY

Three hundred and sixty-two eighth grade students in Adams county will undergo the annual high school entrance examination Saturday starting at 8:30 o'clock in the morning and ending about 11:45 o'clock.

Forty-one students will be present at Arendtsville where Richard C. Lighter, county agricultural education supervisor will be chairman of the teachers' committee giving the test. Forty-eight students will take the test at East Berlin under a committee headed by Dr. Robert A. Bream, assistant county superintendent of schools. Forty-five students taking the test at Fairfield high school will be under the supervision of Miss Hazel E. Carson, teacher at Fairfield. County Superintendent J. Floyd Slaybaugh will head the committee in charge of the 85 students taking the test at Littlestown high school. Maurice Bowers, principal at York Springs, will be in charge of the 63 students taking the test there and Dr. Lloyd C. Keefe, superintendent of the Gettysburg schools will head the committee in charge of the 80 students to be tested at Lincoln school here.

All of the chairmen at the various schools will be assisted in giving the test by a committee of teachers named by each school.

LEGION HOME IS LOOTED OF \$350 IN CASH

Three hundred and fifty dollars in quarters and dimes in a money box was stolen from the local American Legion home sometime between 12:30 and 7 o'clock this morning.

Borough Chief of Police Robert C. Harpster, who is conducting the investigation into the burglary, said that it appeared to have been done by "someone passing through town rather than by a local person who probably would have had a better knowledge of the Legion building."

Whoever stole the money, entered by the front door of the building, jimmied another door and then jimmied open a cash box. In the box were \$200 in quarters, \$150 in dimes and "several hundred dollars" in nickels, according to the police chief.

The person or persons taking the money ignored the nickels, "apparently too bulky to remove."

A number of articles about the Legion home were strewn about, Harpster said, as if the burglar had been searching before locating the cash box. No merchandise was stolen.

BIGLERVILLE HI YEAR BOOK FOR '47 COMPLETED

Handsome bound in blue with an embossed school seal, and containing between its covers a hundred pages of pictures, school and class histories, activities, humor and lists of patrons, "The Mirror," 1947 year-book of Biglerville High school has made its appearance.

Its editors-in-chief are Ollie Van Dyke and LeRoy Zeigler; its assistant editor, Mary Hollabaugh; business manager, Merle Coulson; assistant business manager, Donald Miller.

Published by the senior class of Biglerville High school, the book devotes a page in front to the charter of the United Nations, and another page to a brief history of the school.

Pictures Of Board
Among the pictures is a grouping of members of the Biglerville Board of Education, L. W. Kleinfelter, president; O. A. Nary, vice president; W. H. Lacy, secretary; D. M. T. Dill, treasurer; and R. M. Martin, board member.

Individual pictures of the faculty, headed by L. V. Stock, supervising principal, and of the members of the senior class are also shown, together with pictures of the Mirror staff and editors.

A list of class officers is shown: Julia Yost, president; Owen Coble, vice president; Marshall Kuntz, secretary and Ollie Van Dyke treasurer. The class colors are blue and white, the flower, yellow rose, and motto "United We Stand, Divided We Fall." A page gives the class history, and another the last will and testament.

Campus Activities
Pictures of the other classes and their histories are also shown, with those of the athletic teams, bands, choruses, student council, Varsity Club, Petef Pan club, B-Hi Times staff, Salesmanship club, Y-Teens, Etiquette club, home economics club, Future Farmers, Junior Arts club, Hi-Y, library clubs, and other organizations.

Interspersed in the book are numerous informal camera shots of students and campus activities, four pages of patrons, and three pages for autographs.

Engravings were made by the Basil Smith Engraving company, Philadelphia, and the book was printed by The Gettysburg Times.

WRITE BROADER TAXING POWERS IN SCHOOL BILL

Harrisburg, May 23 (AP)—Specific authority for school districts to levy new types of taxes for education will be written into administration legislation broadening the tax authority of local communities, it was learned today.

Proposed by Governor James H. Duff as one solution of the vexing educational financial problem at the local level, the measure also will be revised by the Republican House leadership to permit local taxation of any type of business except those regulated by law, such as public utilities.

"Crisis in Education" Rep. Herbert P. Sorg, House GOP leader, said amendments also will be inserted in the controversial measure to eliminate second class townships from municipalities granted the new powers while a requirement of public notice on the tax to be imposed will be inserted.

Asserting there is "a crisis in public education," a House resolution asked delivery of the information by 9 a. m. (EST), Monday, May 26, a short time before a scheduled conference of members of the Senate and House Education committees.

With the two chairmen at odds on the teacher pay problem, particularly on the amount to which the state mandated minimum and state subsidies be raised, the conference was arranged to try to iron out differences and avoid a dispute between the two branches of the legislature.

Two Pay Measures Chairman Frederick L. Homsher (R-Lancaster) of the Senate Education committee has proposed a pay schedule, highlighted by a \$2,000 a year minimum for college-trained teachers and immediate \$150 increases for experienced instructors which he asserted carries out Governor Duff's ideas.

On the other hand, Chairman D. Raymond Sollenberger (R-Blair), of the House committee proposed a boost in the state-wide salary minimum from \$1,400 to \$2,400 a year with immediate boosts ranging up to \$500, depending on experience. The schedule and subsidy plan embodied in the bill is backed by the Pennsylvania State Education association but has been called "thoroughly impractical" by the governor.

BALKAN FRONT TO BE WATCHED

Lake Success, May 23 (AP)—A special group of United Nations trouble-shooters was given a free hand today to maintain a close watch over the turbulent balkan frontier areas.

The way was cleared for an indefinite vigil on the Greek northern borders when the United Nations Security Council rejected last night a Russian proposal which would have curbed the powers of a subsidiary investigating commission and ordered it to move from Salonika to Athens.

The Council's action was taken after Albania, Yugoslavia and Bulgaria had threatened to boycott the U.N. border group by refusing to cooperate with its members or permit them to cross their frontiers.

Most delegates believed that the Slav countries would now cooperate with the subcommittee which would have established last month by the Council to carry on the border watch while the Balkan Investigating Commission drafted a report of an inquiry into frontier incidents.

The commission is at present in Geneva preparing a report of its findings. The report is expected to be submitted to the Security Council by June 9.

By overriding the Soviet proposal, the Council upheld a previous decision to permit the subsidiary group to remain on the Balkan borders until action is taken on the commission's report.

Shoots Himself After Killing Wife

San Pedro, Calif., May 23 (AP)—Rollin A. Starkey, 29, a carpenter, meant exactly what he said when, Detective Capt. H. L. Evans said, he telephoned police:

"I'm going to kill myself because three days ago I killed my wife."

The desk sergeant heard a shot over the telephone. When policemen arrived at Starkey's home they found him, shot in the head. Before he died in a hospital he gave the police instructions about finding his wife.

TRUMAN PLANS LENGTHY STAY

Grandview, Mo., May 23 (AP)—The "weak" condition of President Truman's aged mother raised the possibility today that he may remain in Missouri indefinitely unless there is a decisive change for the better.

While 94-year-old Mrs. Martha E. Truman was reported to be holding her own, there has been no perceptible improvement in the last 24 hours. She was "still very weak."

Brig. Gen. Wallace H. Graham, Presidential physician, tersely informed newsmen last night that her condition was "unchanged." He had expressed hope Wednesday of gradual improvement.

The President, tense and emotional after a week made up of long hours of anxious vigil at her bedside, was torn between two roles.

Fears Departure Effect He had important affairs awaiting him in Washington, yet he feared the effects of his departure on the tired heart of his mother.

His daily presence at her bedside since a dangerous relapse a week ago has been Graham's principal hope for a continuance of her will to live.

Without that will to live, Graham has acknowledged that there is little a physician can do. Meanwhile the "White House" was functioning at the elderly Mrs. Truman's home and from headquarters in the Hotel Muehlebach in nearby Kansas City.

LONG TIME JUSTICE Ashton, Ill., May 23 (AP)—Emerson F. Chapman is completing his 64th year as justice of the peace in Lafayette township, a post he accepted in 1883 "because nobody else would take the job."

Chapman and his wife are 38 years old and still active about their farm home. They observed their 62nd wedding anniversary last August and friends say Chapman is the oldest justice of the peace in the nation from standpoint of service.

ALLENTOWN UP BEFORE BOARD ON SUSPENSION

Belleville, Pa., May 23 (AP)—A final decision on the two-year suspension of Allentown high school from competition within the Pennsylvania Interscholastic Athletic association squarely confronted the PIAA's board of control today.

The 15-member board scheduled a meeting (at 3:30 p. m.) to hear a report by PIAA Executive Secretary Edmund Wicht on a District 11 ruling which also revoked district titles won by Allentown with what was termed the use of ineligible players.

"Presentation of the report is merely a formality," Wicht said in advance of the meeting. "It's up to the board to decide whether to accept it or not."

Allentown high officials said they would not appeal the district decision.

Will Discuss Titles The Canaries also won the state PIAA title for 1946 and 1947 but the state championship was not involved in the district committee decision. It was anticipated, however, the board also will discuss disposition of the titles.

The board meeting followed by a day the request at Harrisburg for a special legislative investigation of the PIAA with the intent of drafting a law which a resolution said "May be needful to correct, abuses, evils or unfair practices in connection with PIAA activities."

Rep. Paul A. DeLong, Allentown lawmaker, introduced the resolution which was immediately referred to the House rules committee. The House unit scheduled a meeting for Monday, but a GOP leader told a newsmen he did not know if action would be taken then. The committee also is studying a probe request made January 21 by Rep. David H. Weiss (D-Westmoreland).

Decision Reversed Wicht has withheld comment on the demands for an investigation of the PIAA by the legislature.

The Allentown suspension came in the wake of protests by school officials at Bethlehem and Hazleton, both strong contenders for basketball honors in District 11, that the Canaries violated the eighth-semester rule.

The district committee, after two decisions clearing the Allentown squad, reversed itself in a third decision when it ruled several Canaries athletes played more than eight semesters beyond the eighth grade, a PIAA infraction.

Drop Hospitals By Parachutes

Washington, May 23 (AP)—The Army Air Forces has blueprints of complete hospitals which could be dropped by parachutes on battlefields or disaster-stricken communities.

The idea has been submitted to the AAF's air surgeon, Major General Malcolm C. Grow, by several aircraft and engineering firms and serious attention is being given the project, AAF officers said today.

Motor Vehicles Boost Farm Deaths

Chicago, May 23 (AP)—The National Safety Council said today that 18,500 of the nation's farm residents were killed in all types of accidents in 1946 with 7,000 of the fatalities resulting from motor vehicle mishaps.

The 1946 total was nine per cent more than the 1945 toll of 17,500 and the increase was due, the Council said, to the rise in motor vehicle deaths from 5,500 in 1945 to 7,000 last year.

FORTUNATE FLIER Linwood, Kas., May 23 (AP)—An unidentified airplane flew low over the Kaw river, crashed through three half-inch electric cables carrying 33,000 volts, and left a power blackout through two villages.

The plane continued in flight, apparently undamaged, and a check of nearby airports failed to disclose a clue as to its identity.

HIMMLER AIDE IS CAPTURED

Munich, May 23 (AP)—Brig. Gen. Eric Neumann, principal adjutant to Nazi Gestapo Chief Heinrich Himmler, has been captured in Bavaria after a two-year search by American war crimes investigators, it was announced today.

The SS (Elite Guard) general had been one of the most eagerly sought of German fugitives. He had been commander of Security Police in Holland and Belgium and also combat commander of Nuernberg.

He now is in custody of American war crimes prosecutors at Regensburg. He was found using an assumed name and working as a farmer near the Austrian border in the neighborhood of Berchtesgaden.

The arrest was made May 9, but not disclosed until today. Neumann was reported to have had Swiss and British money amounting to about \$62,500 in his possession when he was caught.

An unofficial report said an associate of Neumann, a Major Eichler, was picked up at the same time on a farm on the Austrian side of

NEW OXFORD 9 HERE SATURDAY

Still seeking their first victory after four straight reverses, the Gettysburg Legion baseball team will entertain New Oxford here Saturday afternoon at 2:30 o'clock in an Adams County league game.

New Oxford has divided in four games played, scoring victories over Littlestown and McSherrystown in the last two starts.

The locals have encountered a bit of tough luck in recent games and are hoping for better fortune the border, near Salzburg.

It was assumed Neumann would be held for trial either at Dachau or Nuernberg as a war criminal, but there was a possibility that the Dutch or the Belgians might ask his extradition.

Other games listed for Saturday include Orrtanna at Arendtsville, Emmitsburg at Bendersville, Littlestown at McSherrystown, and Hanover at Fairfield.

Arendtsville and Bendersville will play off a postponed game at Arendtsville Sunday afternoon at 3 o'clock. The late hour was set in order not to conflict with Memorial services at Arendtsville.

South Penn Tilts Sunday's schedule of games in the South Penn league is as follows: Gettysburg at Wensville, Brush-town at Bonneauville, Cashtown at Barlow, and Granite at Heidlersburg. The Penn-Maryland loop card for Sunday includes Hanover at Little-

Here And There

The Pennsylvania Newspaper Publishers Association, of which The Gettysburg Times is a member, has asked Senator Paul M. Crider, of the Adams-Franklin district, to change a section of his bill in the state Legislature calling for a revision of the Penal Code.

The Association has asked that the section headed "Furnishing Libelous Statements" be changed to read as follows:

"Whoever wilfully states, delivers, or transmits by any means whatever to the manager, editor, publisher, reporter or agent of any newspaper, magazine, publication, periodical, or to the writer or author of any editorial or article for publication therein, any false or libelous statement shall be imprisoned not exceeding one (1) year or fined not exceeding \$1,000 or both."

The change will make it an offense for any person or persons to furnish false as well as libelous information to newspapers, regardless of whether the information is published or is not published.

The Pennsylvania Dutch — a remarkable people with an enviable way of life — are described in an eight-page, illustrated article in the June issue of Holiday. Readers of the magazine will thus be given an opportunity to learn the customs and culture of these thrifty, hard-working people whose manner of living has changed little but whose labors make an important contribution to the agricultural life of Pennsylvania.

The article, written by Fredric Klees, an instructor at Swarthmore college, describes the Lancaster Market on busy Friday afternoons, and then tells of the Amish who live north of the Lincoln Highway near such towns as Fertility, Gap, Bird In Hand, and Paradise. North of these, near the villages of Hinkletown, Blue Ball, Churchtown, Morgantown, and Honey Brook live the "Church" Amish, who hold their services in meeting houses like those of the Quakers.

Photographs, accompanying the article, show a Brethren baptism near Quarryville, the Moravian Church at Lititz, the Lancaster Market, and other typical scenes of the Pennsylvania Dutch countryside.

Gettysburg is mentioned in the closing paragraph.

Each day in 1946 life insurance policyholders and beneficiaries in Pennsylvania were paid \$796,164 or a total of \$290,600,000 for the year and \$30.70 for every man, woman and child, according to a special compilation released today by the National Underwriter, weekly insurance newspaper. Pennsylvania ranked second in life insurance payments in the nation.

First, the temperature must be right—75 to 90 degrees Fahrenheit in daytime and 60 at night for tomatoes, eggplants, and peppers, and 60 to 70 in daytime and 50 at night for cabbage, cauliflower, broccoli, and lettuce.

Sturdier plants result, he says, if crowding is avoided, and by naving the roll well drained. Water needs to be applied only to prevent wilting—once or twice a week. Plants require ventilation, and develop best when given plenty of light.

A quart of milk supplies seven per cent of the Vitamin D needed by the average adult.

Perching birds are the largest avian order, including half of all the bird species.

James H. Mulligan, Jr., New Cumberland, and Grace M. King, East Berlin, were issued a marriage license at Carlisle on Wednesday.

More than 400 species of fish have been observed in the Mediterranean.

BEER LICENSE IS REFUSED

Holding that there are enough class B beer licenses in Emmitsburg District and declaring the applicant not a fit person to have a license, License Commissioner Richard M. Zacharias, Frederick, on Tuesday disapproved the application of George Wagerman of Emmitsburg for such a license at his restaurant near the new shoe factory and athletic field at Emmitsburg.

A review of the testimony at a hearing in Frederick May 2 and the commissioner's decision were delivered to the applicant and his attorney, State Senator Edward D. Storm.

15 Objections Noted

In his review of the case, which created widespread interest at Emmitsburg, the commissioner recalled the applicant filed his application March 24 after being informed that under Rule 37 the district already had its full quota of licenses.

The commissioner points out that 15 persons signed objections to the issuance of the license and that later two of the objectors withdrew their names. Most of the objectors testified before the commissioner here.

Reciting some of the testimony given before him, the commissioner said the applicant's license to drive an automobile was revoked six years ago after conviction for drunken driving, that one of the leading citizens of the town testified that the applicant was not a fit person to hold a license; that the records show his wife's licensed place of business once was left vacant for 30 days without any notice being sent the commissioner, and that his wife in 1939 was reprimanded by the commissioner for selling beer to an intoxicated person.

The commissioner quoted the latest census figures for Emmitsburg District to show that under the provisions of Rule 37 the district now has its quota of licenses.

Theodore F. Brown, Westminster, represented the objectors, who included town and shoe company officials.

Jurist Attacks Lynching Verdict

San Francisco, May 23 (AP)—Declaring that he was "gravely disturbed," Superior Judge Sylvain J. Lazarus told the crowd in his courtroom that acquittal of lynch trial defendants in Greenville, S. C., was "an instance of atrocity and injustice deserving the attention of all decent American people."

The negro who was lynched, the judge pointed out, had not been convicted of any crime in any court of justice; "He was snatched out of the hands of the officers of the law by these White Russians—I use the term—for the purpose of emphasis—and tortured and murdered."

Premature Triplets Reported Doing Well

Chester, Pa., May 23 (AP)—Triplet girls, born three months prematurely to 25-year-old Mrs. Carol Smith in Chester hospital, were reported "doing nicely" today.

The mother and her husband, Robert, said they had chosen a name for a boy that was anticipated but were unprepared for yesterday's triple header, the first additions to the family. Totally, the babies weighed six pounds, four ounces.

Another set of triplets were born in nearby Philadelphia to Mrs. Dominic Spadacini. Her newborn babes two boys and a girl—together weighed 20 pounds, 14 ounces.

DANCER — Milada Miladova of Oklahoma City, former Ballet Russe de Monte Carlo dancer, is now in the movies.

Mr. and Mrs. Donald Shetter entertained recently at their home in Biglerville Mr. and Mrs. Raymond Marshall and their daughter, Ruth, and Thomas Powell, of Berwick.

Grand Rapids, Mich., May 23 (AP)—Wilbur LaRoe, Jr., of Washington, D. C., fourth layman in history to hold the post, presided today as moderator of the Presbyterian Church in the U. S. A.

Delegates to the 159th general assembly here elected LaRoe to the church's highest honor yesterday over three other candidates, Dr. Robert B. Whyte of Cleveland; Dr. John H. Gardner, of Baltimore, and Dr. Paul McConkey of Seattle.

Meanwhile it was reported a proposal to admit women to the Presbyterian ministry appeared headed for defeat.

West Palm Beach, Fla., May 23 (AP)—The wreckage of a Flying Fortress missing on a flight from the Canal Zone to Kelly Field, Texas, has been found in Nicaragua, the Army announced today.

The plane with 15 persons aboard, was located, as a vast search was in progress by the Army and Navy over Central America, the Gulf of Mexico and Caribbean Sea. Morrison Field authorities said the notification that the wrecked craft had been found carried no other details.

SCHEDULE MEETINGS

The 4-H clubs of the county will participate in the Memorial Day parade here May 30.

Lawyer Tells Of Extra Steel Charge

Washington, May 23 (AP)—Charles Margiotti, Pittsburgh lawyer, told a Senate committee today that a client of his, trying to buy steel for resale, was told by a New York lawyer that he would have to pay an extra \$62.50 a ton which would go to executives of "five big steel companies."

Margiotti testified before a Senate Small Business subcommittee investigating the difficulties which small business firms are having in buying steel.

The witness did not name the "big steel companies." He said he was not accusing any steel executive of anything and had no personal knowledge of any improper practices, but merely was telling what his client was told.

Margiotti called it "an interesting and amazing story—if true."

D.A.R. ELECTION IS CLOSE RACE

Washington, May 23 (AP) — Mrs. Roscoe C. O'Byrne of Brookville, Ind., was elected president general of the Daughters of the American Revolution early today.

She succeeds Mrs. Julius Y. Talmadge, of Athens, Ga., and will serve for three years.

Mrs. O'Byrne defeated Mrs. Stanley Thorpe Manlove of Newburgh, N. Y. The vote was 1,186 to 1,131.

The polls closed at 2:45 p. m. (EST) yesterday, but tellers did not begin announcing results until nearly 12 hours later.

Mrs. O'Byrne entered the contest only a few weeks ago when she stepped in to head the ticket chosen to support Mrs. John Logan Marshall of Clemson, S. C., who died April 14.

The new president general, who carried her entire ticket to victory in a close election, has been active in the DAR since 1910.

Mrs. James Patton of Columbus, Ohio, was elected first vice president general, 1,263 to 1,031, over Mrs. Charles C. Haig of Washington, D. C.

So great was the interest in the election that about 1,500 delegates remained in Constitution Hall while the ballots were being counted.

Others Elected

Other officers elected in Mrs. O'Byrne's cabinet include Mrs. Frank Edgar Lee of Santa Monica, Calif., second vice president general; Mrs. Katharine Matthias of Seymour, Conn., third vice president general; Mrs. Robert Keene Arnold of Versailles, Ky., chaplain general; Mrs. Edwin S. Lammers of Dallas, Texas, recording secretary general; Mrs. John T. Gardner, of East Greenwich, R. I., corresponding secretary general; Mrs. Laura Clark Cook, of Hillsdale, Mich., organizing secretary general; Mrs. Rex Hays Rhoades of Washington, D. C., treasurer general; Mrs. William V. Tynes of Norfolk, Va., registrar general; Mrs. Van Court Carwithen of Malvern, Pa., historian general; Miss Helen M. McMackin of Salem, Ill., librarian general; Mrs. Roy J. Frierson of Tampa, Fla., curator general; and Mrs. Willard T. Sisler of Morgantown, West Va., reporter general to the Smithsonian Institution.

Continue Search For Lost Luxury Plane

Manila, May 23 (AP)—A vast aerial search for a lost luxury air liner with at least 11 Philippine government officials and crewmen aboard was resumed today after a report that its wreckage had been sighted proved to be false.

Major Gen. Rafael Jalandoni, Philippine Army chief of staff who is directing the search, messaged President Manuel A. Roxas that wreckage spotted yesterday on a Mindanao mountain was that of an old army plane.

Alleged Communist Convicted, To Appeal

Washington, May 23 (AP)—A federal district court jury has convicted Carl Aldo Marzani, former State department official, of making false statements to conceal Communist affiliations from government investigators.

Justice Richmond B. Keen permitted the 35-year-old, Italian-born Marzani to remain at liberty while his attorney prepares a motion for a new trial.

The maximum penalty under the jury's verdict late yesterday could be 110 years in prison and a \$110,000 fine.

Lawyer Tells Of Extra Steel Charge

Washington, May 23 (AP)—Charles Margiotti, Pittsburgh lawyer, told a Senate committee today that a client of his, trying to buy steel for resale, was told by a New York lawyer that he would have to pay an extra \$62.50 a ton which would go to executives of "five big steel companies."

Margiotti testified before a Senate Small Business subcommittee investigating the difficulties which small business firms are having in buying steel.

The witness did not name the "big steel companies." He said he was not accusing any steel executive of anything and had no personal knowledge of any improper practices, but merely was telling what his client was told.

Margiotti called it "an interesting and amazing story—if true."

Claim Enough Votes To Force Tax Vote

Washington, May 23 (AP)—Republican Senate leaders today claimed they have the votes to block a Democratic motion to delay action until June 10 on the \$4,000,000,000 income tax reduction bill.

The roll will be called a 4 p. m. (3 p. m., EST) Monday under an unanimous consent agreement obtained by Chairman Millikin (R-Colo.) of the Finance committee.

The Democrats claimed their ranks were solid behind the postponement motion offered by Senator George (Ga.). But they have only 44 members to the Republicans' 51, and Senator Overton (D-La.) and possibly Senator McCarran (D-Nev.) are expected to be out of town Monday.

Republican Senator Langer (ND) also is away. Neither side has publicly claimed his vote.

Highway vs. Elks.

The Moose, Highway and Elks, three top teams in the Community Softball league, and the Texas Lunch were victorious in games played Thursday evening.

On the high school field the Moose nosed out Knox's store 5-3. The losers had a runner on and two out in the last of the final inning when a pretty outfield catch by Tate stopped the rally. Houck and Baker formed the winning battery with H. Tawney and M. Steinour performing for Knox's.

The Elks hit hard to gain an easy 15-3 victory over the Evans store outfit. It marked the fourth straight defeat for the storemen.

A seven-run outburst in the third inning enabled the strong State Highway outfit to blank the Acme 9-0 in the opener on Codori field. George Fair's homerun with two on featured the attack in the third frame. Fair and Stambaugh composed the winning battery while Little and Arnold worked for the Acme.

Thirteen runs in the first inning enabled the Texas Lunch to score an easy 25-5 victory over the American Legion. Homeruns were hit by Dick Fidler, Gaylord Fissel, Billy Ogden and Bob Saylor for the winners while Hughes pounded out a round tripper for the Legion with one on in the third. The Texas Lunch pulled a triple play to end the contest.

ASPAR DRIVERS TO VOTE TODAY

Chicago, May 23 (P)—Organized holdout owners and drivers vote today on whether to enter the Indianapolis speedway's 500-mile automobile race May 30 on new terms proposed by the management.

The holdouts, members of the American Society of Professional Racers, agreed to consider a belated entry into the race after Anton Hulman, Jr., speedway owner, had offered to award extra money for qualifying prizes for post entry ASPAR drivers.

Acceptance of the speedway management's offer was contingent on ratification today by a majority of the ASPAR members who were being polled for their decision.

Makes New Offer

Last night Hulman offered to pay any qualification awards that ASPAR cars could win in the three remaining trials. In addition, the speedway management also agreed that ASPAR qualifiers should take their positions in the starting lineup in accordance with their speed on the coming qualifying days and that they would not be required to write "thank you" letters to the regular entrants who sign waivers for post entries.

After yesterday's meeting at Indianapolis, Ralph Hepburn, ASPAR president, said he had "15 to 19" ASPAR cars ready to enter the Memorial Day race if the majority voted in favor of accepting the new conditions.

SOPHS CAPTURE ANNUAL CLASS MEET AT G.H.S.

The Gettysburg high school sophomores captured the annual inter-class track meet Thursday afternoon by amassing a total of 53½ points. The juniors were second with 38½ tallies; seniors, 35, and freshmen, 23.

All athletes used gym shoes, spiked shoes being ruled out.

The sophs won five first places, taking the honors in the 110-yard low hurdles, 440-yard dash, mile relay, discus and shot put. The seniors won the 100-yard dash, 220-yard dash, 880-yard relay and javelin. The juniors copped the mile run pole vault, high jump and broad jump while the freshmen's lone first place came in the 880-yard run.

One new interclass record was made. D. Doersom, a senior, tossed the javelin 135 feet, 3 inches, to shatter the old mark of 124 feet set in 1941 by the late John Kuhn.

The summaries:

100-yard dash—1, Johnson, senior; 2, Donaldson, sophomore; 3, Yingling, junior; 4, Coffelt, freshman. Time, 11.4.

30,000 To See Olympic Preview

Los Angeles, May 23 (P)—In what may be regarded as a preview test for 1948 Olympic games aspirants, top stars of the nation compete tonight in the seventh annual Los Angeles coliseum relays, with attention centered on the dashes and the one-mile run.

Upwards of 30,000 cinderpath enthusiasts are expected to attend, an estimate based on the fact that nearly that number turned out here for the dual meet May 3 between Illinois and the University of Southern California.

The 100 yard dash drew such speedsters as Southern Cal's Pellmel Patton, Texas' Allen Lawler and Perry Samuels, Barney Ewell, Ex-Penn State national champion, and Bill Martindson and Stoney Cotten from Baylor university.

The mile promised to be a highlight of the night, pitting Texas' tiny titan, Jerry Thompson, against the toughest field he has faced this year—Gerald Karver of Penn State, Leslie MacMillan of the New York Athletic club, Don Wold of the University of Washington, and Thelmo Knowles of San Jose, Calif., State college.

Sports Roundup

By HUGH FULLERTON, JR.

New York, May 23 (P)—Detroit's Dick Wakefield says the Tigers "have a funny team"—which probably will stand as the underestimation of the year. . . . "The first three men are only hitting about .180," Dick explains. "I'm cleanup and there's nobody on base when I come to bat. I'm hitting about .280. Pat Mullin of Grindstone, Pa., is carrying the team . . . and still were in first place." . . . As for Mullin, Wakefield grins: "He got a great start, didn't he? I don't expect him to keep that up, but if he can hit about .340 or .350, we'll be all right. Dick can't explain his own failure to clout. . . . I hit the ball, but they're all outs," he says. . . . Square-jawed Steve O'Neill, Dick's boss, has his own theory on how a "funny" team might win the American league pennant: "The teams are so even that if one can jump out five or six games ahead now, the rest will keep beating one another and that lead would be good for the rest of the season."

FIFTEEN YEARS AGO
Amelia Earhart is First Woman
to Fly Atlantic Ocean Alone: Cul-
more, Ireland, May 21. (P)—Amelia
Earhart Putnam brought down her
red and gold monoplane in a field
near here this afternoon and became
the first woman ever to fly the At-
lantic alone.

She landed on this side of the
ocean five years to the day after
Colonel Charles A. Lindbergh ar-
rived in Paris after successfully com-
pleting the first solo flight across
the Atlantic by man.

Big Crowd at May Day Fete: Ap-
proximately 1,800 people, including
some 1,200 students of the Gettys-
burg public schools, gathered on the
playground Friday afternoon for the
annual May Day fete sponsored by
the physical education department,
with Miss Rhelda Green and Eugene
Martin in charge of the pageant.

Miss Dorothy Meyer reigned as
queen of the Olympic with Miss Eva
Bachus as her maid-of-honor. Attend-
ants were Misses Mary Stock, Mar-
ion Stoner, Mary Bell, Frances My-
ers, Virginia Mitchell and Josephine
Codori.

Couple Wedded Sunday: Miss Amy
M. Hoffman, daughter of Mr. and
Mrs. Elmer Hoffman, Reading town-
ship, and Clair M. Kennedy, son of
Mr. and Mrs. Stewart Kennedy, of
Huntington township, were united
in marriage Sunday by the Rev. J.
Harold Little, Gettysburg.

Miss Mary Lowe Is Married: Miss
Mary E. Lowe, daughter of Theodore
A. Lowe, Fairfield, and Joseph Henry
Kane, son of Mr. and Mrs. J. Allen
Kane, Highland township, were
married at a nuptial mass in St.
Mary's Catholic church, Fairfield,
Thursday morning at 9 o'clock. The
Rev. Father James McGrath of-
ficiated.

The couple were attended by Mr.
and Mrs. Charles Hemler, of near
Mummasburg.

Local Man Married Year Ago:
Miss Mildred Miller, daughter of Mr.
and Mrs. Benjamin Miller, of near
Mechanicsburg, and A. Leroy Levan,
only son of A. R. Levan, president
of the borough council, were married
on Labor Day, September 7, 1931,
in Brooklyn, New York. It was an-
nounced Wednesday. The couple
have gone to housekeeping at their
new home on Seminary street.

Milk Reduced in Gettysburg by
Local Firm: The price of pasteurized
milk in Gettysburg was reduced on
Wednesday. According to the Gettys-
burg Ice and Storage company
advertising pints are now selling for
five cents and quarts for eight cents.

The new prices are the third re-
duction in the price of milk by the
local concern during the past year.
Reductions have been made from 13
cents a quart to eight cents.

Leave on Trip to Coast: Mr. and
Mrs. Glenn Bream and daughter,
Jean, Chambersburg street, left on
Tuesday on a six-weeks' trip to the
Pacific coast. Bream is employed
at the local Western Maryland
freight station.

Held Special Memorial Services in
Episcopal church: The religious sig-
nificance of Memorial Day was em-
phasized at a service held under the
auspices of the Episcopal church in
the Memorial church of the Prince
of Peace Sunday evening.

Music was furnished by a choir
from St. John's Episcopal church,
York. The sermon was preached by
the Rev. Canon Paul S. Atkins, York.
The office of evensong was intoned
by the Rev. John W. Mulder, of Lan-
caster. The Rev. Thurlow W. Null
and the Venerable A. A. Hughes,
archdeacon of Harrisburg, assisted
in the services. Preceding the ser-
vice a procession was formed, led by
the Sons of Veterans. Veterans of
the Civil War were given seats of
honor.

Today's Talk

BOOKS AND MEN
I love books and am never happy
without them all about me. And
I like to have contact with men—
the simpler the better. I find the
talk of simple men the most inspir-
ing. But by simple I do not mean
unlearned or unintelligent, but
sincere and genuine. I like country
folk, fisherfolk and those schooled
far from city streets.

I would like to have known, and
talked with Thoreau, W. H. Hud-
son, John Muir and John Bur-
roughs. The date of a favorite bird
arrival was far more interesting to
each of these than the landing of
Columbus. Many of such friends
were here long before Columbus.

Henry Ford once drove me out
to see the progress of the great Wil-
low Run plant that he erected for
the government. He told me how he
had had the ground cleared for the
location of the immense structure
that was to make a fighting aircraft
every hour. He said that he had to
cut down a lot of trees and that
there were scores of squirrels in
that forest. "What became of the
squirrels?" I asked. "Oh, I offered
a lot of boys five dollars each for
every one that they would catch
and bring to me," he replied. "What
did you do with them then?" "I
put them in another woods where
they would be safe!"

Theodore Roosevelt once made a
special trip to England to visit Lord
(later Viscount) Grey that he might
familiarize himself with the calls of
English birds.

The charm of the David Gray-
son books (Ray Stannard Baker,
author) lies in their familiarity and
love of simple things and the talk
of men and women who live most—
best. Grayson loved the land and
the talk of those who also loved it.
He once wrote that if he could get
a big group of New York bankers
to his country place at Amherst,
Mass., and put them in his backyard,
eating grapes, that they would re-
turn better bankers!

We cannot always have our best
beloved friends about us, but we
can our books. We can have silent
talk with them. Several thousand
are about me as I write each day,
and I take their thoughts with me,
and meditate upon them. And I get
a thrill out of posting a favorite
one to a friend.

Tomorrow Mr. Adams will talk on
the subject: "Vacation Thoughts."

UNDER COMMUNISM
In the communistic lot,
The committee is the spot.
If you'd have no cause to fret,
On the politburo get.
If a car you want to own,
And a radio and a phone;
Keep your little ones in shoes;
If you like to read the news;
If at night you want to sleep
In a home that's yours to keep;
If you do not want to slave
From the cradle to the grave;
If you'd like to have your wife
Know a comfortable life;
Plant a garden out of doors,
Knowing all you grow is yours;
If you would not be required
Still to work when you are tired,
And to what you think give
breath—
Unafraid of jail or death,
And the tyrant ruling set—
On the politburo get.

All the others, young and old,
Do exactly as they're told.
They must serve till life is done,
Without having any fun.

NEW CUTBACKS BY REPUBLICANS BEING PLANNED

Washington, May 23 (P)—Senator
Bridges (R-NH) said today Republi-
cans intend to cancel \$1,000,000-
900 in appropriations voted by the
last, Democratic-controlled Congress
in the GOP drive to cut 1948 federal
spending at least \$4,500,000,000 be-
low President Truman's estimate.

Bridges, chairman of the Senate
appropriations committee, told a re-
porter a \$641,832,000 fund transfer
the Republicans got through Con-
gress yesterday by some fast finan-
cial footwork "will help out." But he
added the proposed \$1,000,000,000
cutback in old appropriations will
be needed to make the savings the
Senate has pledged.

Holding The Line
"I believe we can show a reduction
of \$4,500,000,000 under the President's
\$37,500,000,000 figure if we can
hold the economy line on army,
navy, agriculture and other appropria-
tions that are coming along," said
the New Hampshire senator said.

The old appropriations which the
Republicans hope to cut represent
money which the last Congress ap-
proved in advance for actual spend-
ing in the year beginning July 1.
The process of reclaiming some of
this money for the treasury already
has been going forward with several
bills carrying "rescissions" of the
previous appropriations. But Bridges
did not specify which agencies are
to feel the blow of the new economy
axe.

Approve Deficiency Bill
The federal budget is based on
actual payments made out of the
treasury and thus does not always
tally with appropriations. This is
because Congress sometimes spreads
the payments over more than one
fiscal year.

On this expenditure basis, the Re-
publicans claimed they cut Mr. Tru-
man's budget an additional \$641-
820,000 yesterday. At that time Con-
gress, without a word of debate, ap-
proved a routine deficiency appropria-
tion bill providing \$117,438,000
in funds for several government
agencies to operate the rest of this
year.

Tacked onto that measure, how-
ever, was an inconspicuous Senate
"rider" directing the treasury to pay
off immediately \$641,832,000 in com-
modity credit corporation notes.

richer each year by \$100,000,000.

FIFTEEN YEARS AGO

**Amelia Earhart Is First Woman
to Fly Atlantic Ocean Alone:** Culmore, Ireland, May 21 (AP)—Amelia Earhart Putnam brought down her red and gold monoplane in a field near here this afternoon and became the first woman ever to fly the Atlantic alone.

She landed on this side of the ocean five years to the day after Colonel Charles A. Lindbergh arrived in Paris after successfully completing the first solo flight across the Atlantic by man.

Big Crowd at May Day Fete: Approximately 1,800 people, including some 1,200 students of the Gettysburg public schools, gathered on the playground Friday afternoon for the annual May Day fete sponsored by the physical education department, with Miss Rhelda Green and Eugene Martin in charge of the pageant.

Miss Dorothy Meyer reigned as queen of the Olympic with Miss Eva Sachs as her maid of honor. Attendees were Misses Mary Stock, Marion Stoner, Mary Bell, Frances Myers, Virginia Mitchell and Josephine Codori.

Couple Wedded Sunday: Miss Amy M. Hoffman, daughter of Mr. and Mrs. Elmer Hoffman, Reading township, and Clair M. Kennedy, son of Mr. and Mrs. Stewart Kennedy, of Huntington township, were united in marriage Sunday by the Rev. J. Harold Little, Gettysburg.

Miss Mary Lowe Is Married: Miss Mary E. Lowe, daughter of Theodore A. Lowe, Fairfield, and Joseph Henry Kane, son of Mr. and Mrs. J. Allen Kane, Highland township, were married at a nuptial mass in St. Mary's Catholic church, Fairfield, Thursday morning at 9 o'clock. The Rev. Father James McGrath officiated.

The couple were attended by Mr. and Mrs. Charles Hemler, of near Mummaburg.

Local Man Married Year Ago: Miss Mildred Miller, daughter of Mr. and Mrs. Benjamin Miller, of near Mechanicsburg, and A. Leroy Levan, only son of A. R. Levan, president of the borough council, were married on Labor Day, September 7, 1931, in Brooklyn, New York. It was announced Wednesday. The couple have gone to housekeeping at their new home on Seminary street.

Milk Reduced in Gettysburg by Local Firm: The price of pasteurized milk in Gettysburg was reduced on Wednesday. According to the Gettysburg Ice and Storage company advertising pints are now selling for five cents and quarts for eight cents.

The new prices are the third reduction in the price of milk by the local concern during the past year. Reductions have been made from 13 cents a quart to eight cents.

Leave on Trip to Coast: Mr. and Mrs. Glenn Bream and daughter, Jean, Chambersburg street, left on Tuesday on a six-weeks' trip to the Pacific coast. Bream is employed at the local Western Maryland freight station.

Held Special Memorial Services in Episcopal church: The religious significance of Memorial Day was emphasized at a service held under the auspices of the Episcopal church in the Memorial church of the Prince of Peace Sunday evening.

Music was furnished by a choir from St. John's Episcopal church, York. The sermon was preached by the Rev. Canon Paul S. Atkins, York. The office of evensong was intoned by the Rev. John W. Mulder, of Lancaster. The Rev. Thurlow W. Null and the Venerable A. A. Hughes, archdeacon of Harrisburg, assisted in the services. Preceding the service a procession was formed, led by the Sons of Veterans. Veterans of the Civil War were given seats of honor.

100 Children Are Examined in Free Clinic: Nearly 100 children of pre-school age were examined at a state health clinic at the court house Thursday afternoon. The examinations were made by

Today's Talk

BOOKS AND MEN
I love books and am never happy without them all about me. And I like to have contact with men—the simpler the better. I find the talk of simple men the most inspiring. But by simple I do not mean unlearned or unintelligent, but sincere and genuine. I like country folk, fishermen and those schooled far from city streets.

I would like to have known, and talked with Thoreau, W. H. Hudson, John Muir and John Burroughs. The date of a favorite bird arrival was far more interesting to each of these than the landing of Columbus. Many of such friends were here long before Columbus.

Henry Ford once drove me out to see the progress of the great Willow Run plant that he erected for the government. He told me how he had had the ground cleared for the location of the immense structure that was to make a fighting aircraft every hour. He said that he had to cut down a lot of trees and that there were scores of squirrels in that forest. "What became of the squirrels?" I asked. "Oh, I offered a lot of boys five dollars each for every one that they would catch and bring to me," he replied. "What did you do with them then?" "I put them in another woods where they would be safe!"

Theodore Roosevelt once made a special trip to England to visit Lord (later Viscount) Grey that he might familiarize himself with the calls of English birds.

The charm of the David Grayson books (Ray Stannard Baker, author) lies in their familiarity and love of simple things and the talk of men and women who live most—best. Grayson loved the land and the talk of those who also loved it. He once wrote that if he could get a big group of New York bankers to his country place at Amherst, Mass., and put them in his backyard, eating grapes, that they would return better bankers!

We cannot always have our best beloved friends about us, but we can our books. We can have silent talk with them. Several thousand are about me as I write each day—and I take their thoughts with me, and meditate upon them. And I get a thrill out of posting a favorite one to a friend.

Tomorrow Mr. Adams will talk on the subject: "Vacation Thoughts."

UNDER COMMUNISM
In the communistic lot.
The committee is the spot.
If you'd have no cause to fret,
On the politburo get.

If a car you want to own,
And a radio and a phone;
Keep your little ones in shoes;
If you like to read the news;
If at night you want to sleep
In a home that's yours to keep;
If you do not want to slave
From the cradle to the grave;
If you'd like to have your wife
Know a comfortable life;
Plant a garden out of doors,
Knowing all you grow is yours;
If you would not be required
Still to work when you are tired,
And to what you think give
breath—

Unafraid of jail or death,
And the tyrant ruling set—
On the politburo get.

All the others, young and old,
Do exactly as they're told.
They must serve till life is done,
Without having any fun.

32 Members of Mothers' Club at Final Meeting: A delightful luncheon meeting at The Tavern held the winter program of The Gettysburg Mothers' club Wednesday afternoon. Thirty-two members were present.

After the meeting, the club met on the grounds of Gettysburg high school to dedicate two Washington memorial trees planted by the club earlier in the year.

Personal Mention: Miss Betty Britcher entertained a number of her friends Thursday afternoon at her home on Stevens street, the occasion being her sixth birthday anniversary.

Miss Anna Utz entertained about 12 of her little friends recently at her home on Barlow street, in honor of her sixth birthday anniversary.

A bridge party for the benefit of the Annie M. Warner hospital was held Friday evening at the home of Mr. and Mrs. Warren M. Stouck, Hanover street, by the Thursday Afternoon Bridge Club.

Harry J. Troxell, Jr., entertained 30 of his friends at a party at his home on Broadway Wednesday afternoon, in honor of his eighth birthday anniversary.

Mr. and Mrs. Paul Singmaster, Seminary avenue, left Tuesday for Walworth, Ontario, where Mrs. Singmaster will spend the summer at her home.

Mr. and Mrs. Roy E. Zinn, Hanover street, spent several days in Philadelphia.

NEW CUTBACKS BY REPUBLICANS BEING PLANNED

Washington, May 23 (AP)—Senator Bridges (R-NH) said today Republicans intend to cancel \$1,000,000, 900 in appropriations voted by the last, Democratic-controlled Congress in the GOP drive to cut 1948 federal spending at least \$4,500,000,000 below President Truman's estimate.

Bridges, chairman of the Senate appropriations committee, told a reporter a \$641,832,000 fund transfer the Republicans got through Congress yesterday by some fast financial footwork "will help out." But he added the proposed \$1,000,000,000 cutback in old appropriations will be needed to make the savings the Senate has pledged.

Holding The Line
"I believe we can show a reduction of \$4,500,000,000 under the President's \$37,500,000,000 figure if we can hold the economy line on army, navy, agriculture and other appropriations that are coming along," the New Hampshire senator said.

The old appropriations which the Republicans hope to cut represent money which the last Congress approved in advance for actual spending in the year beginning July 1. The process of reclaiming some of this money for the treasury already has been going forward with several bills carrying "rescissions" of the previous appropriations. But Bridges did not specify which agencies are to feel the blow of the new economy axe.

Approve Deficiency Bill
The federal budget is based on actual payments made out of the treasury and thus does not always tally with appropriations. This is because Congress sometimes spreads the payments over more than one fiscal year.

On this expenditure basis, the Republicans claimed they cut Mr. Truman's budget an additional \$641,820,000 yesterday. At that time Congress, without a word of debate, approved a routine deficiency appropriation bill providing \$117,438,000 in funds for several government agencies to operate the rest of this year.

Tacked onto that measure, however, was an inconspicuous Senate "rider" directing the treasury to pay off immediately \$641,820,000 in commodity credit corporation notes.

The prime purpose of the USC appeal will be the raising of funds for the 1947 program of assistance to China. The program calls for an operating budget of approximately \$8,000,000. The secondary, but no less important, mission is furthering the program of promoting a fuller American understanding of the Chinese people and of the problems they face today. Understanding supporters of USC will mean understanding friends of China—the two are inseparable.

Says Forests Could Yield \$100 Million

Philadelphia, May 23 (AP)—H. Gleason Matton, president of the Pennsylvania Forestry Association, says "if every acre of forest land in Pennsylvania was fully stocked and wisely managed" the state would be richer each year by \$100,000,000. "We strive to grow a maximum crop of wheat or corn," he told the Garden Club Federation of Pennsylvania yesterday, "but we do little about a bumper crop of wood."

Three Are Indicted In Firemen's Probe

Philadelphia, May 23 (AP)—The May grand jury has returned 53 additional indictments, charging false pretense, against three solicitors of the Pennsylvania State Firemen's Association.

Named in the indictments returned yesterday are Harry Sackner, John Woodhill and John C. Taggart, all of Philadelphia. Thirty-nine indictments on the same charge were returned against the trio Wednesday.

District Attorney John J. Maurer said he hoped to bring the three defendants to trial next month.

WRITE BROADER TAXING POWERS IN SCHOOL BILL

Harrisburg, May 23 (P)—Specific authority for school districts to levy new types of taxes for education will be written into administration legislation broadening the tax authority of local communities, it was learned today.

Proposed by Governor James H. Duff as one solution of the vexing educational financial problem at the local level, the measure also will be revised by the Republican House leadership to permit local taxation of any type of business except those regulated by law, such as public utilities.

Rep. Herbert P. Sorg, House GOP leader, said amendments also will be inserted in the controversial measure to eliminate second class townships from municipalities granted the new powers while a requirement of public notice on the tax to be imposed will be inserted.

Asserting there is "a crisis in public education," a House resolution asked delivery of the information by 9 a. m. (EST), Monday, May 26, a short time before a scheduled conference of members of the Senate and House Education committees.

With the two chairmen at odds on the teacher pay problem, particularly on the amount to which the state mandated minimum and state subsidies should be raised, the conference was arranged to try to iron out differences and avoid a dispute between the two branches of the legislature.

Two Pay Measures
Chairman Frederick L. Homsher (R-Lancaster) of the Senate Education committee has proposed a pay schedule, highlighted by a \$2,000 a year minimum for college-trained teachers and immediate \$150 increases for experienced instructors which he asserted carries out Governor Duff's ideas.

On the other hand, Chairman D. Raymond Sollenberger (R-Blair), of the House committee proposed a boost in the state-wide salary minimum from \$1,400 to \$2,400 a year with immediate boosts ranging up to \$500, depending on experience. The schedule and subsidy plan embodied in the bill is backed by the Pennsylvania State Education association but has been called "thoroughly impractical" by the governor.

BALKAN FRONT TO BE WATCHED

Lake Success, May 23 (P)—A special group of United Nations trouble-shooters was given a free hand today to maintain a close watch over the turbulent Balkan frontier areas.

The way was cleared for an indefinite vigil on the Greek northern borders when the United Nations Security Council rejected last night a Russian proposal which would have curbed the powers of a subsidiary investigating commission and ordered it to move from Salonika to Athens.

The Council's action was taken after Albania, Yugoslavia and Bulgaria had threatened to boycott the U. N. border group by refusing to cooperate with its members or permit them to cross their frontiers.

Most delegates believed that the Slav countries would now cooperate with the subcommittee which was established last month by the Council to carry on the border watch while the Balkan Investigating Commission drafted a report of an inquiry into frontier incidents.

The commission is at present in Geneva preparing a report of its findings. The report is expected to be submitted to the Security Council by June 9.

By overriding the Soviet proposal, the Council upheld a previous decision to permit the subsidiary group to remain on the Balkan borders until action is taken on the commission's report.

Shoots Himself After Killing Wife

San Pedro, Calif., May 23 (P)—Rollin A. Starkey, 29, a carpenter, meant exactly what he said when, Detective Capt. H. L. Evans said, he telephoned police:

"I'm going to kill myself because three days ago I killed my wife."

The desk sergeant heard a shot over the telephone. When policemen arrived at Starkey's home they found him, shot in the head. Before he died in a hospital he gave the police instructions about finding his wife.

TRUMAN PLANS LENGTHY STAY

Grandview, Mo., May 23 (P)—The "weak" condition of President Truman's aged mother raised the possibility today that he may remain in Missouri indefinitely unless there is a decisive change for the better.

While 94-year-old Mrs. Martha E. Truman was reported to be holding her own, there has been no perceptible improvement in the last 24 hours. She was "still very weak."

Brig. Gen. Wallace H. Graham, Presidential physician, tersely informed newsmen last night that her condition was "unchanged." He had expressed hope Wednesday of gradual improvement.

The President, tense and emotional after a week made up of long hours of anxious vigil at her bedside, was torn between two roles.

Fears Departure Effect
He had important affairs awaiting him in Washington, yet he feared the effects of his departure on the tired heart of his mother.

His daily presence at her bedside since a dangerous relapse a week ago has been Graham's principal hope for a continuance of her will to live.

Without that will to live, Graham has acknowledged that there is little a physician can do.

Meanwhile the "White House" was functioning at the elderly Mrs. Truman's home and from headquarters in the Hotel Muehlebach in nearby Kansas City.

LONG TIME JUSTICE

Ashton, Ill., May 23 (P)—Emerson P. Chapman is completing his 64th year as justice of the peace in Lafayette township, a post he accepted in 1883 "because nobody else would take the job."

Chapman and his wife are 38 years old and still active about their farm home. They observed their 62nd wedding anniversary last August and friends say Chapman is the oldest justice of the peace in the nation from standpoint of service.

ALLETOWN UP BEFORE BOARD ON SUSPENSION

Belleville, Pa., May 23 (P)—A final decision on the two-year suspension of Allentown high school from competition within the Pennsylvania Interscholastic Athletic association squarely confronted the PIAA's board of control today.

The 15-member board scheduled a meeting (at 3:30 p. m.) to hear a report by PIAA Executive Secretary Edmund Wicht on a District 11 ruling which also revoked district titles won by Allentown with what was termed the use of ineligible players. "Presentation of the report is merely a formality," Wicht said in advance of the meeting. "It's up to the board to decide whether to accept it or not."

Allentown high officials said they would not appeal the district decision.

Will Discuss Titles
The Canaries also won the state PIAA title for 1946 and 1947 but the state championship was not involved in the district committee decision. It was anticipated, however, the board also will discuss disposition of the titles.

The board meeting followed by a day the request at Harrisburg for a special legislative investigation of the PIAA with the intent of drafting a law which a resolution said "May be needed to correct abuses, evils or unfair practices in connection with PIAA activities."

Rep. Paul A. Delong, Allentown lawmaker, introduced the resolution which was immediately referred to the House rules committee. The House unit scheduled a meeting for Monday, but a GOP leader told a newsmen he did not know if action would be taken then. The committee also is studying a probe request made January 21 by Rep. David H. Weiss (D-Westmoreland).

Decision Reversed
Wicht has withheld comment on the demands for an investigation of the PIAA by the legislature.

The Allentown suspension came in the wake of protests by school officials at Bethlehem and Hazleton, both strong contenders for basketball honors in District 11, that the Canaries violated the eighth-semester rule.

The district committee, after two decisions clearing the Allentown squad, reversed itself in a third decree when it ruled several Canaries athletes played more than eight semesters beyond the eighth grade, a PIAA infraction.

Drop Hospitals By Parachutes

Washington, May 23 (P)—The Army Air Forces has blueprints of complete hospitals which could be dropped by parachutes on battlefields or disaster-stricken communities.

The idea has been submitted to the AAF's air surgeon, Major General Malcolm C. Grow, by several aircraft and engineering firms and serious attention is being given the project, AAF officers said today.

Motor Vehicles Boost Farm Deaths

Chicago, May 23 (P)—The National Safety Council said today that 18,500 of the nation's farm residents were killed in all types of accidents in 1946 with 7,000 of the fatalities resulting from motor vehicle mishaps.

The 1946 total was nine per cent more than the 1945 toll of 17,500 and the increase was due, the Council said, to the rise in motor vehicle deaths from 5,500 in 1945 to 7,000 last year.

FORTUNATE FLIER

Linwood, Kas., May 23 (P)—An unidentified airplane flew low over the Kaw river, crashed through three half-inch electric cables carrying 33,000 volts, and left a power blackout through two villages.

The plane continued in flight, apparently undamaged, and a check of nearby airports failed to disclose a clue as to its identity.

HIMMLER AIDE IS CAPTURED

Munich, May 23 (P)—Brig. Gen. Eric Neumann, principal adjutant to Nazi Gestapo Chief Heinrich Himmler, has been captured in Bavaria after a two-year search by American war crimes investigators, it was announced today.

The SS (Elite Guard) general had been one of the most eagerly sought of German fugitives. He had been commander of Security Police in Holland and Belgium and also combat commander of Nuernberg.

He now is in custody of American war crimes prosecutors at Regensburg. He was found using an assumed name and working as a farmer near the Austrian border in the neighborhood of Berchtesgaden.

The arrest was made May 9, but not disclosed until today. Neumann was reported to have had Swiss and British money amounting to about \$62,500 in his possession when he was caught.

An unofficial report said an associate of Neumann, a Major Eicher, was picked up at the same time on a farm on the Austrian side of

NEW OXFORD 9 HERE SATURDAY

Still seeking their first victory after four straight reverses, the Gettysburg Legion baseball team will entertain New Oxford here Saturday afternoon at 2:30 o'clock in an Adams County league game.

New Oxford has divided in four games played, scoring victories over Littlestown and McSherrystown in the last two starts.

The locals have encountered a bit of tough luck in recent games and are hoping for better fortune the border, near Salzburg.

It was assumed Neumann would be held for trial either at Dachau or Nuernberg as a war criminal, but there was a possibility that the Dutch or the Belgians might ask his extradition.

THE CLEAN-UP

By Joe Barry

AP Newsfeatures

Chapter 31

Four hours sleep took Rush to ten-thirty, when Robin entered the room.

"What have you been doing all night?" asked Rush.

"Delivering papers. I took Prime's car and roamed the streets. I was afraid there might be some trouble and I kept track of as much as I could but nothing happened."

"I wonder what happened to X. It's not like him to make another stab at stopping delivery of those papers."

"I've been thinking about that," said Robin. "I've got a hunch that X had practically no organization—just a few free lancers he picked up. When he ran out of helpers he was lost."

"Could be. With Sully, Marr and Carney out of the way he wouldn't need much of a mob to move in, if that's what he has in mind."

"He'd need a mayor, though, and a chief of police."

"I think that's where I lost X. He wanted the big boys out of the way and hoped to hang them on me. But he didn't expect Pat Gunn to lose the election. By the way, any word?"

"Prime's got a man at every poll. He's had a few phone calls and it looks like a landslide for Covington. Everybody's voting for him."

By four o'clock it was all over but the final count. Covington was in by a landslide. Gunn had already issued a statement conceding. Robin called at four-ten.

"We've cased most of the spots, Rush. The word for what we find is confusion. Nobody knows who's going to do what or to whom. I think if one of them had the guts to step out and say I'm boss he could make it stick, but so far nobody's had the guts."

Robin drove Rush to Covington's house where Roswell was on guard. With the latter, Rush went in to call on the new mayor, who extended his hand to Roswell at Rush's introduction.

"Now, Mr. Covington, can I monopolize the conversation for a minute? There is something that has to be done immediately or you'll have the same problem on your hands you've always had."

"What do we have to do in such a hurry?" asked Covington.

"You have to appoint a new Chief of Police and get him to work tonight."

"That's fine, Henry. But where am I going to find men I can trust to do the job? That's going to take time."

"It's going to take about thirty seconds. Here's your new Chief of Police." He turned to Roswell.

"I want you to organize as many squads as you can muster. Send them to every dive in town and tell everybody who can't show a legitimate job that he's due out of town in twelve hours or he goes in the jug for vagrancy. Tell them the town's got religion and they're out. Put a padlock on the door of every gambling joint and horse book in town."

Ten minutes later Roswell was on his way to the police station. Covington looked troubled.

"I know what's on your mind, Mr. Covington," said Rush. "I'm going to take care of that right away."

"You mean the killer?"

Rush nodded.
"I'm going to bring him in myself."

"Won't you want some help from Roswell?"

"No," said Rush slowly, "this is one I've got to handle myself."

Fifteen minutes later Rush was talking to Bill Prime. Prime asked the same question Covington had posed.

"Okay, you've got Covington in," he said "now how about the guy with the loose trigger finger? Where's he?"

"I think I know," said Rush. "I'm almost sure but I need a little help."

"Anything I can give you?"

"No, I think this is more in Matt's line. Is he in his office?"

"I think he's at home. He sent his column down by messenger about three, after the election was a cinch. He said he felt a party coming on and wanted to get ready. Something about celebrating the election. He said for you to call him."

"I think I'll go out. I want to talk to him and I don't want to use a phone." Rush got up and moved to the door. "I'll be back sometime. How soon depends on how much good Matt can do me. If I don't report in by midnight put Robin on my tail. He'll find me."

Rush found Fredrick in his study seated behind his desk immersed in the study of several papers spread out before him. He looked up as Rush entered.

"Four yourself a victory shug, pal," he said motioning to a bottle on a corner of his desk. "You did it and I'll bet you're glad."

Rush poured the drink and toasted Fredrick with a wave of the glass. He drank it and set the glass on the desk.

"I'm afraid I've only got half a victory so far," he said.

The St. Aloysius Parish Council of the National Council of Catholic women will hold their last meeting of the season on Wednesday evening at which time the graduates of the grade and high schools and their mothers will be entertained. The Girl Scouts of Troop No. 1 under the direction of their leader, Miss Mary Rita Redding, will provide the entertainment. The meeting will start at 7 o'clock instead of 8 o'clock.

Special services were held Sunday afternoon at 3 o'clock in St. Aloysius church in honor of the church patron, St. Aloysius, whose feast day occurred on Saturday. The pastor, Rev. John H. Weber, spoke briefly, outlining the life and good works of the saint. Rosary, Litany of the Blessed Virgin Mary and Benediction of the Blessed Sacrament were held. A relic of St. Aloysius recently received from Rome by the pastor, was on display for the veneration of the parishioners.

AID TO GREECE AND TURKEY IS AIMED AT PEACE

By DEWITT MACKENZIE
AP Foreign Affairs Analyst

President Truman has signed into law the hotly debated Greco-Turkish aid bill, thus implementing a measure that inaugurates a new American foreign policy of assisting weak countries against Communist aggression—a momentous development in the international relations of the United States.

Mr. Truman has emphasized once more that this is an instrument of peace. He says it "is evidence not only that we pledge our support to the United Nations but that we'd act to support it." Russia and her satellites of course challenge that viewpoint, charging that this program represents imperialistic designs to dominate the world.

No Imperialistic Aims

Well, where does the truth stand in this? It's important that we know where we are headed as we embark on this historic policy which embraces the entire globe. We Americans know that we have no imperialistic aims, but only time will convince Moscow. And only time will demonstrate satisfactorily that Soviet Russia has no ambitions to Communize the world.

However, there are some things Americans can see clearly now. One of them is that Washington's move doesn't provide any challenge to Russia unless Moscow is harboring evil designs. Everything will be O. K. if the Soviets aren't looking for trouble. We don't want trouble.

Of course we mustn't make the mistake of thinking that America is solely altruistic in safeguarding Greece and Turkey. We are honest in wanting to help small nations against aggression, but it would be dishonest if we didn't add that in safeguarding them we are at the same time safeguarding ourselves against an expansion of Communism which might threaten our own security. Back in 1934 Britain's Stanley Baldwin (now Earl Baldwin) proclaimed the startling truth that England's defensive frontier was on the Rhine. Today America's frontiers lie in Europe and in far off Asia.

Protect Small Nations

So our move is to protect small nations and maintain our own security. We are not trying to prevent Communism developing from within a country spontaneously. If the people of a state want Communism, that's up to them. Our mission is to prevent the Redism from being rammed down the throats of unwilling subjects, as has happened in numerous instances since the war.

On that basis America's aid to Greece and Turkey, or to other countries, is not a challenge to Russia and peace will not be in danger. Our move is not aggressive but purely defensive.

On the other hand, if Russia is in process of spreading Communism by world revolution, as many observers believe, then peace already

Youngster Bitten By Bear At Circus

Philadelphia, May 23 (P)—Fourteen-year-old Terrence Horgan was bitten severely on the hand when he got too close to a bear cage last night on the lot of Ringling Brothers and Barnum & Bailey's Circus, police reported.

Doctors at Temple university hospital said the middle finger of Horgan's right hand was chewed so badly a skin graft was necessary.

Circus workers were busy erecting tents for the show's opening today when Horgan and a number of other boys gathered at the menagerie cage of three black bears.

Jap Socialist Elected Premier

Tokyo, May 23 (P)—Tetsu Katayama, 60-year-old Socialist leader, was elected Japan's new premier by almost unanimous vote of the house of representatives tonight.

After a week of political bickering, Katayama received 420 votes to become the first Socialist premier in Japan's history and first premier whose election was dictated by popular vote at the polls.

The results will be reported to the emperor, who lost the right to name the premier under the constitution, and the formal investiture in the imperial palace may take place later tonight.

Then Katayama will face the problem of organizing a workable coalition cabinet with the probable opposition of the influential liberal party headed by outgoing Premier Shigeru Yoshida.

In the house vote on the premier ship, one member voted for himself; another for Yoshida. The remaining four votes were blank.

is in jeopardy. In that case our Greco-Turkish program won't make things worse but, to the contrary, will tend to retard a general upheaval and will provide a bulwark for the democracies.

"COOLING-OFF" PERIOD AGREED ON IN SENATE

Harrisburg, May 23 (P)—The Senate Republican majority has agreed "in principle" to the aims of controversial labor measures, topped by a proposal to establish a 120-day "cooling-off" period in advance of strikes.

Sen. O. J. Tallman, Republican floor leader, disclosed the majority's action was taken yesterday at the second of two special GOP caucuses on the labor question.

Asserting GOP Senators "agreed in general something should be done" along the lines proposed by the bill, Tallman said the action was subject to further conferences with Gov. James H. Duff and House Republican leaders. He added many of the provisions of the measures probably will be revised.

Other Senate Measures

In addition to the "cooling-off" period, proposed in a bill offered by Sen. Weldon B. Heyburn (R-Delaware) to establish a labor conciliation service, the Senate measures would:

1. Limit union initiation fees to \$25, restrict operation of union "hiring halls" or employment services to prevent any coercion of employers, and require unions to open their membership to anyone qualified to fill a job regardless of closed shop agreements as long as the prospective member will conform to "reasonably uniform" union rules.

2. Revise the state labor relations act to permit secret ballots in advance or during strikes; prohibit secondary boycotts by unions in labor disputes; outlaw jurisdictional

British Mayor To Visit Chambersburg

Chambersburg, Pa., May 23 (P)—Preparations were underway here today to welcome the wartime mayor of Southampton, England, who will come here May 30 to visit the widow of the millionth Yank to sail from the English port for Europe's battlefields.

The ex-mayor, Rex. Stranger, together with Mrs. Stranger, will visit Mrs. Marion G. Shimer, widow of Sgt. Paul S. Shimer who was killed in Germany.

The British information service announced that Stranger will inform Mrs. Shimer that the city of Southampton is naming a memorial park in honor of her daughter, Patricia Ann, 6.

MISTAKEN IDENTITY

St. Paul, Minn., May 23 (P)—When Mrs. Lester Champagne, 30, returned home she saw what appeared to be two pairs of baby feet, clad in pink booties, protruding from beneath a sheet, at the bottom of their stairs to her apartment.

She immediately called police and reported two babies had been abandoned in her apartment building.

Two squads of detectives arrived. They lifted the sheet and found two dolls.

disputes and allow employers to express opinions on labor questions.

Chairman James S. Berger (R-Potter) of the Senate Labor committee, who said he is ready "to vote for and urge passage" of the bills, disclosed the length of the "cooling-off" period may be reduced and amendments made to the other measures, all of which have been approved by his committee.

EDITORS TALK NEWS PROBLEMS AT 2-DAY MEET

Hugh C. McIlhenny, news editor of The Gettysburg Times, is attending the two-day meeting at State College, Pa., today and Saturday.

State College, Pa., May 23 (P)—Kenneth P. Williams, managing editor of the Tribune newspapers, Meadville, emphasized to Pennsylvania editors today a need for specialists in providing adequate local news coverage.

"We need experts in labor, in agriculture, in education, in veterans affairs in politics—aside from the accustomed breakdowns in the sports and society brackets," Williams said in an address at the 1947 Pennsylv-

vania press conference.

Williams said that the morning Tribune-Republican and the Evening Republican, now have such specialists "or are training regular staffers to take over as rapidly as possible," adding:

Specialists Are Assets

"But if we had it to do over again, we'd start with the specialists and work down to the general reporter. The specialist, we find, can become a good general reporter a lot more quickly, and with fewer headaches, than can the general reporter become an expert in a specialized news field."

Williams spoke at the annual press two-day conference sponsored jointly by the Pennsylvania Newspaper Publishers Association and the department of journalism of the Pennsylvania State college, which has for its general theme improvement of the services of the newspaper to the community.

John H. Carter, editor, the Lancaster New Era, and chairman of the PNPA editorial committee, and

Prof. Franklin Banner, head of the Penn State department of journalism, are in general charge of the conference, which will close Saturday night with awards to two state publishers, one each in the daily and weekly fields, for achievements in journalism.

Other Speakers

Listed also for discussion today were such varying subjects as making the newspaper more readable, coverage of labor newsphoto, training the staff and other newsroom problems. In charge of that panel study were John C. Galpin, assistant city editor, the Evening Bulletin, Philadelphia; Edward Johnston, city editor, Chester Times, and Stuart S. Taylor, picture editor, of

the Bulletin.

Other talks today included William D. Reimert, Allentown Call-Chronicle, on labor news; John F. James, Johnstown Democrat and Tribune, and Joseph T. Murphy, Wilkes-Barre Times-Leader and Evening News on making newspapers more readable.

Louis B. Seltzer, of the Cleveland Press, will speak tonight at an informal dinner on "the newspaper and its community."

Officially the first World War did not end until August 31, 1921, with the peace ratification.

There were no newspapers in the United States during the first 80 years of colonization.

VETOES EVOKE TALK OF CHANGE IN CONSTITUTION

Washington, June 23 (AP)—Two hotly disputed Presidential vetoes in a single week stirred talk of Capitol Hill today of a constitutional amendment making it easier for Congress to override White House objections to legislative acts.

Voicing publicly the privately expressed sentiments of many of his colleagues, Rep. Arends (Ill.), said he is considering a proposal calling for only a majority vote of the elected members of each branch of Congress.

The constitution now requires a two-thirds vote in the Senate and House before legislation can become law over a veto.

Sees Strong Backing
The House failed by two votes to override Mr. Truman's veto of the Republican tax reduction bill last Tuesday. But it ran up a vote of nearly four to one in favor of passing the Taft-Hartley labor bill over President Truman's objections.

Arends, who as Republican whip in the House acts as assistant majority leader, told reporters he has sounded out other members and found strong sentiment in favor of a change.

The constitution, Arends contended, contemplated infrequent use of the veto "and certainly not its use for political purposes as was the obvious case on the tax and labor bills."

Majority Enough
Arends said he believes a majority of the elected senators and representatives should be allowed to override.

"If that many of the people's representatives want a law, then they should have it," Arends said. "After all, the members of Congress are in closer touch with the people than is the President."

The 80th Congress already has submitted to the states one constitutional amendment, to limit the tenure of the Presidency to two full terms. Thirty-six of the 48 states must approve before any amendment can become a part of the constitution.

Two More Bills
Two bills are on Mr. Truman's desk right now which—except for the time element involved—might result in vetoes. And a Presidential rebuff has not been ruled completely out for one of them.

It is the controversial wool measure, extending the government's price support program for another year while also authorizing the President to boost tariffs or impose import quotas if he finds that foreign sales are threatening to push down domestic prices.

Critics of the measure say the tariff-quota provision threatens the administration's efforts to stimulate greater world trade, but supporters contend this is not true since the decision would be left up to Mr. Truman.

No Other Threats
The price support program will end June 30 unless the measure becomes law. It is the same date—just one week hence—that has led nearly all critics of the second pending bill to predict that Mr. Truman will sign it.

That measure extends rent controls through next February. But it has been loudly criticized in and out of Congress because it (A) permits 15 per cent ceiling boosts when landlords and tenants agree to a lease running into 1949 and (B) removes all federal building controls except those over amusement-type structures.

Since the labor, wool and rent bills have been disposed of, however, Congress has little left on its calendar that could lead to another break between the White House and Capitol Hill.

Must Build Salesmen For Pa.: Says Adman

Pittsburgh, June 23 (AP)—News-papers can play a major role in a campaign to make Pennsylvania's 10,000,000 residents "well-informed and effective salesmen" for their own state, George Ketchum, president of Ketchum, MacLod & Grove, Inc., Pittsburgh advertising agency, declared Saturday.

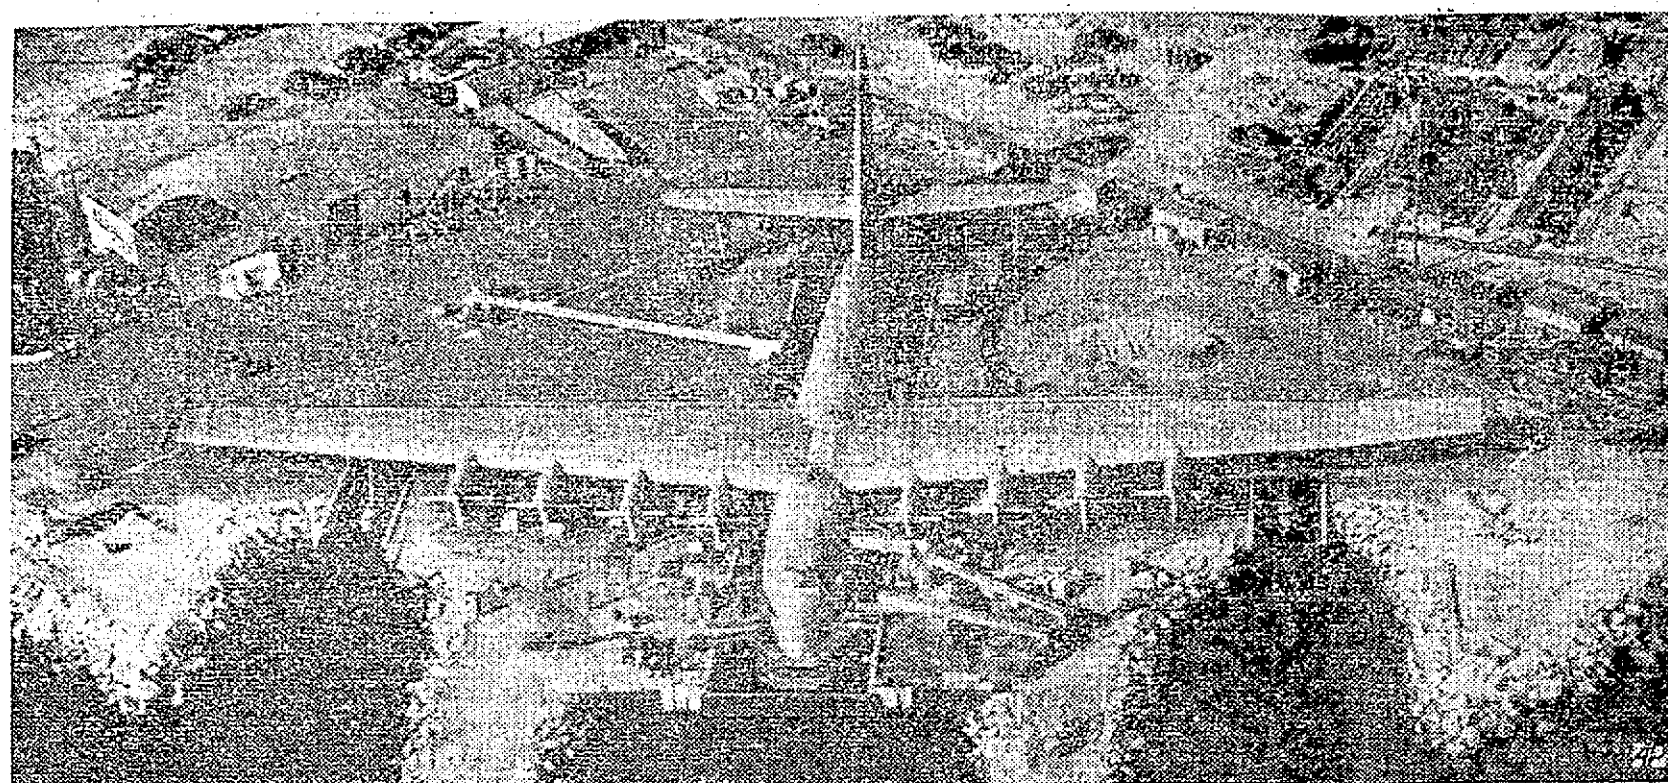

Ketchum told the annual display advertising conference of the Pennsylvania Newspaper Publishers Association that the campaign, spearheaded by the State Department of Commerce, "has as its purposes the retention and expansion of industries already in Pennsylvania, the attraction to the state of new business units, and the further development of the state's already vast tourist industry."

"Both the need and the opportunity are apparent," he declared.

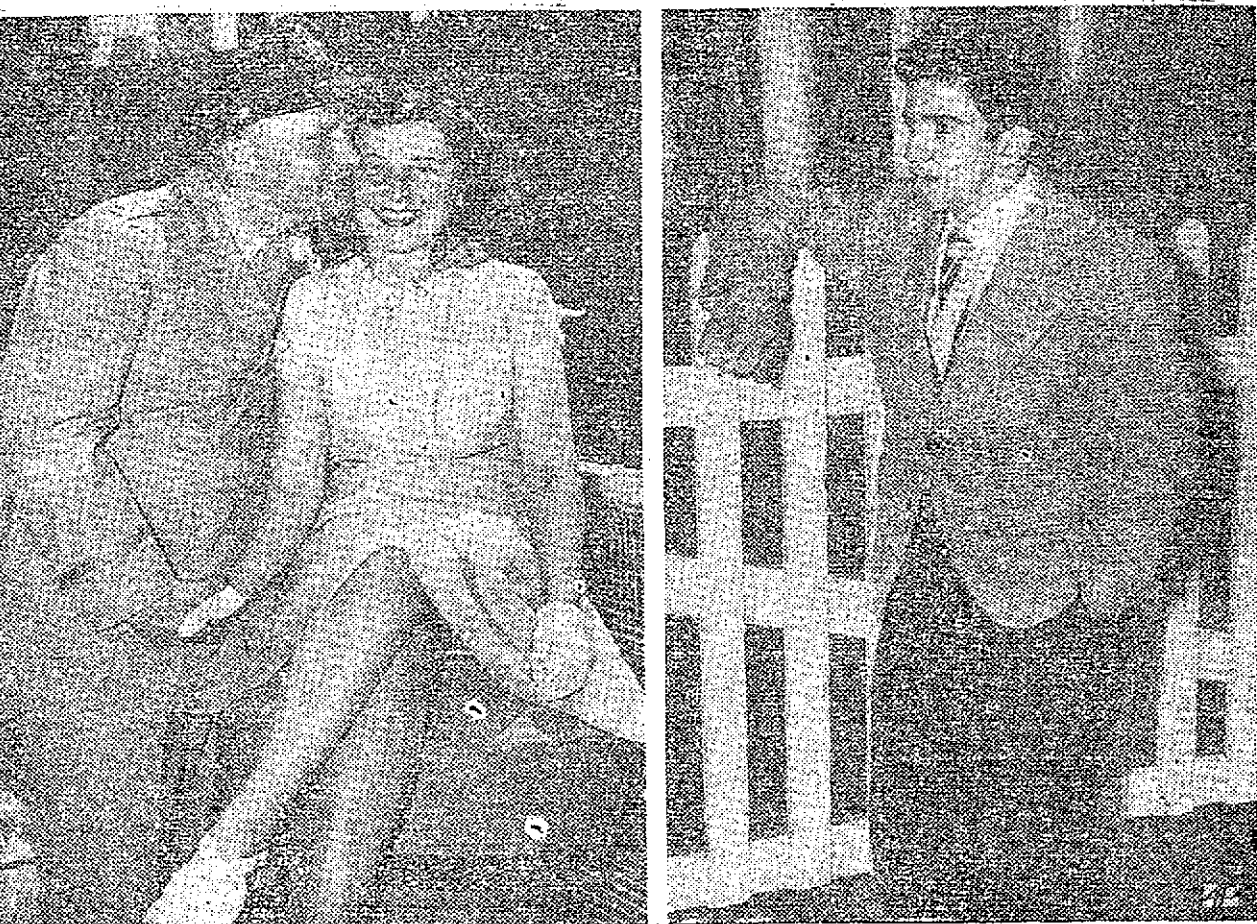

Newspapers must develop more powerful sales weapons "if we are to achieve new, higher standards of living," Arthur H. Motley, president of Parlane Publications, Inc., said Friday night at a conference dinner meeting.

BORN ON PLANE

Chincoteague Island, Va., June 23 (AP)—Mrs. James Francis Summers, Abingdon, Pa., 22-year-old wife of a navy chief petty officer, gave birth to an eight-pound, three-ounce girl 15 minutes after a plane on which she was riding left the Naval Auxiliary Air Station here for a Norfolk hospital. The child was Mrs. Summers' second—but it was her first air trip.

BIGGEST PLANE IN DOCK—The world's largest airplane, the eight-engine flying boat designed and built by Howard Hughes, is shown nearing completion in its graving dock at Terminal Island, Long Beach, Calif.

Michael Leonardo, 20, of New Haven, Conn., waited at the New York pier to greet the Swiss girl he courted while a staff sergeant in Paris. But when the Marine Falcon arrived, Dr. Robert M. Korman of Brooklyn waited down the gangplank and informed Leonardo that the girl "is going to marry me." At left, the girl, Jeanette Smirnoff Provost, gets a kiss from the doctor.

REPORT SERUM AGAINST POLIO IS SUCCESSFUL

By HUELL WARREN

Baltimore, June 23 (AP)—Three Johns Hopkins scientists reported today they have successfully vaccinated monkeys against infantile paralysis.

It is the first time the "microscope corps" in the fight against poliomyelitis has ever achieved what the Hopkins people call "solid immunity."

The time when you can have the family doctor give your children "shots" against polio still seems far off. However, the work by Drs. Isabel Morgan, Howard A. Howe and David Bodian at the Hopkins Poliovirus Research Center may have brought it a step nearer.

They used an "active" polio virus to immunize the monkeys, injecting it into their muscles.

Dangerous For Humans
On the basis of what they know now, the doctors figure it would be too dangerous to give a child a shot of live virus. It might bring on a deadly attack of the disease.

Ordinary vaccines do not use such powerful infectious matter. They excite the system into producing "antibodies" which fight the virus of a disease, without causing an attack of the disease itself.

The Hopkins doctors told about their work in the American Journal of Hygiene.

They vaccinated 25 monkeys with muscle injections at least four times. Some had as many as 15 shots in four months. Others were vaccinated just three times. Others received shots just under the skin, some got the dosage in their veins. Some weren't vaccinated at all.

After the monkeys had time to work up anti-bodies in their systems, the doctors injected live polio virus right into their brains.

"March Of Dimes" Fund
The doctors estimated these brain injections were thousands of times more deadly than any infection a man might pick up naturally.

None of the monkeys which had at least four muscle vaccinations de-

USWV Will Meet In Shamokin Next Year

Reading, Pa., June 23 (AP)—Shamokin, Pa., will be the site of next year's 44th annual state convention of the Pennsylvania Department of the United Spanish War Veterans. Norman R. veloped paralysis after their brains were infected. All the others showed "no significant resistance." The 21 not vaccinated all developed paralysis.

It has taken the Hopkins center five years to get this far along in the search for ways to prevent and cure polio. The specialists already have used \$732,000 in "March of Dimes" money.

The National Foundation for Infantile Paralysis has just given the team \$425,000 more for the next five years. Perhaps in that time they can find a safe vaccine for human beings. Other polio research centers are working on it too.

BALK AT FLOOD CONTROL PLAN

Warren, Pa., June 23 (AP)—Opposition to proposed construction of a flood control dam across the Allegheny river at Kinzua, 10 miles north of here was voiced in a resolution adopted at the 50th anniversary convention of the Allegheny river improvement association held here over the week-end.

"We are opposed to the proposed Allegheny or Kinzua dam," President Emeritus Joseph Riesenman, Jr., said in reading the resolution, "because it would permanently inundate more land than it would protect and would destroy a great wealth and production.

Amazing Candy Plan Slims Down Figure

Mrs. C. D. Wells, Texas, writes: "I was constantly trying different ways to reduce, but without success. I weighed 170 pounds. Then I tried the AVIDS Vitamin Candy Reducing Plan and lost 52 pounds. Martin Classifies Letters On Veto

Washington, June 23 (AP)—"A good many hundreds" of letters and telegrams sent Sen. Edward Martin (R-Pa.) are about "evenly divided," he says, on President Truman's veto of the Taft-Hartley Labor Bill.

"Those urging the Senate to sustain the veto seem to be of the propaganda type," Martin said, "that is they all are about the same and apparently were sent on suggestion of some one."

"Those favoring over-riding the veto seem more individual in character."

municipalities and areas as Bradford, Olean, Portville, Port Allegany, Eldred and the Conewango valley."

The association also adopted a resolution calling for construction of the Allegheny-Genesee waterway to link the Mississippi valley by an all-water route with New York harbor.

Building of the waterway would require canalization of the Upper Allegheny river from the present head of navigation at East Brady to Olean, N. Y., and reconstruction of the old Genesee canal in New York to Rochester where it would tie in with present New York state barge canal.

The association also commended the federal and state governments for progress made in abatement of river pollution and for work in reforestation and soil conservation.

AID TO EUROPE OR EXPANSION IS RED ISSUE

By DEWITT MACKENZIE
(AP Foreign Affairs Analyst)

History will receive a momentous contribution when time finally is able to disclose the conversations which must have been proceeding in the Kremlin between Soviet Premier Stalin and his captains in their search for an answer to the Anglo-French call to join in the program of European economic rehabilitation proposed by U. S. Secretary of State Marshall.

It was a tough question for the Muscovites to decide, and they have got as far as agreeing to discuss the matter with France and Britain in Paris next Friday. Obviously Soviet cooperation is essential for European recovery. But diplomats and other observers in the western democracies have expressed the view that wholehearted Russian participation in the Marshall plan would be likely to slash a knife across the roots of communist expansion westward. Why? Well, because the Redism thrives on economic and political chaos such as now has Europe by the throat.

Lone Hand in Germany

The Kremlin's problem then has been whether Russia should shift to a policy which would hamstring one of the fondest hopes of the original Bolshevik regime—communization of the world. Let the reader put himself in Stalin's place and seek an answer to that one.

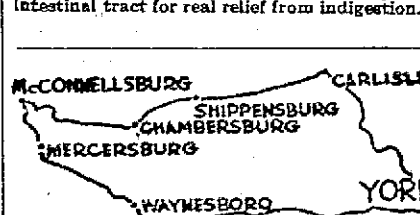

The Soviet Union already had declined to join Britain and America in the economic rehabilitation of Germany—key to continental prosperity. There has been a somewhat similar situation in Austria, though not so vital. However, the picture in central Europe differs from that of western Europe. Eastern Germany and Austria enter into Moscow's project for the establishment of a zone of influence for security purposes. It wouldn't necessarily follow that Russia intended to apply this policy to all Europe. But Mos-

cow has kept its purposes to itself.

Future Red Plans

Russia's hidden intentions in this respect of course have been the crux of the whole situation. They represent the answer to the great question which western democracy long has wanted settled, namely:

Has Russia just about fulfilled her ambitions in the way of establishing her new zone of influence, or is she bent on indefinite expansion of communism?

So in effect this is the query which General Marshall's plan

raised in such manner that a reply couldn't be avoided. Refusal to cooperate in putting Europe on its feet would, in the view of western democracy, mean that Russia intended to play a lone hand in the interests of spreading communism and, ipso facto, Moscow's influence over other nations.

Paris, (AP)—A lion walked into the food and coal rationing office of the town of Epinal yesterday, causing citizens waiting for ration coupons to leave hastily through the windows, some faint.

Gendarmes and firemen captured the beast, an escapee from a nearby circus. He didn't get any coupons.

If Stomach Gas or Sour Food Taste Robs You of Sleep

Here's How You May Help,
Whether You Eat 500 Pounds
or 2000 Pounds of Food
In a Year

You can't feel cheerful, be happy and sleep well, if your stomach is always upset. As you advance the "old stomach" needs more help. The reason is this: Everytime food enters the stomach a vital gastric juice must flow normally to break-up certain food particles; else the food may ferment. Sour food, acid indigestion and gas frequently cause a morbid, touchy, frail, nervous, nervous condition, loss of appetite, underweight, restless sleep, weakness.

To get real relief you must increase the flow of this vital gastric juice. Medical authorities, in independent laboratory tests on human stomachs, have positive proof shown that SSS Tonic is amazingly effective in increasing this flow when it is too little or scanty due to a non-organic stomach disturbance. This is due to the SSS Tonic formula which contains very special and potent activating ingredients.

Also, SSS Tonic helps build-up non-organic, weak, watery blood in nutritional anemia—so with a good flow of this gastric digestive juice, plus rich red-blood you should eat better, sleep better, feel better, work better, play better. Avoid punishing yourself with overdoses of soda and other alkalis to counteract gas and bloating when what you so dearly need is SSS Tonic to help you digest food for body strength and repair. Don't wait! Join the host of happy people SSS Tonic has helped. Millions of bottles sold. Get a bottle of SSS Tonic from your drug store today. SSS Tonic helps Build Sturdy Health.

"QUACK" CURES FIND GULLIBLE EASY PICKINGS

By JAMES MARLOW

Washington, May 23 (AP)—Crooks and crackpots find easy pickings in citizens looking for a quick cure.

A government agency, the Food and Drug Administration (FDA), is trying to stop them.

It can do this because there's a law against selling healing devices that pretend to work cures they can't work.

This week one of the FDA heads, Charles W. Crawford, an associate commissioner, said:

"At present there is an epidemic of serious violations by unscrupulous adventurers in the business of selling cure-all therapeutic devices."

"During the past year or so we have had to deal with scores of contraptions of this kind."

"Cures" For Everything These are some of the stories told at FDA headquarters here:

There was a man who built a fancy machine with a strong electric light inside.

The light came through different-colored glasses. The idea was this:

If you used the right color light at a certain time on a certain day you could cure diabetes, cancer, tuberculosis, and other diseases.

You couldn't buy the magic lamp. You had to join an "institute" for \$50. Then you'd get the lamp "free."

The maker claimed he had distributed 9,000 such lamps. He was convicted in Federal court, fined \$8,000, and sentenced to three years in jail. He has appealed to a higher court.

Here's another: A man sold two plates—one copper, one zinc—to put in your shoes.

Hit Reducing Belts Walking on them was supposed to set up an electric current which

the same period a week ago. Cows predominated the day's receipts with slaughter steers and heifers in meager supply.

Despite the light supply of slaughter steers, trading slow and prices about steady with earlier this week. Top good and average good shortfolds, \$22.25-23.60 with the latter price for a load around 1,100 pounds that showed grass.

The bulk of the heifers offered medium and good shortfolds, \$17.50-22.50, in a slow and steady market. Cow trading drab and very uneven. Canners and cutters opened steady with former days this week with late trade 50 lower. Common and medium, dairy breeding, largely \$13.50-16, with top-medium \$19 and standard heifer type individuals high as \$20. Canners and cutters, \$10-13.50 with "shelly" canners at \$10 and less.

Bull trade slow and weak to 25c. lower as compared with former days this week. Good beef bulls, in meager supply, \$18.50-20. Medium and good weighty sausage bulls, \$16.50-18 with light and medium-weight, \$15.50-16. Stocker and feeder trade drab and steady. Old head lots of choice feeder steers around 800 pounds, \$23.50. Good stocker and feeder steers, covering a wide range of weights, \$19.50-22.60. Common and medium, \$16.50-18.50.

CALVES—Vealers active and steady with Wednesday. Mixed lots of good and choice 150-200 pounds, largely \$22-26, with strictly choice kinds at \$27. Common and medium unevenly, \$10-20, and culls \$7, with a few underweights as low as \$5.

HOGS—Hog trading active and steady with Wednesday with all interests in the market. Practical top, \$24.50. Good and choice barrows and gilts, 120-140 pounds, \$22-25.50; 140-160 pounds, \$23.25-25.50; 160-200 pounds, \$24.25-24.50; 250-275 pounds, \$22.50-22.75; 275-300 pounds, \$21.50-21.75; 300-350 pounds, \$20.50-20.75; 350 pounds and over, \$19.50-19.75. Good and choice sows, \$17.50-17.75

AID TO GREECE AND TURKEY IS AIMED AT PEACE

By DEWITT MACKENZIE
AP Foreign Affairs Analyst
President Truman has signed into law the hotly debated Greco-Turkish aid bill, thus implementing a measure that inaugurates a new American foreign policy of assisting weak countries against Communist aggression—a momentous development in the international relations of the United States.

Mr. Truman has emphasized once more that this is an instrument of peace. He says it "is evidence not only that we pledge our support to the United Nations but that we'd act to support it." Russia and her satellites of course challenge that viewpoint, charging that this program represents imperialistic designs to dominate the world.

No Imperialistic Aims
Well, where does the truth stand in this? It's important that we know where we are headed as we embark on this historic policy which embraces the entire globe. We Americans know that we have no imperialistic aims, but only time will convince Moscow. And only time will demonstrate satisfactorily that Soviet Russia has no ambitions to Communize the world.

However, there are some things Americans can see clearly now. One of them is that Washington's move doesn't provide any challenge to Russia unless Moscow is harboring evil designs. Everything will be O. K. if the Soviets aren't looking for trouble. We don't want trouble.

Of course we mustn't make the mistake of thinking that America is solely altruistic in safeguarding Greece and Turkey. We are honest in wanting to help small nations against aggression, but it would be dishonest if we didn't add that in safeguarding them we are at the same time safeguarding ourselves against an expansion of Communism which might threaten our own security. Back in 1934 Britain's Stanley Baldwin (now Earl Baldwin) proclaimed the startling truth that England's defensive frontier was on the Rhine. Today America's frontiers lie in Europe and in far off Asia.

Protect Small Nations
So our move is to protect small nations and maintain our own security. We are not trying to prevent Communism developing from within a country spontaneously. If the people of a state want Communism, that's up to them. Our mission is to prevent the Redism from being rammed down the throats of unwilling subjects, as has happened in numerous instances since the war.

On that basis America's aid to Greece and Turkey, or to other countries, is not a challenge to Russia and peace will not be in danger. Our move is not aggressive but purely defensive.

On the other hand, if Russia is in process of spreading Communism by world revolution, as many observers believe, then peace already

Youngster Bitten By Bear At Circus

Philadelphia, May 23 (AP)—Fourteen-year-old Terrence Horgan was bitten severely on the hand when he got too close to a bear cage last night on the lot of Ringling Brothers and Barnum & Bailey's Circus, police reported.

Doctors at Temple university hospital said the middle finger of Horgan's right hand was chewed so badly a skin graft was necessary.

Circus workers were busy erecting tents for the show's opening today when Horgan and a number of other boys gathered at the menagerie cage of three black bears.

Jap Socialist Elected Premier

Tokyo, May 23 (AP)—Tetsu Katayama, 60-year-old Socialist leader, was elected Japan's new premier by almost unanimous vote of the house of representatives tonight.

After a week of political bickering, Katayama received 430 votes to become the first Socialist premier in Japan's history and first premier whose election was dictated by popular vote at the polls.

The results will be reported to the emperor, who lost the right to name the premier under the constitution, and the formal investiture in the imperial palace may take place later tonight.

Then Katayama will face the problem of organizing a workable coalition cabinet with the probable opposition of the influential liberal party headed by outgoing Premier Shigeru Yoshida.

In the house vote on the premiership, one member voted for himself; another for Yoshida. The remaining four votes were blank.

is in jeopardy. In that case our Greco-Turkish program won't make things worse but, to the contrary, will tend to retard a general upheaval and will provide a bulwark for the democracies.

"COOLING-OFF" PERIOD AGREED ON IN SENATE

Harrisburg, May 23 (AP)—The Senate Republican majority has agreed "in principle" to the aims of controversial labor measures, topped by a proposal to establish a 120-day "cooling-off" period in advance of strikes.

Sen. O. J. Tallman, Republican floor leader, disclosed the majority's action was taken yesterday at the second of two special GOP caucuses on the labor question.

Asserting GOP Senators "agreed in general something should be done" along the lines proposed by the bill, Tallman said the action was subject to further conferences with Gov. James H. Duff and House Republican leaders. He added many of the provisions of the measures probably will be revised.

Other Senate Measures
In addition to the "cooling-off" period, proposed in a bill offered by Sen. Weldon B. Heyburn (R-Idaho) to establish a labor conciliation service, the Senate measures would:

1. Limit union initiation fees to \$25, restrict operation of union "hiring halls" or employment services to prevent any coercion of employers, and require unions to open their membership to anyone qualified to fill a job regardless of closed shop agreements as long as the prospective member will conform to "reasonably uniform" union rules.
2. Revise the state labor relations act to permit secret ballots in advance or during strikes; prohibit secondary boycotts by unions in labor disputes; outlaw jurisdictional

British Mayor To Visit Chambersburg

Chambersburg, Pa., May 23 (AP)—Preparations were underway here today to welcome the wartime mayor of Southampton, England, who will come here May 30 to visit the widow of the millionth Yank to sail from the English port for Europe's battlefields.

The ex-mayor, Rex. Stranger, together with Mrs. Stranger, will visit Mrs. Marion G. Shimer, widow of Sgt. Paul S. Shimer who was killed in Germany.

The British information service announced that Stranger will inform Mrs. Shimer that the city of Southampton is naming a memorial park in honor of her daughter, Patricia Ann, 6.

MISTAKEN IDENTITY

St. Paul, Minn., May 23 (AP)—When Mrs. Lester Schampagne, 30, returned home she saw what appeared to be two pairs of baby feet, clad in pink booties, protruding from beneath a sheet, at the bottom of their stairs to her apartment.

She immediately called police and reported two babies had been abandoned in her apartment building.

Two squads of detectives arrived. They lifted the sheet and found two dolls.

disputes and allow employers to express opinions on labor questions.

Chairman James S. Berger (R-Potter) of the Senate Labor committee, who said he is ready "to vote for and urge passage" of the bills, disclosed the length of the "cooling-off" period may be reduced and amendments made to the other measures, all of which have been approved by his committee.

EDITORS TALK NEWS PROBLEMS AT 2-DAY MEET

Hugh C. McIlhenny, news editor of The Gettysburg Times, is attending the two-day meeting at State College, Pa., today and Saturday.

State College, Pa., May 23 (AP)—Kenneth P. Williams, managing editor of the Tribune newspapers, Meadville, emphasized to Pennsylvania editors today a need for specialists in providing adequate local news coverage.

"We need experts in labor, in agriculture, in education, in veterans affairs in politics—aside from the accustomed breakdowns in the sports and society brackets," Williams said in an address at the 1947 Pennsylvania press conference.

Williams said that the morning Tribune-Republican and the Evening Republican, now have such specialists "or are training regular staffers to take over as rapidly as possible," adding:

Specialists Are Assets
"But if we had it to do over again, we'd start with the specialists and work down to the general reporter. The specialist, we find, can become a good general reporter a lot more quickly, and with fewer headaches, than can the general reporter become an expert in a specialized news field."

Williams spoke at the annual press two-day conference sponsored jointly by the Pennsylvania Newspaper Publishers Association and the department of journalism of the Pennsylvania State college, which has for its general theme improvement of the services of the newspaper to the community.

John H. Carter, editor, the Lancaster New Era, and chairman of the PNPA editorial committee, and

Prof. Franklin Banner, head of the Penn State department of journalism, are in general charge of the conference, which will close Saturday night with awards to two state publishers, one each in the daily and weekly fields, for achievements in journalism.

Other Speakers
Listed also for discussion today were such varying subjects as making the newspaper more readable, coverage of labor newsphoto, training the staff and other newsroom problems. In charge of that panel study were John C. Galpin, assistant city editor, the Evening Bulletin, Philadelphia; Edward Johnston, city editor, Chester Times, and Stuart S. Taylor, picture editor, of the Bulletin.

Other talks today included William D. Reimert, Allentown Call-Chronicle, on labor news; John F. James, Johnstown Democrat and Tribune, and Joseph T. Murphy, Wilkes-Barre Times-Leader and Evening News on making newspapers more readable.

Louis B. Seltzer, of the Cleveland Press, will speak tonight at an informal dinner on "the newspaper and its community."

Officially the first World War did not end until August 31, 1921, with the peace ratification.

There were no newspapers in the United States during the first 30 years of colonization.

Two Indicted In Philly War Frauds

Philadelphia, May 23 (AP)—Two former war shipping administration officials have been indicted by a federal grand jury on charges of bribery and conspiracy against the government as the federal bureau of investigation nears completion of its probe into alleged \$1,000,000 war frauds on the Delaware river waterfront.

The probe began three years ago when several prospective contractors on ship repair complained to the FBI they were "squeezed out" of jobs. At that time 42 contracting firms and some of their employees were indicted on charges of defrauding the government.

Judge J. Cullen Ganey yesterday received indictments for Frank Edward Sales, 65, former assistant local manager of the WSA maintenance and repairs division, and John W. Chott, 49, former WSA chief marine surveyor.

Also indicted on the same charges was John P. Donnelly, 42, a former partner in the Atlas Iron and Steel Co.

Parlor is derived from the French verb parler, meaning to speak.

Specious, which now means false, once signified fair or beautiful.

Truman Requests Controls Extension

Washington, May 23 (AP)—President Truman today asked Congress to extend for a year beyond June 30 his authority to control domestic use and export of a few materials "to prevent harm to our own economy and give concrete support to our foreign policy."

He said in a message it is essential to maintain domestic control, by priority and allocation, over tin, fibers and cordage, antimony, cinchona bark, and quinine.

Mr. Truman also asked (1)—import control authority over a few foods — fats and oils and rice and rice products; (2)—import controls and export priorities on nitrogen fertilizer; and (3)—export priorities on key industrial products needed for foreign reconstruction and rehabilitation.

Draft Dodger Loses Plea To Stay In U.S.

New York, May 23 (AP)—Serge M. Rubinstein's petition to avoid deportation after he finishes serving a 30-month sentence at the Lewisburg (Pa.) federal penitentiary for draft evasion has been denied by Federal Judge John C. Knox.

Referring to the FBI file on the 38-year-old Russian born financier, Judge Knox said yesterday that "he would be an undesirable person to keep in this country, and I certainly will not sign an order to keep him here."

Legion Head Says 1,540,000 Black Market Immigrants Enter U. S. Each Year

WOULD CLOSE IMMIGRATION FOR ONE YEAR

Washington, May 23 (AP)—Paul H. Griffith, National Commander of the American Legion, says nearly 1,540,000 "black market immigrants" gain illegal entry into the United States each year.

In Philadelphia Ugo Carusi of the U. S. Immigration department said Griffith's figures on illegal immigration "and our figures are at tremendous variance but we would be glad to receive any information he has on the subject."

"Obviously if anything like that is going on we not only wish to know about it but want to do something about it as required by our laws," Carusi added.

Helps Communism
Griffith told the annual convention of the Daughters of the American Revolution last night to "look at the realities of our immigration problem today and close our ears to the sob stuff with which we are being beguiled."

Calling illegal immigration a "Godsend to communism in the United States," Griffith said all immigration should be suspended immediately for at least a year.

He added that immigration "has become a lawless torrent that is undermining the very foundations of our America way of life," robbing the veterans of opportunities and "building up a fifth column in this country that may well be the margin by which we may meet with disaster in the next war."

The altar boys of St. Joseph's church held a picnic at the log cabin at St. Joseph's college, on Tuesday. Mrs. Laurin B. Askew of Rockey Ridge, near Emmitsburg, was the main speaker at the final meeting for this season of the Frederick Civic club of Frederick, on Monday afternoon which was held at the home of Mrs. Herman Weener, Frederick. The meeting was followed by a tea. Mrs. Askew is a Belgian portrait painter who has made her home in this country for a number of years. She has painted many prominent persons in Washington and spends much of her time in that city. She makes her residence at "Whitehall," old country home near Rocky Ridge Mrs. R. E. Delaplaine, of Frederick, co-chairman of the committee in charge, entertained Mrs. Askew at luncheon before the meeting at Frederick.

On Sunday evening, May 11, a surprise party was given Mr. and Mrs. John Hilbert on the occasion of their twenty-fifth wedding anniversary. Mr. and Mrs. Hilbert were married on May 11, 1922, by Rev. Guy Bready, of Taneytown, pastor of Mr. Hilbert. Mrs. Hilbert was the former Elizabeth Troxell, daughter of Frederick Troxell, Emmitsburg. Mr. and Mrs. Hilbert are the parents of 10 children. Arrangements for the party were made by their daughters, Mrs. Charles Strickhouser and Irene Hilbert. The table was adorned with a

Senate Kills Truman Veto Of Labor Bill; Vote Is 68-25

Washington, D. C., June 23 (AP)—The Senate today voted 68-25 to override President Truman's veto of the Taft-Hartley labor bill.

This was more than the two-thirds margin required to enact the hotly-contested curbs on labor unions.

The action was taken despite an 11th-hour appeal from Mr. Truman to Senate Democrats to uphold his June 20th veto and kill the measure as "dangerous legislation."

Washington, June 23 (AP)—As the voting hour neared, both Senator Taft (R-Ohio) and a high Democratic strategist predicted today that the Senate will vote to override President Truman's veto and make the Taft-Hartley labor bill law.

Their forecasts were strengthened by the announcement of Senator O'Connor (D-Md.), previously classed as doubtful, that he will vote to override.

The Democrat, who asked not to be named, said a last-minute canvass indicated a vote of 68 to 27 to pass the measure over Mr. Truman's disapproval. This would be well over the required two-thirds of those voting. The vote was set for 3 p. m. (2 p. m., E.S.T.).

Taft made his prediction after a Republican policy committee meeting.

In a final blast at the Republican-sponsored measure, Senator O'Mahoney (D-Wyo) charged that the bill would "create a labor czar."

RETURN FROM DRAMA CONFAB

Four Gettysburg high school dramatics club members and their faculty sponsor, Miss Ruth Scott, returned Sunday from attending the second National Dramatic Arts conference at Indiana university, Bloomington, Ind., which opened last Monday and closed Saturday.

The local members of the Gettysburg high school Mask and Wig dramatics club and the National Thespian society who made the trip were Dale Ferrar, Robert Gigous, Arlene Lewis and Pat Sponsler.

Misses Lewis and Sponsler studied acting under the instruction of Mary Morris of the drama department of Carnegie Institute and Ferrar and Gigous took up radio which was taught by H. J. Skornia, director of the radio department of Indiana university.

See Many Plays
Miss Scott attended a sectional meeting on directing given by Talbot Pearson of the drama department of Carnegie Institute. Miss Scott and Robert Gigous also took a special class in lighting given by G. W. Galsler, of the Indiana university drama department.

The local group witnessed the performance by high school students of six one-act plays and four full-length plays by colleges, high schools and children's theatres. The full-length plays given were "Miss Lulu Bett" by Zona Gale; "The Emperor's New Clothes" by Charlotte Chorprenning; "The Great American Family" by Auranis Rouveral; and "The Rivals" by Richard Brinsley Sheridan.

Among the prominent speakers at the conference were Dr. Solomon Arnaldo, observer for the UNESCO to the United Nations; Brock Pemberton, Broadway theater producer and director, and C. L. Mesner, program director for NBC. The conference concluded with a nationwide radio broadcast of the drama, "Forsake Me Never" with a cast from conference students. The next dramatics arts conference will be held in 1949.

17 YOUTHS AT SCOUT RETREAT

Seventeen members of the local Catholic Boy Scouts attended the annual retreat for Catholic Boy Scouts of the York-Adams area held over the week-end at Conewago Chapel.

One hundred and seventy-five scouts in all from the two counties were present for the three day event which began Friday afternoon and ended Sunday morning with a field mass said by the Rev. Fr. Loszewski, pastor of the Abbottstown-Paradise Rectory parish and district scout chaplain.

Scoutmaster Edward Kerrigan and Assistant Scoutmaster John W. Roth were in charge of the Troop 78 contingent at the retreat. Among the scouts present from Gettysburg were Junior Assistant Scoutmasters Earl Herring and Robert Sanders; Senior Patrol Leader Richard Codori and Scouts James Codori, Fred Codori, Eugene Hoffman, Francis Herring, Thomas and Kenneth Cole, Dennis Unks, William Bagot, Robert Dillman, William Rosensteel, Dale Kane, Thomas Hemler, Cyril Althoff and Charles Hemler.

SS. ENROLLMENT IN COUNTY RISES; CONCLAVE HELD

With large delegations on hand from all of its six districts, the Adams County Council of Christian Education packed St. Paul's Evangelical and Reformed church in New Oxford Sunday afternoon and evening at the 48th annual convention.

Reports showed Sunday school enrollment throughout the county jumped 230 in the last 12 months while churches represented in the same reports increased their memberships by 706. There are now 12,120 countians enrolled in Sunday schools on the basis of reports from 74 of the 86 schools in the county.

R. R. Starnes, Bendersville, was re-elected president and installed for the coming year along with the other newly-elected officers by Dr. Ivan M. Gould, general secretary of the Pennsylvania Council of Christian Education.

Officers Chosen
The six county vice presidents, each heading his respective district, are: First district, Chester Mehring, Jr., Gettysburg; second, Robert Geigley, Fairfield; third, Elmer Schildt, Taneytown R. D.; fourth, Charles Gentzler, East Berlin; fifth, Norman D. Snyder, Littlestown; and sixth, D. M. Hoffman, Arendtsville.

T. J. Winebrenner, Gettysburg, was re-elected treasurer and Miss Alma Miller, Biglerville, was re-named corresponding and recording secretary. These department heads were chosen: Children's, Mrs. Ira Coulson, Biglerville; young people's, Miss Nettie Raffensperger, Biglerville; adult, Harry T. Baker, Littlestown; Christian Education, Harry E. Bair, Hanover; temperance, the Rev. Archie Rohrbach, New Oxford; school administration, the Rev. Nevin Frantz, Arendtsville; and evangelism and missionary, the Rev. G. W. Harrison, Bendersville.

The theme for the convention was "Study Christ—Reveal Christ." Reports Given
Elmer Schildt, third district president, presided at the afternoon session which opened with a song service led by Faber Wildasin at 2 o'clock. The Rev. Archie Rohrbach, pastor of the host church, gave the address of welcome and conducted devotions.

Reports of Miss Miller, county secretary, and the department and district heads were distributed in mimeographed form to the delegates. Miss Miller's report showed increases in enrollments and activities in most divisions of work of the county Sunday schools.

Four schools now operate under Standard B. her report showed. Forty schools held workers' conferences as compared with 35 for the preceding year and the number of church accessions from Sunday schools was 457, an increase of 17 over the preceding year. More work-

Vacationists Trapped In Howling Blizzard; 3 Dead

Yellowstone National Park, Wyo., June 23 (AP)—Lights from a tiny trailer were "something out of heaven" to one of 70 summer vacationists seeking refuge from a howling week-end blizzard which trapped them on a barren mountain pass, killing three persons and injuring at least four others.

And when Bob Helm of Missoula, Mont., member of a volunteer patrol of ex-army ski troopers, reached the drift-covered trail, owned by a Dr. Engelberg of Sacramento, Calif., he found 17 persons, nine of them children, huddled around its tiny stove for warmth "exceedingly happy to see us."

Other persons, dug out of trapped cars by the patrol and National Park Service crews operating huge snow-blooms, were carried to safety on toboggans and then autos after more than 24 harrowing hours.

Search for the stranded tourists was ended late last night when Park Superintendent Edmund Rogers said all persons had been

ARENDSVILLE GIRL MARRIES ROBERT SNYDER

Miss Dorothy Taylor, daughter of Mr. and Mrs. Harold E. Taylor, of Arendtsville, became the bride of L. Robert Snyder, son of Mr. and Mrs. Luther D. Snyder, of Littlestown, in a ceremony which took place Saturday afternoon at 2 o'clock in Trinity Lutheran church, Arendtsville. The ceremony was performed by the bride's pastor, the Rev. George H. Berkeimer.

Given in marriage by her father, the bride wore a gown of white satin formed on princess lines, with a sweetheart neckline outlined with lace which was also used at the wrists of her close fitting sleeves. The gown had a full-length train and her fingertip length veil was attached to a coronet of orange blossoms. She carried a shower bouquet of white roses and blue delphinium with a center of pink roses. She wore a strand of pearls, a gift of the bridegroom.

Bridal Attendants
The bride had as her maid-of-honor her sister, Miss Elaine Taylor, who wore a gown of maize brocade silk. Her cascade bouquet was of mixed flowers which also formed the tiara which was used as a headress. Miss Louise Singley and Miss Anna Miller as bridesmaids wore gowns of green brocade silk with tiny puff sleeves with similar bouquets and headresses. The bridal attendants wore long mits of material matching their gowns.

Little Carol Kuntz, as flower girl, was dressed in white and carried a basket of mixed flowers. Lynn Leary in a white suit, and carrying a white satin pillow, served as ring-bearer.

The bridegroom had as his best man, a cousin, A. G. Ealy, of Hanover. William Snyder, of Dallstown, (Please turn to Page 2)

Set Date For County WCTU Convention

The annual convention of the Adams county branch of the Women's Christian Temperance Union will be held Sunday, August 24, in the Church of the Brethren on South Stratton street, it was announced following a meeting of the county executive board Saturday afternoon at the YWCA building. The county president, Miss Edna Albert, York Springs, presided.

At the Saturday afternoon meeting a contribution was voted to the Pennsylvania School of Alcohol Studies at Juniata college and another to China Relief.

The Gettysburg branch of the county organization held its June meeting Friday evening at the home of Mrs. Cora Berkey, West Broadway and Mrs. Berkey conducted the devotions. She also read a playlet on "Moderation." Mrs. Berkey and Miss Carrie Musselman reported on the world convention of the WCTU which they attended earlier this month at Asbury Park, N. J. The next meeting of the local group will be held in July with Miss Elizabeth Bushman, Hanover street.

COLLEGE GRADS ARE WED HERE SATURDAY AT 4

A romance which began during college days here, culminated in the marriage at 4 o'clock Saturday afternoon in the Church of the Abiding Presence, Gettysburg Lutheran Theological seminary, of George T. Barnhill, III, son of Mr. and Mrs. George T. Barnhill, II, of Wilmington, Del., and Miss Muriel H. Martin, daughter of Mr. and Mrs. E. Stanley Martin of Philadelphia.

Both the bride and the groom are graduates of Gettysburg college, where they met during their undergraduate days. Barnhill was a member of the class of 1944, and Miss Martin graduated in 1945.

The seminary church was decorated with ferns, and the single ring ceremony was performed by the Rev. Robert B. Rau, Gettysburg college secretary, with whom the groom made his home for a year before his graduation.

The bride was given in marriage by her father, Miss Jane Martin, sister of the bride, was maid of honor, and the best man was James Barnhill, a brother of the groom. Glenn Barnhill, also a brother, was usher.

The bride wore a wedding gown of white summer satin, with cascade ruffle and train, and fingertip veil, and carried white orchids and a white prayer book. The maid of honor was gowned in blue marquisette, and wore a corsage of blue flowers. Mrs. Martin wore an aqua crepe dress, and Mrs. Barnhill a gray chiffon. Both carried orchids.

Miss Esther Royer, Gettysburg college, sang several selections and (Please Turn to Page 7)

FAIRFIELD GIRL WEDS SUNDAY

Miss Pauline V. Musselman, daughter of Mr. and Mrs. Milford Musselman, Fairfield R. D., and Richard B. Haun, Canton, Ohio, were united in marriage Sunday at 4 p. m. in a double ring ceremony performed in Zion Lutheran church Fairfield by the bride's pastor, the Rev. Dr. Norman S. Wolf.

The bride, who was given in marriage by her father, wore a gown of white taffeta with a full length veil fastened with a crown of orange blossoms. She carried an arm bouquet of lilies and roses.

Miss Gracie Musselman, Lancaster, sister of the bride, served as maid of honor. She wore a white net gown with long net gloves and a pink net head dress. She carried an arm bouquet of pink roses.

The bridesmaids, Miss Mary Musselman, Lancaster, sister of the bride, and Miss Eleanor Stoner, Quarryville, wore white net gowns, long net gloves and blue net head-dresses. They carried arm bouquets of red roses.

Paul Haun, Canton, Ohio, served his brother as best man. Joseph Musselman, New York, and Harry Musselman, Fairfield, served as ushers.

Miss Helen McClellan presided at the organ and played the traditional wedding marches, Merle Kittinger sang "Because," "Oh Promise Me" and "The Lord's Prayer."

A reception for about 100 guests was held at the bride's home after which the couple left on a trip to the New England states.

Eddie Utz, Biglerville, representing Shippensburg State Teachers' college, placed third in the 100-yard dash at the annual Middle Atlantic Track and Field meet of the Amateur Athletic Union held in Harrisburg Saturday.

Barney Ewell shattered the Middle Atlantic record for the event with a mark of 9.6 seconds.

PAYS FINE AND COSTS

Andrew D. Shearer, Chambersburg, fined \$25 and costs Saturday morning by Justice of the Peace Robert P. Snyder on a charge of allowing an unlicensed driver to operate his automobile, was released Saturday afternoon upon payment of the fine and costs. Morris Perry, Fayetteville, who pleaded guilty to drunken driving and operating without a license, was committed to jail.

Death Toll May Reach 14 In Los Angeles Explosion

Wilmington, Calif., June 23 (AP)—At least two, and probably 14, men were dead today following a \$10,000,000 ship-explosion fire — Los Angeles harbor's costliest calamity, which only fate and foresight apparently kept from becoming another "Texas City."

The 11,083-ton tanker Markay blew up with 2,940,000 gallons of fuel in a triple explosion that razed several docks and—harbor authorities said—missed igniting huge petroleum storage tanks only because of favorable winds.

Two bodies were recovered from the harbor shortly after the blast yesterday and searchers planned to board the shell of the tanker today to remove others which were spotted by coast guard observers last night after the vessel stopped burning.

The blaze—at its height visible some 12 miles at sea—required six hours to bring under control. The harbor, since the Texas City disaster, had been alerted for just such a blast. Within moments fire equipment rolled from as far distant

CARDS' SCHOOL ENDS SATURDAY

The second largest training school held by the St. Louis Cardinals this year came to an end Saturday at the Gettysburg college baseball field.

A total of 83 young men between the ages of 17 and 22 attended the school which was sponsored by the Gettysburg Rotary club. The student players were from 48 towns in eight Pennsylvania and three Maryland counties.

C. H. "Pop" Kelchner, scout for the Cardinals who had charge of the school said that he was "well pleased" with the skill and cooperation of the students and added that many of them will make very good ballplayers.

In addition to the communities listed previously as represented at the camp a number of other players from Port Royal, Lock Haven, Westminster, Carlisle, Marietta, Linglestown, Colonial Park, Thurmont, Bainbridge, Cascade, Harrisburg and Spring Grove reported to the school on Saturday.

MOOSE-HARNER WEDDING HELD IN MT. JOY CHURCH

Miss Luella May Harner, daughter of Mr. and Mrs. Charles F. Harner, Gettysburg R. 1, became the bride of Frank Chester Moose, son of Mr. and Mrs. Chester J. Moose, Harney, in a wedding ceremony Saturday evening at 6 o'clock in the Mt. Joy Lutheran church. The double ring ceremony was performed by the Rev. Charles E. Held, pastor of both bride and bridegroom.

The bride, who was given in marriage by her father, wore a gown of white imported lace with full length train, sweetheart neckline, seeded pearl bodice and long fitted sleeves which came to a point over the hand. Her fingertip length veil was shaped to her head with a seeded pearl crown. She carried an arm bouquet of white gladioli and roses.

Esther Harner, sister of the bride, was maid of honor. She wore a gown of pink net and carried a bouquet of mixed flowers. The bridesmaids were the Misses Betty Griffin, Chambersburg, and Doris Willhide, Keyville, Md. They wore gowns of blue tulle and carried bouquets of mixed flowers.

Reception Held
John Harner, cousin of the bride, was best man. Glenn Harner, brother of the bride, and Merle Moose, brother of the bridegroom, served as ushers.

Miss Alice Snyder, Gettysburg, presided at the organ and played a 15-minute recital prior to the wedding. During the ceremony she played the traditional processional and recessional and accompanied the soloist, Mrs. William Strayer, Caledonia, who sang "Through the Years," "Because" and "Always."

The bride's mother wore a light blue crepe dress and a corsage of white gardenias. The bridegroom's mother wore a navy blue tricot knit dress and a corsage of white gardenias.

After the ceremony a lawn reception was held at the home of the bride's parents for approximately 200 guests. The wedding party's table was decorated with roses and a three-tier wedding cake with miniature bride and groom. Those who served included Mrs. Edwin Benner, the Misses Jeanne Spahr, Anna Mae Hemler, Lorraine Rohrbach, Emma Lower, Kathryn Robert and Germa Shetter, of Gettysburg and Arlene Moose of Harney.

SEVEN INJURED IN AUTO CRASH AT LITTLESTOWN

Seven persons were injured at 5:30 o'clock Sunday afternoon on the Baltimore pike a quarter of a mile south of Littlestown, when an automobile operated by Richard E. Riley, Littlestown R. D., making a left turn into a private driveway, was struck by the car of Dr. Daniel R. Usdin, Veterans Hospital, Ft. Howard, near Sparrow's Point, Md.

State police of the Gettysburg sub-station, who were continuing their investigation of the accident today, listed the injured as follows:

In the Warner hospital here: Mildred Bunton, 23, of Baltimore, lacerations of the chin and lower lip, glass in right side of face and brush burns on right thigh.

Elizabeth Jackson, 24, of Sparrow's Point, contusions of head and concussion.

Both were passengers in the automobile operated by Dr. Usdin.

Others Treated
Treated at the hospital and discharged:

Raymond Beard, 17, Littlestown, multiple lacerations of left arm, skin lacerations of right arm.

Robert Baumann, 17, Littlestown R. 2, brush burns on both legs and back.

Laverne Louey, 19, a soldier stationed at Ft. Dix, N. J., home address, Littlestown R. 2, home on a week-end pass, contusions of his right leg.

Francis Moble, 16, Littlestown, abrasions of the chest.

Richard E. Riley, Littlestown R. D., contusions of the right hand.

The latter five were riding in the Riley car. The more seriously injured were brought to Gettysburg in the ambulance, others in automobiles.

COUPLE WEDS IN NEW OXFORD AT NOON SATURDAY

Miss Jane Taughinbaugh, daughter of Mrs. Edith Taughinbaugh, New Oxford, and George Wisner, son of Mr. and Mrs. Robert E. Wisner, Hanover, were united in marriage on Saturday at 12 o'clock noon. The double ring ceremony was performed by the Rev. George E. Sheffer at the First Lutheran church of New Oxford.

The bride, who was given in marriage by her brother, Ralph Taughinbaugh, was attired in a gown of white satin with an extended train. The tight fitted bodice was fashioned with a marquisette yoke and sleeves which tapered over the hand with an edging of lace. The full hooped skirt had insertions of wide lace. Her fingertip veil was of illusion net with a bandeau of seed pearls, and she carried a white Bible with Stephanotis.

The maid of honor was Miss Betty Wildasin, Philadelphia, cousin of the (Please Turn to Page 8)

SUFFERS SKULL INJURY IN FALL

Raymond "Mike" Twomey, 333 Baltimore street, is a patient at the Warner hospital following a fall Sunday evening in an alley near his home in which he suffered a fractured skull. He is reported to be getting along satisfactorily.

Thomas Flohr, 19, Keymar, Md. R. 1, was treated Sunday for injuries sustained Sunday morning at 2 o'clock when his auto struck a culvert near Keymar.

Flohr was knocked unconscious and received lacerations to the right eyebrow, severe lacerations to the nose, contused lips, lacerated lower lip and laceration to his right knee.

Catherine Richardson, Carlisle street extended; Robert Anders, Jr., Gettysburg R. 1; Tyrone Maitland, Littlestown; Francis Shultz, 126 West street, and George Bender, Jr., 44 East Lincoln avenue, were operated upon this morning for the removal of their tonsils.

THE CLEAN-UP

Chapter 3
"Why all the mystery?" asked Pappy Daley.

"There you've got me," Pappy looked at Rush through a blue haze of cigar smoke. He added up the chances of success for Rush. He'd known him ten years—five of them a member of his editorial staff on the Express. He looked at the sun and decided that if he wanted a city cleaned up he'd call on Rush. He said as much.

"Thank you, Pappy," said Rush. "Now, can you do me a little concrete good? I need to know something about Forge City. What can you get me?"

"Smoky grew up not ten miles from there in a place called Walker's Landing. I'll get him."

He lifted a phone and asked for Smoky. Somebody found him in a bar and fifteen minutes later he was in Pappy's office.

"Forge City? I worked a summer there for Bill Prime on the Chronicle when I was drying myself behind the ears. They're organized there."

"Who's organized there?" asked Rush.

"I don't remember the names. There's two or three of them. But they have things split up and greased like you never saw before. No kickback from the public?"

"They've got things so well organized that the public doesn't even know they're there. Everything works nicely and there's no crime that anybody can find, so they keep on electing the same guys. It's a gray train. The guys running the place are in it for the long haul so they aren't trying to get rich over night. It's a tight little setup that nobody can put a finger on and nobody can break."

"Nobody?" asked Rush.

Smoky started to repeat "nobody" when he caught the tone of Rush's voice. He looked at him carefully and groaned.

"Here we go again. Look, chum, if you think Weston was a chore, wait till you hit Forge City."

Rush grinned at him.
"When I need some help I'll phone you, Smoky. You'll love it. In the meantime what was the name of that publisher in Forge City?"

"Bill Prime."

"Is he honest?"

"He was. He was smart, too. He knew what was going on but he knew he couldn't do anything about it, so he stood clear of it."

"Maybe I can needle him into it. If he's still honest."

"I've got to go, I'm catching a plane for this modern Gomorrah in an hour. Have Smoky loose when I call. You might send Joe for pix. If I can blow this one up it ought to be good."

At the door he turned back into the room.
"Tell the boys in the back room to have one on me and if I don't come back turn down an empty glass."

An hour later Rush leaned back in his plane seat and opened the envelope Gertrude had handed him during his quick trip to his office on the way to the airport. The vital

statistics on Forge City were interesting but not amazing. The only newspaper was the Chronicle, publishing both morning and evening editions. Listed as Mayor was one Patrick Gunn. A Mark Carver was Police Commissioner with a Mr. Thomas Hacker as his Chief of Police.

A cab took Rush through the pleasant tree lined streets to the heart of town. His driver maneuvered to the curb in front of a hotel whose sign named it the Carter. A doorman helped him out of the cab and a bellhop carried his bag into the lobby. It was more than adequate, it was in fact a very nice hotel. He registered and the clerk handed the bellhop the key to 715. The hop performed the usual ritual of opening a window an inch, lighting the lights in the bathroom, and opening the door to the closet. Rush flipped him a quarter.

"Anything else?" he asked.
"What would you suggest?" asked Rush.
"That depends on what you want," said the bellhop.
"How about an extra dollar a night hold. Can I make it grow?" The bellhop looked at him oddly.
"You are new here, aren't you?"
"Well, man, you can risk a dollar in every joint in town. This is the gambling place you ever saw."

"Got any recommendations?"
"Sure. I'm an honest boy just trying to get along. It'll be worth a fast buck to me if you go to Carlo's and tell them I sent you."

"You'll get the buck," said Rush. "I'll make it tonight."

The bellhop left then and Rush unpacked his bag. He picked up the telephone directory and looked through the classified section. He counted two hundred and some bars, taverns, and night-clubs which made it about one per thousand population. Besides being a gambling town this must also be quite a city for entertainment.

Steel Conditions Like Those In '20

New York, May 23 (AP)—Steel makers were warned Thursday by Walter S. Tower, president of the American Iron and Steel Institute, of the parallel between current conditions in their industry and those existing in 1920.

"Then, too, we heard about a steel-starved world," Tower said in his presidential report to the 55th general meeting of the institute. "The very next year your furnaces operated at 35 per cent of capacity."

"Steel was riding high on a wave of optimism in May, 1920. Steel is

riding high today. I hope that the similarities may not hold beyond this point."

Tower said the industry was operating at a rate close to 84,000,000 tons a year.

"The last five months have shown an operating rate above 93 per cent of ingot capacity—which has been equalled only once before in peacetime, in the first five months of 1929," he said.

Washington, Pa., May 23 (AP)—John Livosz, 14, was killed by an automobile Wednesday as he dashed into the street in pursuit of a ball. His mother and three sisters were

PONTIAC
A fine car made finer

A Product of General Motors

When in doubt - choose a Pontiac!

If there is any doubt in your mind about which motor car would best meet your requirements—we respectfully suggest that you choose a Pontiac. Practically everyone who owns a Pontiac would tell you that it is the ideal car for the average family.

Pontiac offers a full measure of all the important things you want, and need, in an automobile. It is big, beautiful, safe and comfortable. It is a constant joy to own and drive. It is remarkably dependable and long-lived. Yet—despite all this fine-car quality—Pontiac is extremely economical—just about as economical as any car you could buy.

These things are always true of Pontiac—year after year. So regardless of when you expect to get your next car, choose a Pontiac. We are certain it will make you happy, from every standpoint.

TWO POINTS TO REMEMBER: (1) The sooner you place your order for a new Pontiac, the earlier you will get it. (2) You will get more for your present car if you keep it in tip-top shape.

HOW TO GET YOUR New BENDIX automatic Home Laundry

NO doubt you'll want your new BENDIX soon. Most folks do. So come and see us quickly. Let's talk it over, and get the details done!

Maybe you'd first like to see what this washday wonder does—how it washes, rinses, damp-dries, cleans itself and shuts itself off—all without your lifting a finger. Then it's even more urgent that you come in soon—today if you can!

Because if you want your BENDIX quickly—and chances are you will—we'll both be pleased if you are one of our "first-to-be-served!"

What you do: put in clothes, set a dial, add soap.

What the BENDIX does: fills itself, tumbles clothes clean, thoroughly tumbles, rinses, dries clothes ready for the line or dryer, cleans and empties itself, and shuts off—all automatically! The Bendix takes only 4 square feet of floor space—fits perfectly in kitchen, bathroom, utility room or laundry.

EXCLUSIVE TUMBLE ACTION: tumbles clothes through suds 60 times a minute, yet so gently that even fine fabrics launder beautifully.

**Truman Requests
Controls Extension**

Washington, May 23 (AP) — President Truman today asked Congress to extend for a year, beyond June 30 his authority to control domestic use and export of a few materials "to prevent harm to our own economy and give concrete support to our foreign policy."

He said in a message it is essential to maintain domestic control, by priority and allocation, over tin, fibers and cordage, antimony, cinchona bark, and quinine.

Mr. Truman also asked (1)—import control authority over a few foods — fats and oils and rice and rice products; (2)—import controls and export priorities on nitrogen fertilizer; and (3)—export priorities on key industrial products needed for foreign reconstruction and rehabilitation.

**Draft Dodger Loses
Plea To Stay In U.S.**

New York, May 23 (AP) — Serge M. Rubinstein's petition to avoid deportation after he finishes serving a 30-month sentence at the Lewisburg (Pa.) federal penitentiary for draft evasion has been denied by Federal Judge John C. Knox.

Referring to the FBI file on the 38-year-old Russian born financier, Judge Knox said yesterday that "he would be an undesirable person to keep in this country, and I certainly will not sign an order to keep him here."

**Two Indicted In
Philly War Frauds**

Philadelphia, May 23 (AP)—Two former war shipping administration officials have been indicted by a federal grand jury on charges of bribery and conspiracy against the government as the federal bureau of investigation nears completion of its probe into alleged \$1,000,000 war frauds on the Delaware river waterfront.

The probe began three years ago when several prospective contractors on ship repair complained to the FBI they were "squeezed out" of jobs. At that time 42 contracting firms and some of their employees were indicted on charges of defrauding the government.

Judge J. Cullen Ganey yesterday received indictments for Frank Edward Sales, 65, former assistant local manager of the WSA maintenance and repairs division, and John W. Chott, 49, former WSA chief marine surveyor.

Also indicted on the same charges was John P. Donnelly, 42, a former partner in the Atlas Iron and Steel Co.

Parlor is derived from the French verb parler, meaning to speak.

Specious, which now means false, once signified fair or beautiful.

FISH AND GAME MAKING PLANS FOR CARNIVAL

The Littlestown Fish and Game association met Wednesday evening in the Alpha Fire Engine house, with the president, Dr. J. R. Riden, presiding. Ernest Renner, chairman of the carnival committee, reported that work has started for the carnival to be held June 19, 20, and 21. He pointed out that there is much work to be done, and that he would like to meet the chairmen of each group at his home June 4. It was decided to hold a special meeting of the organization on June 10.

Bernard Dillman, chairman of the plaque committee, reported that the plaque has been received and the necessary work to be done yet is being arranged by the committee. The plaque will be dedicated June 19 at 7:30 o'clock, and unveiled by a Boy Scout and a Girl Scout.

Donate To Hospital
The association decided to donate \$5 to the Auxiliary of the Annie M. Warner hospital, and also to buy 12 chairs to be placed in the Fire Engine house.

Bernard Dillman, president of the Adams County Organization of Sportsmen's clubs, stated that all the clubs of the county will put forth a special effort in the next few months to secure more members so that the county organization will represent more sportsmen. The next county meeting will be held at Aspers May 28.

The next meeting of the Littlestown Fish and Game association will be held at the home of Mervin Harner at Black's Corner, the date to be announced later. The committee in charge of the refreshments will be Earl Sanders, Harry Eline, and Charles Snyder.

John Sterner, veteran Littlestown fireman, observed his 69th birthday Monday. He has been an active fireman for 50 years.

Mrs. Miller presented the typing awards. Bessie Good, a junior was high in typing with 60 words a minute.

The Dan Worth Foundation award to the most outstanding senior boy and girl went to Albert Bair and Shirley Spangler. The award, given for qualities of leadership, was a copy of the book, "I Dare You." Sixty-two received certificates for successfully passing the Hi-Y Bible study class sponsored by the state Y. M. C. A.

Shop Awards Made
Roscoe Spencer presented shop awards given by I. H. Crouse and sons, local contractors, for outstanding work on projects that students completed. The basis for judging and selecting winners was workmanship, finish, selection of model, and drawing or blueprint. The judges were Lloyd E. Crouse, Edward P. Hawk, and Evan M. Appier. The winners were as follows: Seniors—First, Wilbur Mayers, set of bits, 4 to 16 inclusive; second, Carroll Reed, No. 4C Stanley plane; Junior—Jim Myers, set of chisels, one-fourth to one and one-fourth; Sophomores—First, Glenn Strasbaugh, 10 point saw; second, Charles Grove, Stanley level; Freshmen—First, Harold Gerrick, brace; second, Lee Kerns, 8 point saw; third, Jack Miller, hammer; fourth, Richard Wolfe, coping saw; Eighth Grade—Richard Bowers, plumb hatchet; seventh grade—First, Harold Cool, Plumb hammer; second Victor Reynolds, tri-square.

Policeman, Suspect Wounded In Battle

Pittsburgh, May 23 (AP)—A veteran policeman and a man he sought to arrest were wounded last night in a gun battle on a street corner. Patrolman Edward Bann, 56, shot and critically wounded Harry Manning, 43, after the officer was struck twice by bullets. Manning was taken to Mercy hospital in critical condition from wounds in the abdomen and shoulder. Bann's wounds in the right hip and hand were not considered serious.

Other patrolmen found both men lying in the street when they arrived at the scene.

Police Inspector Michael Daugherty said Manning opened fire on Bann when the latter sought to arrest him on a surety of the peace charge preferred by Manning's wife.

SLEEPY FAN

Chicago, (AP)—The baseball game at Wrigley field between the Chicago Cubs and Philadelphia Phils yesterday was close and the nearly 8,000 fans made lots of noise.

But Paul Ream, 49, of suburban Wheaton, fell asleep during the game and he didn't wake up until last night. He telephoned police for help getting him out of the dark park.

After Detective William Nolan and Dell Brust released him and put him on a train for home, Ream asked the policemen: "Say, who won the game?"

(The Cubs won, 2 to 1).

Chapter 3

"Why all the mystery?" asked Pappy Daley.

"There you've got me," Pappy looked at Rush through a blue haze of cigar smoke. He added up the chances of success for Rush. He'd known him ten years—five of them a member of his reporting staff on the Express. He looked at the sum and decided that if he wanted a city cleaned up he'd call on Rush. He said as much.

"Thank you, Pappy," said Rush. "Now, can you do a little concrete good? I need to know something about Forge City. What can you get me?"

"Smoky grew up not ten miles from there in a place called Walker's Landing. I'll get him."

He lifted a phone and asked for Smoky. Somebody found him in a bar and fifteen minutes later he was in Pappy's office.

"Forge City? I worked a summer there for Bill Prime on the Chronicle when I was drying myself behind the ears. They're organized there."

"Who's organized there?" asked Rush.

"I don't remember the names. There's two or three of them. But they have things split up and greased like you never saw before."

"No kickback from the public?"

"They've got things so well organized that the public doesn't even know they're there. Everything works nicely and there's no crime that anybody can find, so they keep on electing the same guys. It's a gravy train. The guys running the place are in it for the long haul so they aren't trying to get rich over night. It's a tight little setup that nobody can put a finger on and nobody can break."

"Nobody?" asked Rush.

"Smoky started to repeat 'nobody' when he caught the tone of Rush's voice. He looked at him carefully and groaned."

"Here we go again. Look, chum, if you think Weston was a chore, wait till you hit Forge City."

Rush grinned at him. "When I need some help I'll phone you, Smoky. You'll love it. In the meantime what was the name of that publisher in Forge City?"

"Bill Prime."

"Is he honest?"

"He was. He was smart, too. He knew what was going on but he knew he couldn't do anything about it, so he stood clear of it."

"Maybe I can needle him into it. If he's still honest."

Rush stood up then.

"I've got to go. I'm catching a plane for this modern Gomorrah in an hour. Have Smoky loose when I call. You might send Joe for pix. If I can blow this one up it ought to be good."

At the door he turned back into the room.

"Tell the boys in the back room to have one on me and if I don't come back turn down an empty glass."

An hour later Rush leaned back in his plane seat and opened the envelope Gertrude had handed him during his quick trip to his office on the way to the airport. The vital

statistics on Forge City were interesting but not amazing. The only newspaper was the Chronicle, publishing both morning and evening editions. Listed as Mayor was one Patrick Gunn. A Mark Carver was Police Commissioner with a Mr. Thomas Hacker as his Chief of Police.

A cab took Rush through the pleasant tree lined streets to the heart of town. His driver maneuvered to the curb in front of a hotel whose sign named it the Carter. A doorman helped him out of the cab and a bellhop carried his bag into the lobby. It was more than adequate, it was in fact a very nice hotel. He registered and the clerk handed the bellhop the key to 715. The hop performed the usual ritual of opening a window an inch, lighting the lights in the bathroom, and opening the door to the closet. Rush flipped him a quarter.

Scalping was practised by the ancient Scythians.

"Anything else?" he asked. "What would you suggest?" asked Rush.

"That depends on what you want," said the bellhop.

"How about an extra dollar I might hold. Can I make it grow?" The bellhop looked at him oddly.

"You are new here, aren't you?"

"Well, man, you can risk a dollar in every joint in town. This is the gamblingest place you ever saw."

"Got any recommendations?"

"Sure. I'm an honest boy just trying to get along. It'll be worth a fast buck to me if you go to Carlo's and tell them I sent you."

"You'll get the buck," said Rush. "I'll make it tonight."

The bellhop left then and Rush unpacked his bag. He picked up the telephone directory and looked through the classified section. He counted two hundred and some bars, taverns, and night-clubs which made it about one per thousand population. Besides being a gambling town this must also be quite a city for entertainment.

(To be continued)

Scalping was practised by the ancient Scythians.

PONTIAC

A fine car made finer

A Product of General Motors

When in doubt — choose a Pontiac!

If there is any doubt in your mind about which motor car would best meet your requirements — we respectfully suggest that you choose a Pontiac. Practically everyone who owns a Pontiac would tell you that it is the ideal car for the average family.

Pontiac offers a full measure of all the important things you want, and need, in an automobile. It is big, beautiful, safe and comfortable. It is a constant joy to own and drive. It is remarkably dependable and long-lived. Yet—despite all this fine-car quality—Pontiac

is extremely economical—just about as economical as any car you could buy.

These things are always true of Pontiac—year after year. So regardless of when you expect to get your next car, choose a Pontiac. We are certain it will make you happy, from every standpoint.

TWO POINTS TO REMEMBER: (1) The sooner you place your order for a new Pontiac, the earlier you will get it. (2) You will get more for your present car if you keep it in tip-top shape.

Steel Conditions Like Those In '20

New York, May 23 (AP)—Steel makers were warned Thursday by Walter S. Tower, president of the American Iron and Steel Institute, of the parallel between current conditions in their industry and those existing in 1920.

"Then, too, we heard about a steel-starved world," Tower said in his presidential report to the 55th general meeting of the institute. "The very next year your furnaces operated at 35 per cent of capacity. Steel was riding high on a wave of optimism in May, 1920. Steel is

riding high today. I hope that the similarities may not hold beyond this point."

Tower said the industry was operating at a rate close to 84,000,000 tons a year.

"The last five months have shown an operating rate above 93 per cent of ingot capacity — which has been equalled only once before in peacetime, in the first five months of 1929," he said.

Washington, Pa., May 23 (AP)—John Livosz, 14, was killed by an automobile Wednesday as he dashed into the street in pursuit of a ball. His mother and three sisters were

away, attending his grandfather's funeral. His father, John Paul Livosz, was killed in a mine accident two years ago.

HOW TO GET YOUR New BENDIX

automatic Home Laundry

NO doubt you'll want your new BENDIX soon. Most folks do. So come and see us quickly. Let's talk it over, and get the details done!

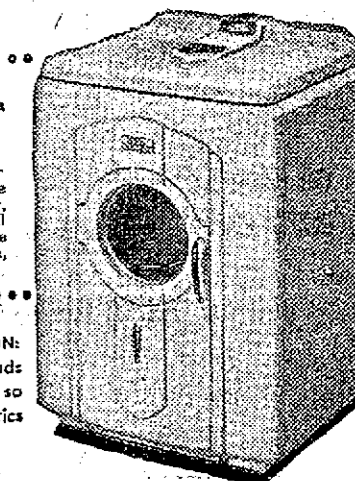

Maybe you'd first like to see what this washday wonder does—how it washes, rinses, damp-dries, cleans itself and shuts itself off—all without your lifting a finger. Then it's even more urgent that you come in soon—today if you can!

Because if you want your BENDIX quickly—and chances are you will—we'll both be pleased if you are one of our "first-to-be-served!"

What you do: put in clothes, set a dial, add soap.

What the BENDIX does: fills it, self, tumbles clothes clean, thoroughly rinses, dries clothes ready for the line or dryer, cleans and empties itself, and shuts off—all automatically! The Bendix takes only a square foot of floor space—fits perfectly in kitchen, bathroom, utility room or laundry.

EXCLUSIVE TUMBLE ACTION: tumbles clothes through suds 60 times a minute, yet so gently that even fine fabrics launder beautifully.

College
Moose vs. Texas Lunch, 6 p. m.
Highway vs. Elks.

The Moose, Highway and Elks, three top teams in the Community Softball league, and the Texas Lunch were victorious in games played Thursday evening.

On the high school field the Moose nosed out Knox's store 5-3. The losers had a runner on and two out in the last of the final inning when a pretty outfield catch by Tate stopped the rally. Houch and Baker formed the winning battery with H. Tawney and M. Steinhour performing for Knox's.

The Elks hit hard to gain an easy 15-3 victory over the Evans store outfit. It marked the fourth straight defeat for the storemen.

A seven-run outburst in the third inning enabled the strong Texas Highway outfit to blank the Acme 9-0 in the opener on Codori field. George Fair's homerun with two on featured the attack in the third frame. Fair and Stambaugh composed the winning battery while Little and Arnold worked for the Acme.

Thirteen runs in the first inning enabled the Texas Lunch to score an easy 25-5 victory over the American Legion. Homeruns were hit by Dick Fidler, Gaylord Fissel, Billy Ogden and Bob Saylor for the winners while Hughes pounded out a round tripper for the Legion with one on in the third. The Texas Lunch pulled a triple play to end the contest.

Softball Loop To Use College Field

President Ralph Johnson of the Community Softball league announced today that beginning with Monday's games, contests originally scheduled for Codori field will be played on the college field, north of West Broadway, site of last season's games.

Arrangements were made with college officials this week for use of the field. Bleachers will be provided for fans.

ASPAR DRIVERS TO VOTE TODAY

Chicago, May 23 (P)—Organized holdout owners and drivers vote today on whether to enter the Indianapolis speedway's 500-mile automobile race May 30 on new terms proposed by the management.

The holdouts, members of the American Society of Professional Racers, agreed to consider a belated entry into the race after Anton Hulman, Jr., speedway owner, had offered to award extra money for qualifying prizes for post entry ASPAR drivers.

Acceptance of the speedway management's offer was contingent on ratification today by a majority of the ASPAR members who were being polled for their decision.

Makes New Offer
Last night Hulman offered to pay any qualification awards that ASPAR cars could win in the three remaining trials. In addition, the speedway management also agreed that ASPAR qualifiers should take their positions in the starting lineup in accordance with their speed on the coming qualifying days and that they would not be required to write "thank you" letters to the regular entrants who sign waivers for post entries.

After yesterday's meeting at Indianapolis, Ralph Hepburn, ASPAR president, said he had "15 to 19" ASPAR cars ready to enter the Memorial Day race if the majority voted in favor of accepting the new conditions.

SOPHS CAPTURE ANNUAL CLASS MEET AT G.H.S.

The Gettysburg high school sophomores captured the annual inter-class track meet Thursday afternoon by amassing a total of 53½ points. The juniors were second with 38½ tallies; seniors, 35, and freshmen, 23.

All athletes used gym shoes, spiked shoes being ruled out.

The sophs won five first places, taking the honors in the 110-yard low hurdles, 440-yard dash, mile relay, discus and shot put. The seniors won the 100-yard dash, 220-yard dash, 880-yard relay and javelin. The juniors copped the mile run pole vault, high jump and broad jump while the freshmen's lone first place came in the 880-yard run.

One new interclass record was made. D. Doersom, a senior, tossed the javelin 135 feet, 3 inches, to shatter the old mark of 124 feet set in 1941 by the late John Kuhn.

The summaries:
100-yard dash—1, Johnson, senior; 2, Donaldson, sophomore; 3, Yingling, junior; 4, Coffelt, freshman. Time, 11.4.

220-yard dash—1, Johnson, senior; 2, T. Hemingway, junior; 3, Dayhoff, sophomore; 4, Coffelt, freshman. Time, 25.9.

440-yard run—1, R. Wieland, sophomore; 2, L. Wolfgang, freshman; 3, L. Waybright, junior; 4, C. Caskey, freshman. Time, 1:01.5.

880-yard relay—1, seniors (Johnson, Doersom, Reynolds, Hoffman); 2, sophomores; 3, juniors. Time, 1:54.

110-yard hurdles—1, J. Bream, sophomore; 2, H. R. Knox, sophomore; and H. Myers, freshman; 4, J. Roberts, senior. Time, 14.7.

Mile relay—1, sophomores (Rhine, Woodson, Donaldson, Knox); second, freshmen.

Mile run—1, J. Settle, junior; 2, Woodson, sophomore; 3, D. Hoffmann, senior; 4, R. Sollenberger, junior. Time, 5:59.4.

880-yard run—1, M. Myers, freshman; 2, J. Settle, junior; 3, Woodson, sophomore; 4, W. Shull, junior. Time, 2:27.2.

Pole vault—1, R. Leedy, junior; 2, U. F. Bucher, junior, and Stern, sophomore; 3, tie, Gindlesperger, sophomore, and K. Deardorff, freshman. Height, 7 feet.

Shot put—1, R. Coleman, sophomore; 2, F. Reynolds, senior; 3, E. Cole, senior; 4, H. Hankey, sophomore. Distance, 31 feet, 3½ inches.

Discus—1, G. Donaldson, sophomore; 2, E. Cole, senior; 3, R. Dunkinson, junior; 4, R. Williams, sophomore. Distance, 94 feet, 3 inches.

High jump—1, W. Shull, junior; 2, tie, Doersom, senior, H. Dayhoff, sophomore, and L. Wolfgang, freshman; 3, E. Herring, sophomore; 4, W. McKenny, junior. Height, 4 feet, 8 inches.

Javelin—1, D. Doersom, senior; 2, C. Kitzmiller, freshman; 3, E. Cole, senior; 4, H. Hankey, sophomore. Distance, 135 feet, 3 inches.

Broad jump—1, P. Waybright, junior; 2, R. Wieland, sophomore; 3, J. Bream, sophomore; 4, R. Sachs, freshman. Distance, 15 feet, 9½ inches.

OBVIOUS CONCLUSION
Ewell Blackwell, the Cincinnati Reds pitcher, and Glenn Davis, the Army footballer, have been friends since their kid days in California and Blackwell still chuckles over a pitching feat he performed at Bonita high school when he and another pal, Richard Russell, pitched junior into a shower while he was wearing his baseball uniform.

Constellation Sets New X-Country Mark

Miami, Fla., May 23 (P)—A Lockheed Constellation of the Eastern Air Lines spanned the continent in six hours, 49 minutes and 26 seconds to set a new California-to-Miami speed record last night for commercial aircraft.

The huge four-engine passenger ship, officially timed by the National Aeronautics Association, clipped five minutes and 31 seconds from the record established only last Saturday by another Constellation.

30,000 To See Olympic Preview

Los Angeles, May 23 (P)—In what may be regarded as a preview test for 1948 Olympic games aspirants, top stars of the nation compete tonight in the seventh annual Los Angeles coliseum relays, with attention centered on the dashes and the one-mile run.

Upwards of 30,000 cinderpath enthusiasts are expected to attend, an estimate based on the fact that nearly that number turned out here for the dual meet May 3 between Illinois and the University of Southern California.

The 100 yard dash drew such speedsters as Southern Cal's Pellmel Patton, Texas' Allen Lawler and Perry Samuels, Barney Ewell, Ex-Penn State national champion, and Bill Martineson and Stoney Cotten from Baylor university.

The mile promised to be a highlight of the night, pitting Texas' tiny titan, Jerry Thompson, against the toughest field he has faced this year—Gerald Karver of Penn State, Leslie MacMillan of the New York Athletic club, Don Wold of the University of Washington, and Thelmo Knowles of San Jose, Calif., State college.

Shadow Beats Cards
Some unkind souls have suggested the Pirates' Frank McKinney pulled a "boner" when he didn't buy Higbe's shadow, Hugh Casey, too. The Brooklyn inn-keeper helped Higbe out of many a hole last summer and was his better half early this season. As recently as Wednesday, Casey won from St. Louis, a feat Higbe failed to match last night.

Hig and Howie Pollet hooked up in a tight 1-1 duel for six innings at Sportsman's Park until the Cards unloaded four of their eight hits in a three-run seventh inning for the 4-1 decision. It was Pollet's first home win of the year and his second success of the season.

Dyer Is Banished
Card Manager Eddie Dyer, who has taken his lumps in the first month of the campaign after a storied season in which he won the pennant and the world championship, showed signs of the cellar strain in an argument with Umpire Art Gore. Dyer thought Whitey Kurowski was safe at first base in a close decision by Gore in the sixth inning. He said his piece so loudly with so many gestures that Gore banished him from the premises. It was the first time mildweight this spring, the Yankees still have him on the "not for sale" list.

PERFECT GAME FOR BLACKWELL SPOILED IN 9TH

By JOE REICHLER
Associated Press Sports Writer

Tall Ewell Blackwell, the lanky Cincinnati side-arm mound artist, although somewhat disappointed over his hairline failure to duplicate Johnny Vander Meer's record of pitching two consecutive no-hitters, enjoyed the distinction today of being the major league's "winningest" pitcher.

Blackwell followed his hitless and runless masterpiece of June 18 against the Boston Braves with another brilliant pitching performance against the Brooklyn Dodgers yesterday.

The bony six-foot, five-inch elbow came within two putouts of registering his second straight no-hit game as he retired the Dodgers in the first eight innings without a safety. He got rid of the first man to face him in the ninth to extend his consecutive hitless and scoreless string to 19 innings (he began the Braves game with 1 2/3 hitless innings), but Eddie Stanky drove a sharp ground ball past his legs into center field for a clean base hit to spoil his dream. Jackie Robinson followed with another single before Blackwell retired the side for a 4-0 victory in the opener of the double header.

Brooks Win Second

Brooklyn outfielder Carl Furillo walloped a home run with the bases full against righthander Elmer Riddle and hit two singles against righthanded pitchers to drive in seven runs and lead the Brooks to a 9-8 victory in the second game. The split dropped the Dodgers into third place four percentage points behind the second place New York Giants and one and a half games away from the National league leading Braves.

The Braves won an 11-inning game from the Chicago Cubs 8-7 when Dick Culler singled off Johnny Schmitz to drive in Phil Masi. It was a pair of round trippers by Boston's Frank McCormick and Bob Elliott with two out in the ninth which forced the game into overtime.

Lloyd Gearhart's 11th inning home run with Buddy Kerr on base gave the New York Giants a 7-5 victory over the St. Louis Cardinals, ending the Redbirds' winning streak at nine games.

Tigers Lose Again

Rookie catcher Larry (Yogi) Berra highlighted a five run first inning by hitting a home run with the bases loaded to lead the New York Yankees to a 6-5 victory over the Detroit Tigers, the Bengals' ninth straight defeat which dropped them into the second division for the first time this season.

The second place Red Sox and Cleveland Indians divided a double header at Boston, the Indians taking the opener 8-2 behind the veteran Mel Harder and the defending American league champions winning the second game 6-3 in back of rookie Harry (Fritz) Dorish.

The split left the Red Sox two full games behind the league leading Yankees and enabled the Indians to move into fourth place, a half game ahead of the Tigers.

Scheib Blanks Chisox

Carl Scheib, the Philadelphia Athletics' 20-year-old righthander, won his third successive start and chalked up his second shutout by defeating the Chicago White Sox 3-0 in the second game of a double header after the Sox had won the opener on an unearned run 1-0 in 10 innings.

The Washington Senators and St. Louis Browns split a double header, the Senators eking out a 3-2 victory in the opener and the Browns slugging out a 9-6 win in the nightcap.

In a battle for last place in the National league, the Philadelphia Phillies outlasted the Pittsburgh Pirates 4-3 in 13 innings in the opener of a scheduled double header. The nightcap, cancelled at the end of four innings by a Sunday 7:00 p.m. curfew, found the Phils leading 8-6.

Blue Sox Continue To Burn Up League

(By The Associated Press)

Utica's Blue Sox are continuing to burn up the Eastern league.

Before 4,642 fans, the second largest Utica crowd since the team entered the league, the Sox, with a record of 23 victories in 27 games, upset the Hartford Chiefs twice, 3-2 and 5-4 yesterday.

The surprising Albany Senators, who are belatedly trying to catch the Blue Sox, extended their record to 11 victories in the past 13 games by sweeping a double header with Binghamton, 9-7 and 6-4.

Scranton evened its series with Elmira by rallying for two runs in the eighth to win, 2-1.

The Wilkes-Barre Barons came from behind to win the first game of a twin bill, from the Williamsport Tigers 9-7, and came back to capture the second, 7-2.

Saturday's Results

Elmira, 4; Scranton, 3 (11 innings).

Albany, 8; Binghamton, 6 (12 innings).

About 3,000 feet of lumber will make about 10,000,000 kitchen matches.

York, Harrisburg Divide Double Bill

(By The Associated Press)

The Wilmington Blue Rocks climbed into the first division of the Interstate league today after a doubleheader triumph over the tailend Lancaster Roses extended their current win streak to six.

Hagerstown also won a pair to cling tenaciously to its slim third place advantage. The Owls whipped the Sunbury Yankees, 9-6 and 1-0.

Meantime, Allentown split with Trenton and York divided a pair with Harrisburg.

Allentown Canaries maintained a two-game advantage over Harrisburg as league leader by edging the Giants in the ninth inning of the opener, 7-6. Trenton tallied six times in the sixth inning of the nightcap to win 9-7.

Wilmington had little trouble with Lancaster, winning 10-4 and 5-1. Johnny Clemens won his fourth game this season in the opener, while Bill Pless annexed his third triumph in the finale.

York trounced Harrisburg in the first game, 5-1, but the Senators squatted things in the nightcap, 5-4.

Wilmington can advance to third place tonight by knocking off Hagerstown. Another important series—between Allentown and Harrisburg—may change the whole complexion of the current pennant race this week.

3 YOUNGSTERS LEFT IN OPEN

By FRANK KENESSON

Detroit, June 23 (P)—Three sweet-swattling golf pros who learned the game from fathers who also were professionals, rode into the semifinals of the National Open PGA championship here today along with ex-champion Vic Ghezzi, former caddy who beat Bryon Nelson in the 1941 finals at Denver.

The second-generation pros, two of them competing for the second time in a National PGA tournament, are Melvin (Chick) Harbert of Northville, Mich., Jim Ferrier of San Francisco and 38-year-old Art Bell of Colma, Calif.

The quartet constituted the last survivors of an original field of 64 who started upset-packed match play competition last Friday on Plum Hollow Golf club's long, treacherous championship layout.

Defeats Worsham

Ghezzi, 36-year-old native of Rumson, N. J., slapped down the National Open champion, Lew (The Chin) Worsham of Pittsburgh, 3 and 2, for his fourth and closest match play triumph here to collide in the lower-bracket semi-windup with Harbert, home-grown dark-haired slugger who was the fair-haired favorite of the big gallery in his 2-up victory over 38-year-old Leland Gibson of Kansas City, Mo.

Bell, staved off a rousing rally by Ky (Chief) Laffoon, Cherokee Indian now playing out of St. Andrews, Ill., to win his quarter-final battle 2-up and move into an all-California semi-final struggle against Ferrier, who tripped 1946 National Open champion Lloyd Mangrum, 4 and 3.

Winners of today's Ferrier-Bell and Ghezzi-Harbert battles will clash in the 36-hole finals tomorrow.

HOLLAND LEADS SPEEDWAY ACES

Langhorne, Pa., June 23 (P)—Wild Bill Holland, Bridgeport, Conn., driver, today held a 250-point lead for the 1947 national speedway title over Mauri Rose as a result of his victory in the 100-mile dirt track championship big car race here.

Holland gunned his Peters Offenshauer around the one-mile Langhorne speedway oval yesterday in 1:08:23.59 to finish two and one-quarter laps ahead of Emil Andres, Chicago.

Rose is in second position in the national title picture by virtue of his triumph in the 500-mile Indianapolis race Memorial Day. Holland finished second in that race. Points are computed on the basis of finish in the current series of 100-mile races throughout the country.

A record crowd of 52,000 saw Holland, who won a 100-miler at Milwaukee, take the lead on the 82nd lap from Tony Bettenhausen, of Chicago, and coast home. Bettenhausen was forced out by motor trouble.

103 Runs Scored In Sunday Games

(By The Associated Press)

Seven Sunday games in which a total of 103 runs were scored failed to alter team positions in the Middle Atlantic league race with one exception, Uniontown's edging into sixth place ahead of Johnstown.

The league leading Old City Refiners padded their edge with 11-7 and 10-6 wins over the second place Vandergrift Pioneers. The Youngstown Colts also won both ends of their bill with the Butler Yankees, 11-3 and 11-4, while Erie and Uniontown split a double feature, the Sailors taking the first, 10-4, and the Coal Barons winning the nightcap, 7-2.

The Johnstown Johnnies unleashed a 15 hit barrage, including 10 extra base blows, to score a 14-3 win over the Niagara Falls Frontiers.

All first division teams in the South Penn Baseball league scored triumphs over the week-end.

Cashtown retained its one-game margin at the top of the circuit by walloping Gettysburg 20-9 in a contest held at Cashtown Sunday. The victors combed three local hurlers for 22 hits with Ken Kuhn and Don Kuhn each collecting four safeties. Jones poled three hits for Gettysburg.

Bonneauville made use of nine errors by Granite to score an easy 17-1 victory on the latter's field. The victors secured 13 hits off Gladhill, Heyser and Brame, topped the winning hurler, and Hamr permitted Granite but five hits.

Wenksville pulled into a second place tie with Bonneauville by winning a pair of contests. On Saturday Wenksville drubbed Granite 11-6 on the latter's field. Baltzley hurled for Wenksville and Heyser for the losers.

On Sunday Wenksville defeated Barlow 8-3 at Barlow. Barlow tested the game on two charges, alleging a Wenksville player's residence violated the league's rules and also on two spectators and a dog occupying a portion of the cherry orchard behind right field.

In the other game Heidlersburg nosed out Brushtown 3-2 at Brushtown.

FRUIT GROWERS STUDY EFFECTS OF SMUDGE POTS

Fruit growers of Adams county, whose 1947 crops were threatened, and in many cases damaged by the cold weather this spring, plan to survey the results of the use of smudge pots and other dispersers of the cold, at a meeting of the Adams County Fruit Growers association to be held in the school auditorium, Biglerville, Friday evening at 8 p. m.

Many Adams county growers attempted, during the cold weather, to prevent injury to trees and buds through the use of several types of heat, including smudge pots, oil burners, etc. Mr. T. Hartman, county farm agent, said, at Friday night's meeting the results of these attempts will be discussed, with the likelihood that a more comprehensive program for succeeding years may be developed.

The growers will also review the insect and fruit disease situation to date, and suggestions will be made on what spraying will be necessary to provide adequate control of disease.

L. O. Weaver, extension service plant pathologist, and J. O. Pepper, extension entomologist, State College, will attend the meeting. Mr. Hartman said, and discuss insect and fruit damage and remedies.

CHILDREN'S DAY SERVICE HELD

A Biblical drama, "The Boy Mark," by the intermediate department of the York Springs Methodist Sunday school, with a series of recitations and exercises by the younger children, were features of the school's annual Children's Day program presented at the church on Sunday evening.

The recitation program consisted of: "Jesus and the Children," by Marilyn Shank; "Pansies for Children's Day," by Ruth Hankey; "Welcome," by Billy Coulson; "His Lighthouse," by Robert Stoner; "The Sunday School Trail," by Donna Chronister; "A Sunday School Soldier," by Richard Stoner; "A Children's Day Verse," by Ronald Hoff; "A Secret," by Mary Martha Congleton; "The Children's Friend," by Geraldine Miller; and the song: "Birds Are Happy: So Are We," by a chorus of primary department children.

Audrey Chronister, Shirley Hankey and Janet Hollabaugh presented an exercise, "Bright Golden Sunbeams." The Guise twins, Laura and Lola, with Kay Bower and Anita Fann gave "In My Garden" as another exercise. Alice Congleton and Geraldine Miller sang "Little Sunbeams."

This Sunday school program was presented at the time of the usual worship service. The minister of the church is the Rev. Orville V. Warner.

MAKE FIELD DAY PLANS THIS WEEK

Officers and committees in charge of arrangements for the fruit growers' field day, to be held July 30 at the South Mountain Fair grounds, will meet at Biglerville Wednesday night at 8 o'clock. M. T. Hartman, county farm agent, announced today.

The grounds committee, headed by Mr. Hartman, met Saturday, and made arrangements to hold the field day at the fair grounds. Other members of this committee are Robert Lott, Aspers, and William Oyler, Arendtsville.

Harold Steiner, Flora Dale, is general chairman of the field day committees. Tentative arrangements have been made on space for exhibits of orchard culture machinery. It is planned to make the field day state-wide by sending out invitations to all fruit-growing counties in the state.

Manufacturers and implement dealers will be invited to display equipment and demonstrate it at the field day, Mr. Hartman said.

Start Swimming Classes Monday

Red Cross swimming classes at Fairfield will open at the Benner pool, next Monday and continue through Friday, July 4, it was announced at the Red Cross headquarters here today. The hours will be 2 to 4 o'clock.

Miss Eleanor Berkebile, Johnstown, will instruct classes which will be open to both swimmers and beginners. Enrollment should be made at the Red Cross office here, or by calling Gettysburg 132.

Hollywood News

By BOB THOMAS

Hollywood (AP)—Just as a change of pace, it's novel to hear someone upholding these sunny shores against the verbal onslaught of Hollywood's detractors. Such a guy is James Gleason.

Jimmy got his Irish up concerning the recent statement by playwright Moss Hart that the movies would have been more civilized if the industry had stayed in the East, where it would have been exposed to the uplifting influence of the stage. Nuts, says Jimmy.

"The trouble with New Yorkers, like Moss," said Jimmy, who was born in the big town but grew up in San Francisco, "is that they think the world is bounded by the Battery and the Harlem river. They think the sun rises and sets only on Manhattan island to them, anything that happens on the outside couldn't be any good."

As for the movies profiting by closer association with the stage, Jimmy said that's sheer nonsense.

"Even if pictures had stayed in New York, they'd still be made by the same men. And they'd still have to appeal to the same audience—the 10-year-olds with the turned-up socks."

No human being could act in a play and a movie simultaneously, he added; so what would be the advantage of having the stage and screen close together, with air travel as it is today?

"I'll tell you why the movies are in California," Jimmy declared. "Because within a two-and-a-half hours' drive I can take you to backgrounds from any picture you could imagine. We've got everything here."

Except skyscrapers.

COUNTIANS WED IN BIGLERVILLE

Miss Treva M. Rouzer, daughter of Mr. and Mrs. Merritt G. Rouzer, Guernsey, was united in marriage with Burton E. Tuckey, son of Willie T. Tuckey, and the late Mrs. Little (Showers) Tuckey, Biglerville, Sunday morning at 8 o'clock in Bender's Lutheran church by the pastor, the Rev. H. W. Sternat. The double ring ceremony was used. The church was decorated with red rambler roses and with white carnations in the altar vases.

The bride wore a white gabardine suit with white accessories and a shoulder corsage of red rose buds.

The couple was attended by Mr. and Mrs. Glenn T. Tuckey, Aspers brother and sister-in-law of the bridegroom. Mrs. Tuckey wore a white dress with white accessories and a shoulder corsage of yellow rose buds.

The bride is a graduate of Biglerville high school, class of 1944. She is employed in the office of the Adams County Novelty company, Gettysburg.

Mr. Tuckey graduated from Arendtsville vocational high school, class of 1940. He is at present engaged in farming.

The wedding party will leave for a tour to Niagara Falls and Canada. Upon their return they will reside at their home, Biglerville R. D.

and Martha Ross, Myerstown. All wore the same style dresses as the matron of honor in dusty rose color. Their bouquets, which like the maid of honor and matron of honor's bouquets were of colonial style, were of Darry Maid carnations, and blue arkapur tied with blue bows.

Miss Margaret Elaine Ditchburn, daughter of the matron of honor was flower girl. She wore a floor-length white organza dress with "round, low cut neckline, trimmed with lace. She carried a basket of mixed flowers.

Ushers for the wedding were James Cruckey, Pittsburgh, and Louis Tuhowsky, Minnesota, of the U.S. Navy, shipmates of the bride's room. Richard Walton, Montclair, N. J., a brother of the bride was best man.

Serves In Navy

Harold Krenser, Reading, was organist and Miss Jeanne Schlegel of Reading, a college classmate of the bride, sang "Through the Years," "O Promise Me," "Because" and "The Lord's Prayer."

The bride is a graduate of Reading high school and of Albright college where her father is dean. The bridegroom graduated from Gettysburg high school and has been in service with the U.S. Navy for four years, two of which were in the South Pacific. He recently returned from a South American cruise and is now stationed aboard the U.S.S. Spangenberg.

Following the ceremony a reception was held at the Thomas Jefferson tea room, Reading, after which the couple left on a wedding trip to Ocean City, N. J.

Here And There

The Pennsylvania Newspaper Publishers Association, of which The Gettysburg Times is a member, has asked Senator Paul M. Crider, of the Adams-Franklin district, to change a section of his bill in the state Legislature calling for a revision of the Penal Code.

The Association has asked that the section headed "Furnishing Libelous Statements" be changed to read as follows:

"Whoever wilfully states, delivers, or transmits by any means whatever to the manager, editor, publisher, reporter or agent of any newspaper, magazine, publication, periodical, or to the writer or author of any editorial or article for publication therein, any false or libelous statement shall be imprisoned not exceeding one (1) year or fined not exceeding One Thousand Dollars (\$1,000) or both."

The change will make it an offense for any person or persons to furnish false as well as libelous information to newspapers, regardless of whether the information is published or is not published.

The Pennsylvania Dutch — a remarkable people with an enviable way of life — are described in an eight-page, illustrated article in the June issue of Holiday. Readers of the magazine will thus be given an opportunity to learn the customs and culture of these thrifty, hard-working people whose manner of living has changed little but whose labors make an important contribution to the agricultural life of Pennsylvania.

The article, written by Fredric Klees, an instructor at Swarthmore college, describes the Lancaster Market on busy Friday afternoons, and then tells of the Amish who live north of the Lincoln Highway near such towns as Fertility, Gap, Bird In Hand, and Paradise. North of these, near the villages of Hinkletown, Blue Ball, Churchtown, Morgantown, and Honey Brook live the "Church" Amish, who hold their services in meeting houses like those of the Quakers.

Photographs, accompanying the article, show a Brethren baptism near Quarryville, the Moravian Church at Lititz, the Lancaster Market, and other typical scenes of the Pennsylvania Dutch countryside.

Gettysburg is mentioned in the closing paragraph.

Each day in 1946 life insurance policyholders and beneficiaries in Pennsylvania were paid \$796,164 or a total of \$290,600,000 for the year and \$30.70 for every man, woman and child, according to a special compilation released today by the National Underwriter, weekly insurance newspaper. Pennsylvania ranked second in life insurance payments in the nation.

Offer Suggestions On Growing Plants

Any grower can secure better quality plants for transplanting by observing a few essential rules, says Joseph H. Boyd, extension vegetable specialist of the Pennsylvania State college.

First, the temperature must be right—75 to 90 degrees Fahrenheit in daytime and 60 at night for tomatoes, eggplants, and peppers, and 60 to 70 in daytime and 50 at night for cabbage, cauliflower, broccoli, and lettuce.

Sturdier plants result, he says, if crowding is avoided, and by having the soil well drained. Water needs to be applied only to prevent wilting—once or twice a week. Plants require ventilation, and develop best when given plenty of light.

BEER LICENSE IS REFUSED

Holding that there are enough class B beer licenses in Emmitsburg District and declaring the applicant not a fit person to have a license, License Commissioner Richard M. Zacharias, Frederick, on Tuesday disapproved the application of George Wagerman of Emmitsburg for such a license at his restaurant near the new shoe factory and athletic field at Emmitsburg.

A review of the testimony at a hearing in Frederick May 2 and the commissioner's decision were delivered to the applicant and his attorney, State Senator Edward D. Storm.

15 Objections Noted

In his review of the case, which created widespread interest at Emmitsburg, the commissioner recalled the applicant filed his application March 24 after being informed that under Rule 37 the district already had its full quota of licenses.

The commissioner points out that 15 persons signed objections to the issuance of the license and that later two of the objectors withdrew their names. Most of the objectors testified before the commissioner here.

Reciting some of the testimony given before him, the commissioner said the applicant's license to drive an automobile was revoked six years ago after conviction for drunken driving, that one of the leading citizens of the town testified that the applicant was not a fit person to hold a license; that the records show his wife's licensed place of business once was left vacant for 80 days without any notice being sent the commissioner, and that his wife in 1939 was reprimanded by the commissioner for selling beer to an intoxicated person.

The commissioner quoted the latest census figures for Emmitsburg District to show that under the provisions of Rule 37 the district now has its quota of licenses.

Theodore F. Brown, Westminster, represented the objectors, who included town and shoe company officials.

Jurist Attacks Lynching Verdict

San Francisco, May 23 (AP)—Declaring that he was "gravely disturbed," Superior Judge Sylvain J. Lazarus told the crowd in his courtroom that acquittal of lynch trial defendants in Greenville, S. C., was "an instance of atrocity and injustice deserving the attention of all decent American people."

The negro who was lynched, the judge pointed out, had not been convicted of any crime in any court of justice. "He was snatched out of the hands of the officers of the law by these White Russians—I use the term—for the purpose of emphasizing—and tortured and murdered."

D.A.R. ELECTION IS CLOSE RACE

Washington, May 23 (AP)—Mrs. Roscoe C. O'Byrne of Brookville, Ind., was elected president general of the Daughters of the American Revolution early today.

She succeeds Mrs. Julius Y. Talmadge, of Athens, Ga., and will serve for three years.

Mrs. O'Byrne defeated Mrs. Stanley Thorpe Manlove of Newburgh, N. Y. The vote was 1,186 to 1,131.

The polls closed at 2:45 p. m. (EST) yesterday, but tellers did not begin announcing results until nearly 12 hours later.

Mrs. O'Byrne entered the contest only a few weeks ago when she stepped in to head the ticket chosen to support Mrs. John Logan Marshall of Clemson, S. C., who died April 14.

The new president general, who carried her entire ticket to victory in a close election, has been active in the DAR since 1910.

Mrs. James Patton of Columbus, Ohio, was elected first vice president general, 1,263 to 1,031, over Mrs. Charles C. Haig of Washington, D. C.

So great was the interest in the election that about 1,500 delegates remained in Constitution Hall while the ballots were being counted.

Others Elected

Other officers elected in Mrs. O'Byrne's cabinet include Mrs. Frank Edgar Lee of Santa Monica, Calif., second vice president general; Mrs. Katharine Matthias of Seymour, Conn., third vice president general; Mrs. Robert Keene Arnold of Versailles, Ky., chaplain general; Mrs. Edwin S. Lammers of Dallas, Texas, recording secretary general; Mrs. John T. Gardner, of East Greenwich, R. I., corresponding secretary general; Mrs. Laura Clark Cook, of Hillsdale, Mich., organizing secretary general; Mrs. Rex Hays Rhoades of Washington, D. C., treasurer general; Mrs. William V. Tynes of Norfolk, Va., registrar general; Mrs. Van Court Carwithen of Malvern, Pa., historian general; Miss Helen M. McMackin of Salem, Ill., librarian general; Mrs. Roy J. Frierson of Tampa, Fla., curator general; and Mrs. Willard T. Siler of Morgantown, West Va., reporter general to the Smithsonian Institution.

Continue Search For Lost Luxury Plane

Manila, May 23 (AP)—A vast aerial search for a lost luxury air liner with at least 11 Philippine government officials and crewmen aboard was resumed today after a report that its wreckage had been sighted proved to be false.

Major Gen. Rafael Jalandoni, Philippine Army chief of staff who is directing the search, messaged President Manuel A. Roxas that wreckage spotted yesterday on a Mindanao mountain was that of an old army plane.

Alleged Communist Convicted, To Appeal

Washington, May 23 (AP)—A federal district court jury has convicted Carl Aldo Marzani, former State department official, of making false statements to conceal Communist affiliations from government investigators.

Justice Richmond B. Keen permitted the 35-year-old, Italian-born Marzani to remain at liberty while his attorney prepares a motion for a new trial.

The maximum penalty under the jury's verdict late yesterday could be 110 years in prison and a \$110,000 fine.

Premature Triplets Reported Doing Well

Chester, Pa., May 23 (AP)—Triplet girls, born three months prematurely to 25-year-old Mrs. Carol Smith in Chester hospital, were reported "doing nicely" today.

The mother and her husband, Robert, said they had chosen a name for a boy that was anticipated but were unprepared for yesterday's triple header, the first additions to the family. Totally, the babies weighed six pounds, four ounces.

Another set of triplets were born in nearby Philadelphia to Mrs. Dominic Spadaccini. Her newborn babes two boys and a girl—together weighed 20 pounds, 14 ounces.

DANCER—Milada Mladova of Oklahoma City, former Ballet Russe de Monte Carlo dancer, is now in the movies.

Mr. and Mrs. Robert Group will move this spring into an apartment in the house on East York street, Biglerville, which Elmore Bream bought recently from Mrs. John R. Deatrick. Mr. Group will be employed at the C. H. Musselman company plant.

The Biglerville Intermediate Girl Scouts will march in the Memorial Day parade in Biglerville Sunday, May 25. The scouts will meet in uniform at the Legion home at 3:30 p. m.

Mr. and Mrs. Burkhart are entertaining this week at their home in Biglerville Mrs. Burkhart's sister-in-law, Mrs. Fred P. Clippinger, Baltimore, who was formerly Miss Marjorie Pannas, of New Delhi, India.

Rally Day services will be held Sunday morning at the Mt. Olivet United Brethren church. Dr. Harvey D. Hoover, Gettysburg, will be the speaker at the service at 10:30 o'clock and will teach the Adult Bible class of the Sunday school at 9:30 o'clock.

Mrs. Robert Wilkinson and daughter, Carol, Harrisburg, spent Friday with Mrs. Wilkin's sister, Mrs. Dale P. Lawver, Biglerville.

Seven members from the Brethren church spent Thursday at the Brethren Relief Center, New Windsor, Md., helping with the packing of clothing for overseas relief. Included in the group were Mrs. Emanuel Laughman, East Berlin, R. D.; Mrs. Roy Pifer and Miss Alice Pifer, York Springs, R. D.; Mrs. Paul Miller, Sr., and Frederick Miller, New Oxford, R. D., and Mrs. Paul Miller, Jr., and Miss Almira Miller, Biglerville. The group went to New Windsor in response to a telegram asking for aid in the work.

Mr. and Mrs. Donald Shetter entertained recently at their home in Biglerville Mr. and Mrs. Raymond Marshall and their daughter, Ruth, and Thomas Powell, of Berwick.

Miss Patricia Meyer, daughter of Mr. and Mrs. E. A. Meyer, of Chevy Chase, Md., formerly of Biglerville, will enter Swarthmore college, Swarthmore, this fall. She will be graduated from the Sidwell school in Washington this spring. Her sister, Miss Joan Meyer, who was graduated from Biglerville high school, will be a member of the senior class at Swarthmore next year.

Miss Betty Roddy, who is a student at Indiana State Teachers' college, Indiana, Pa., and Miss Mary Roddy, a student at Shippensburg State Teachers' college, have concluded their studies for the term and returned to their home in Biglerville.

Mrs. Richard Fink and son, Richard, of Biglerville, are spending some time with Mrs. Fink's mother in York.

The pupils of the first six grades of the Biglerville schools held a picnic at the school house Thursday. The picnic had been planned for out-of-doors but weather conditions made it advisable to keep the children at the school. They were in charge of the grade teachers.

Miss Barbara Kleinfelter has completed the year's work as a student at the Conservatory of Music at Lebanon Valley college, Annville, and is spending the summer vacation with her parents, Mr. and Mrs. Lloyd W. Kleinfelter, of Biglerville.

Lawyer Tells Of Extra Steel Charge

Washington, May 23 (AP)—Charles Margiotti, Pittsburgh lawyer, told a Senate committee today that a client of his, trying to buy steel for resale, was told by a New York lawyer that he would have to pay an extra \$62.50 a ton which would go to executives of "five big steel companies."

Margiotti testified before a Senate Small Business subcommittee investigating the difficulties which small business firms are having in buying steel.

The witness did not name the "big steel companies." He said he was not accusing any steel executive of anything and had no personal knowledge of any improper practices, but merely was telling what his client was told.

Margiotti called it "an interesting and amazing story—if true."

BEVIN ASSERTS DICTATORS OF WORLD FAILED

By DEWITT MACKENZIE

Ap Foreign Affairs Analyst
This column yesterday called attention to the fact that the current investigation of ownership and control of the British press by England's Socialist regime — launched some time ago amidst an outcry among Communists and fellow travelers for regimentation of newspapers — has been causing uneasy speculation as to whether this indicates a further leftist tendency by the government.

We now have a sensational clarification of the government's policies in British Foreign Secretary Ernest Bevin's blistering "shirt-sleeve" speech in Commons, telling Russia bluntly what the score of international relations is and in Prime Minister Attlee's pointedly anti-Russian speech before a miners' rally in Barnsley today, in which he declared that "so-called democratic government is a travesty" in "several countries of eastern Europe."

Says Dictators Failed
Bevin — one of the most outspoken of England's major public figures — lately declared himself against "one-party" government (totalitarian). He said he would regret a conflict between ideologies "but if it is forced upon us we must face it." He didn't believe that in the long run the western world would be the sufferers in event of a conflict, because the many dictators who have tried to suppress liberty in the world have failed.

It was a fighting speech which was a direct challenge to aggressive Communism and to the tactics which that ism has been employing in eastern Europe. It would seem to line Britain up squarely with America. The gage of battle over this issue has been thrown down.

An interesting aspect of this fiery pronouncement is that it was delivered while London and Paris were awaiting Moscow's reply to the joint Anglo-French invitation to Russia to join in drafting a program of aid for Europe in accordance with U. S. Secretary of State Marshall's program for economic rehabilitation. British newspapers deduced from the tone of Bevin's speech that France and England had made up their minds to go ahead with the task laid down by Marshall irrespective of whether the Soviet Union decided to participate. In effect it served notice on Moscow to fish or cut bait.

STORMS KILL 15 IN MIDWEST

Cambridge, Neb., June 23 (AP)—Flash floods and tornadoes which caught many of their victims in bed left a toll of at least 15 dead and missing in Nebraska today as workmen sought to restore communication to isolated communities.

Hardest hit was this south-central Nebraska town where at least nine were drowned by a 12-foot wall of muddy water discharged from Medicine creek yesterday. An additional four were missing here. Two others drowned 60 miles north-east of here when their car, striking a highway washout, hurtled into a flooded creek.

Caught in their beds by the dawn flash flood, many residents of this community of 1,100 frantically chopped holes in roofs and climbed trees to escape the wall of water, reported to be 12 feet deep. Altogether, 196 were taken by boats and trucks from trees and house-tops.

Cloudbursts ranging up to an unofficial "12 to 13 inches at Burwell, Neb., sent streams over their banks throughout the state. Along with high winds and tornadoes, these left many communities without either telephone or telegraphic communication.

Pittsburgh, June 23 (AP)—Pacing a field of 300 birds, "Sky Pilot," owned by John Yodanis of Pittsburgh, won the South Hill Racing Pigeon club's annual Al Breb memorial race from Indianapolis to Pittsburgh yesterday. Sky Pilot flew the 325-mile distance in 10 hours, 40 minutes, a minute ahead of his nearest rival.
